Lord Chatham and the Whig Opposition D. A. Winstanley, 2019-06-04 Originally published in 1966 this book examines the struggle between the whig factions and the crown during a period of George III's reign During the short period the destinies of the nation were determined and the work of the Revolution nullified never before had the opponents of personal government been given such a favourable opportunity to thwart the execution of the royal schemes and yet they failed hopelessly Lord Chatham and the Whig Opposition includes chapters covering the formation of Chatham's administration the rise and fall of the opposition and its downfall *Lord Chatham and the Whig Opposition* Denys Arthur Winstanley, 1966 First Published in 1966 Routledge is an imprint of Taylor Francis an informa company *Lord Chatham and the Whig Opposition (Classic Reprint)* D. A. WINSTANLEY, 2018-02-14 Excerpt from Lord Chatham and the Whig Opposition A contest so momentous can hardly be without interest and therefore an attempt has been made to give both a record and an explanation of the failure of the Whigs For this purpose it has been necessary to concentrate the attention almost exclusively upon domestic politics and to omit much well deserving of close consideration Colonial history and foreign policy have been but very briefly touched upon and if an exception has been made in the case of the dispute with Spain over the Falkland Islands this can be justified by the influence which those negotiations exercised upon the parliamentary conflict Such omissions however serious they might be in a work claiming to be a history of the period may perhaps be pardoned in what is more than a study of one particular aspect of the time and it is to be hoped that if something has been lost in comprehensiveness something has also been gained in lucidity It may not be out of place to say a few words about some of the manuscript authorities that have been used About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works LORD CHATHAM & THE WHIG OPPOSITION D. a.
