Man Who Would Be King:

The Man Who Would Be King Rudyard Kipling, 2024 In the remote valleys of Afghanistan two British adventurers Daniel Dravot and Peachey Carnehan set out on a daring quest to become kings of Kafiristan Using their wit charisma and a bit of luck they manage to establish themselves as rulers revered by the local people as gods However their newfound power soon proves to be their downfall as they become entangled in a web of betrayal greed and hubris In *The Man Who Would Be King* Kipling delves into the complexities of colonialism and its effects on both the colonizers and the colonized raising questions about power identity and the pursuit of greatness Through vivid characters and gripping storytelling Kipling offers a thought provoking examination of the human condition and the consequences of unchecked ambition JOSEPH RUDYARD KIPLING 1835 1936 was an English author born in British India and a Nobel Prize laureate in literature Kipling was one of the most popular writers in the United Kingdom during the late 19th and early 20th centuries with timeless classics such as *The Jungle Book* and *Kim* **The Man Who Would Be King and Other Stories** Rudyard Kipling, 2005 Arranged in the order of their original publication and written during Kipling's time as a journalist in India these seventeen short stories explore the themes of isolation and abandonment and the effects of the Indian caste system on society Along with the title piece the volume includes *Gemini* *A Wayside Comedy* *The Hill of Illusion* *Only a Subaltern* *Baa Baa Black Sheep* *Black Jack* and others [The Man Who Would Be King](#) Lewis Stockton, 2019-06-28 Andreas Vandersryke is a simple man with a shaded past Nexanda Tora is a Dragonkin youngling who has escaped her horrible past After bumping into each other the pair now travel Fera together A vast boom in technology has shifted the Ilmarian Imperium into the Flintlock Era pushing forward with Cannon and rifle the age of Magic was thought to be dying with the rise of the Gunslingers Using gunpowder as their fuel Gunslingers are the rising stars in magic Able to use their magical powers to control explosions musket balls mid flight and gunpowder Following Andreas and Nexanda as they uncover the dangerous and dark Hand of Orasil learn about the history of Nexanda's lost heritage and uncover whom Andreas Vandersryke really is and why he is out to kill the King **The Man Who Would Be King** Ben Macintyre, 2008-10-28 The untold story of the nineteenth century American Quaker who tried to build a kingdom in Afghanistan A thrilling real life yarn Booklist In the year 1838 a young adventurer surrounded by his native troops and mounted on an elephant raised the American flag on the summit of the Hindu Kush in the mountainous wilds of Afghanistan He declared himself Prince of Ghor Lord of the Hazarahs spiritual and military heir to Alexander the Great The true story of Josiah Harlan a Pennsylvania Quaker and the first American ever to enter Afghanistan has never been told before yet the life and writings of this extraordinary man echo down the centuries This riveting scrupulously researched book reveals the full history behind the renowned Rudyard Kipling short story and John Huston's film classic *The New York Times Book Review* One of the most remarkable discoveries in the history of biography *The New York Review of Books* Macintyre recounts Harlan's travels with dispatch and draws on unpublished journals to let his subject's voice seep through *The New Yorker*

Here is a writer who seems as taken as I am with crackpottery delusion grandiosity chicanery and impersonation but who manages to write about it all with amused restraint without that is the air of the ogler The Boston Globe Macintyre gives readers both Harlan s story and a thought provoking perspective on the history of superpower intervention in Afghanistan Harlan s story alone is fascinating but its resonance with modern day struggles Harlan urging the British to try fiscal diplomacy i e gold instead of invading and subjugating an unoffending people makes it compelling Publishers Weekly
