Lord Beaverbrook A Life

Adrian Phillips

Lord Beaverbrook A Life:

Beaverbrook Anne Chisholm, Michael Davie, 1992 *LIFE*, 1940-08-05 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use *Mountbatten, Cold War and Empire, 1945-79* Adrian Smith, 2022-11-17 Mountbatten Cold War and Empire 1945 79 focuses upon Admiral Lord Mountbatten as a commanding if controversial figure in the history of Britain and its empire from Churchill s wartime coalition through to the Labour governments of the 1960s and forms a sequel to Mountbatten Apprentice War Lord Written in three parts focusing on the premierships of Churchill and Attlee Eden Macmillan Douglas Home and Wilson this book examines the debates over Mountbatten s record in Southern Asia in 1943 6 and 1947 8 Additional chapters focus on Mountbatten s position at the heart of the British state and his pivotal role at key moments in the immediate post war era most notably the partition of India the Suez Crisis and the renewal of an ostensibly independent nuclear deterrent This book also considers Mountbatten s relationship with Anthony Eden both during and following the Suez Crisis as well as detailing Mountbatten s achievements as First Sea Lord and Chief of the Defence Staff under Harold Macmillan and his immediate successors Smith acknowledges Mountbatten s centrality to the history of Britain and its empire in the immediate post war era and in doing so presents a fascinating picture of one of the most prominent figures of the 20th century Smith s scrupulous examination of primary sources including those available in the Broadlands Archives results in a thorough examination of a controversial figure by eschewing often baseless speculation about Mountbatten s personal life Smith creates the first comprehensive overview of Admiral Lord Mountbatten s career from 1943 to the mid sixties *Creating the National Health Service* Marvin Rintala, 2004-11-23 The origins of the NHS are the subject of this study that presents evidence on the key players who participated in the founding of the system The author also traces those who opposed the NHS *The Nation and Athenaeum*, 1920 **Profits and Politics** Gregory P. Marchildon, 1996-01-01 This is a deeply textured account of the dynamics of the securities market in the formative years at the beginning of the twentieth century **The Newspaper Axis** Kathryn S. Olmsted, 2022-03-22 How six conservative media moguls hindered America and Britain from entering World War II A landmark in the political history of journalism Michael Kazin author of What It Took to Win A History of the Democratic Party As World War II approached the six most powerful media moguls in America and Britain tried to pressure their countries to ignore the fascist threat The media empires of Robert McCormick Joseph and Eleanor Patterson and William Randolph Hearst spanned the United States reaching tens of millions of Americans in print and over the airwaves with their isolationist views Meanwhile in England Lord Rothermere s Daily Mail extolled Hitler s leadership and Lord Beaverbrook s Daily Express insisted that Britain had no interest in defending Hitler s victims on the continent Kathryn S Olmsted shows how these media titans worked in concert including

sharing editorial pieces and coordinating their responses to events to influence public opinion in a right wing populist direction how they echoed fascist and anti Semitic propaganda and how they weakened and delayed both Britain s and America s response to Nazi aggression **The King Who Had To Go** Adrian Phillips,2016-10-13 The previously untold story of the hidden politics that went on behind the scenes during the handling of the Royal abdication crisis of 1936 The King Who Had to Go describes the harsh realities of how the machinery of government responds when even the King steps out of line It reveals the pitiless and insidious battles in Westminster and Whitehall that settled the fate of the King and Mrs Simpson Prime Minister Stanley Baldwin had to fight against ministers and civil servants who were determined to pressure the King into giving up Mrs Simpson and when that failed into abdicating Dubious police reports on Mrs Simpson s sex life poisoned the government s view of her and were used to blacken her reputation Threats to sabotage her divorce were deployed to edge the King towards abdication Covert intelligence operations convinced the hardliners that the badly coordinated and hopeless attempts of the King s allies particularly Winston Churchill to keep him on the throne amounted to a sinister anti constitutional conspiracy The book also shows how the King doomed his chances of keeping the throne by wildly unrealistic goals and ill thought out schemes As each side was overwhelmed by desperation and distrust Baldwin somehow held the balance and steered the crisis to as smooth a conclusion as possible **Read All About It!** Kevin

Williams,2009-09-16 This Text book traces the evolution of the newspaper documenting its changing form style and content as well as identifying the different roles ascribed to it by audiences government and other social institutions Starting with the early 17th century when the first prototype newspapers emerged through Dr Johnson the growth of the radical press in the early 19th century the Lord Northcliffe revolution in the early 20th century the newspapers wars of the 1930s and the rise of the tabloid in the 1970s right up to Rupert Murdoch and the online revolution the book explores the impact of the newspapers on our lives and its role in British society Using lively and entertaining examples Kevin Williams illustrates the changing form of the newspaper in its social political economic and cultural context As well as telling the story of the newspaper he explores key topics in detail making this an ideal text for students of journalism and the British newspaper Issues include newspapers and social change the changing face of regional newspapers the impact of new technology development of reporting techniques forms of press regulation The Federal Court of Canada Ian Bushnell,1997-12-15 The Federal Court of Canada which existed from 1875 to 1971 under the name Exchequer Court of Canada occupies a special place in the court structure of Canada It was founded principally to adjudicate legal disputes in which the Canadian government was involved since its change of name in 1971 it has become primarily an administrative appeal court dealing with the review of decisions made by federal administrative tribunals in addition to its existing jurisdictions admiralty intellectual property tax and other areas As a federal court within the nation its very existence has provoked discussion and debate as the various provincial court systems claim a position of primacy within our society for the adjudication of legal

disputes Central to this history of the Court is an examination of the judges who have sat on its bench Bushnell investigates who the judges have been and examines their work with particular focus on the judges views of the proper approach to decision making His study contains a wealth of information much of which may not be widely known in the profession As such The Federal Court of Canada constitutes a rich source both for those with a legal background and for those with an interest in the working and history of legal institutions
