A Cognitive Psychology of Mass Communication Richard Jackson Harris,Fred W. Sanborn,2009-05-19 In this fifth edition of A Cognitive Psychology of Mass Communication author Richard Jackson Harris continues his examination of how our experiences with media affect the way we acquire knowledge about the world and how this knowledge influences our attitudes and behavior Presenting theories from psychology and communication along with reviews of the corresponding research this text covers a wide variety of media and media issues ranging from the commonly discussed topics sex violence advertising to lesser studied topics such as values sports and entertainment education The fifth and fully updated edition offers highly accessible and engaging writing contemporary references to all types of media familiar to students substantial discussion of theories and research including interpretations of original research studies a

balanced approach to covering the breadth and depth of the subject discussion of work from both psychology and media disciplines The text is appropriate for Media Effects Media teaches students how to examine and evaluate mediated messages and includes mass communication research theory and analysis **Adolescent Sexual Socialization and Teen Magazines** Suchi P. Joshi,2012 The majority of scientific research on teen magazines has been conducted from a single country perspective even though the experience of sex and sexuality is known to vary by country Moreover no research to date has analyzed the sexual content of teen magazines and directly linked it to how young people think or feel about sex In response to these shortcomings this book analyzes the topics of sexual desire sexual danger virginity loss pregnancy and the hook up culture in the most popular teen magazines of the United States and the Netherlands Results are then linked to US and Dutch young people s magazine reading and fear of sex and further investigated by religiosity While this book primarily addresses researchers of adolescent sexual socialization it also offers practical insights to parents health educators government officials and magazine editors ultimately revealing that adolescent sex as a forbidden fruit is a relative term contingent upon culture

Christian Writers' Market Guide 2010 Sally E. Stuart,2010 Identifies approximately one thousand markets for Christian writers including book publishers and periodicals each with contact information and submission guidelines and includes listings of literary agents poetry greeting card music and photography markets and contests New York Magazine ,1986-06-02 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **OurSpace** Christine Harold,2007-05-17 When reporters asked about the Bush administration s timing in making their case for the Iraq war then Chief of Staff Andrew Card responded that from an marketing point of view you don t introduce new products in August While surprising only in its candor this statement signified the extent to which consumer culture has pervaded every aspect of life For those troubled by the long reach of the marketplace resistance can seem futile However a new generation of progressive activists has begun to combat the media supremacy of multinational corporations by using the very tools and techniques employed by their adversaries In OurSpace Christine Harold examines the deployment and limitations of culture jamming by activists These techniques defy repressive corporate culture through parodies hoaxes and pranks Among the examples of sabotage she analyzes are the magazine Adbusters spoofs of familiar ads and the Yes Men s impersonations of company spokespersons While these strategies are appealing Harold argues that they are severely limited in their ability to challenge capitalism Indeed many of these tactics have already been appropriated by corporate marketers to create an aura of authenticity and to sell even more products For Harold it is a different type of opposition that offers a genuine alternative to corporate consumerism Exploring the revolutionary Creative Commons

movement copyleft and open source technology she advocates a more inclusive approach to intellectual property that invites innovation and wider participation in the creative process From switching the digital voice boxes of Barbie dolls and G I Joe action figures to inserting the silhouetted image of Abu Ghraib s iconic hooded and wired victim into Apple s iPod ads high profile instances of anticorporate activism over the past decade have challenged but not toppled corporate media domination OurSpace makes the case for a provocative new approach by co-opting the logic of capitalism itself Christine Harold is assistant professor of speech communication at the University of Georgia *Children, Adolescents, and the Media* Victor C. Strasburger, Barbara J. Wilson, Amy B.
