**A Generation of Spanish Poets 1920-1936** C. B. Morris, 1969-09 This critical study of the group of remarkably talented poets who flourished in Spain between the First World War and the Spanish Civil War includes copious quotations accompanied by English prose translations Mr Morris treats his poets as a group showing how they shared certain themes and attitudes He begins with a general study of the generation as a whole and then examines the use of tradition the zest and levity of the Jazz Age the exaltation of life as a shared attitude then its converse the escape from life and finally the expression in complex imagery of personal tensions and disturbances These are often difficult poets but become less so when they are sympathetically examined in this way and in relation to earlier literary traditions Mr Morris enables the reader to take bearings and establish relationships which are enhanced by reproductions of photographs of the poets

**Today the Struggle** Katharine Bail Hoskins,2014-11-06 Many writers from Aristophanes to Joseph Heller have written about politics But at certain periods in history often at times of conflict and turmoil writers have consciously used their literary talents to support or oppose a specific cause The 1930s a decade of widespread social and political breakdown was such a period Today the Struggle examines the political involvement of those leading British writers who dedicated their talents to the defense of Nationalists or Loyalists during the Spanish Civil War and who saw that war as symbolic of their own Right Left dialogue Conservatives like William Butler Yeats and T S Eliot and Roman Catholics like Evelyn Waugh were passionately anti Communist They viewed fascism as a bulwark against communism but were unwilling to support the Franco cause actively Other pro Nationalists were not so hesitant Roy Campbell and Wyndham Lewis were ardent participants in the fight against the British left wing Pro Loyalists united only in their antifascism ranged from conservative to anarchist in political commitment Their literary contributions included fine poems by W H Auden and Stephen Spender experimental drama by Auden and Christopher Isherwood and impassioned prose by Rex Warner George Orwell and Aldous Huxley Katharine Hoskins s principal interest in Today the Struggle is to discover how and why certain writers supported specific political actions to ascertain the effectiveness of their efforts and to evaluate the influence of these efforts on their work
