Mexican American Students A Study Of Educationally Discounted Youth:

Mexican American Students Richard Baker, 1999 Addressing Racial Disproportionality and Disparities in Human Services Rowena Fong, Alan J. Dettlaff, Joyce James, Carolyn Rodriguez, 2014-11-25 The issue of racial disproportionality in the child welfare system particularly as it impacts African American children and families has long been a concern to practitioners and policymakers However disproportionality is not limited to the African American community Latino Native American Asian American and Pacific Islander populations experience inequities in treatment From leading voices on culturally competent care comes a cutting edge book that examines disproportionalities across all of these racial and ethnic groups *Eliminating Racial Disproportionality and Disparities* examines a wide range of systems that often affect and interact with child welfare Chapters are devoted to the juvenile justice system mental health the courts education and healthcare making it the only book to offer a multisystemic approach to disparities and disproportionality Filled with in depth case studies key terms study questions and resources and written to reflect CSWE mandated competencies this expansive book gives students educators policymakers practitioners and administrators new knowledge for providing culturally competent services while simultaneously addressing disproportionality across various systems of care *Handbook of Research on Teaching* Drew Gitomer, Courtney Bell, 2016-05-19 The Fifth Edition of the Handbook of Research on Teaching is an essential resource for students and scholars dedicated to the study of teaching and learning This volume offers a vast array of topics ranging from the history of teaching to technological and literacy issues In each authoritative chapter the authors summarize the state of the field while providing conceptual overviews of critical topics related to research on teaching Each of the volume's 23 chapters is a canonical piece that will serve as a reference tool for the field The Handbook provides readers with an unparalleled view of the current state of research on teaching across its multiple facets and related fields **The Making of Chicana/o Studies** Rodolfo Acuña, 2011 The Making of Chicana/o Studies traces the philosophy and historical development of the field of Chicana/o studies from precursor movements to the Civil Rights era to today focusing its lens on the political machinations in higher education that sought to destroy the discipline As a renowned leader activist scholar and founding member of the movement to establish this curriculum in the California State University system which serves as a model for the rest of the country Rodolfo F. Acuña has for more than forty years battled the trend in academia to deprive this group of its academic presence The book assesses the development of Chicana/o studies an area of studies that has even more value today than at its inception myths about its epistemological foundations have remained uncontested Acuña sets the record straight challenging those in the academy who would fold the discipline into Latino studies shadow it under the dubious umbrella of ethnic studies or eliminate it altogether Building the largest Chicana/o studies program in the nation was no easy feat especially in an atmosphere of academic contention In this remarkable account Acuña reveals how California State University Northridge was instrumental in developing an area of study that offers more than 166 sections per semester

taught by 26 tenured and 45 part time instructors He provides vignettes of successful programs across the country and offers contemporary educators and students a game plan the mechanics for creating a successful Chicana o studies discipline and a comprehensive index of current Chicana o studies programs nationwide Latinas os of which Mexican Americans are nearly seventy percent comprise a complex sector of society projected to be just shy of thirty percent of the nation s population by 2050 The Making of Chicana o Studies identifies what went wrong in the history of Chicana o studies and offers tangible solutions for the future *Research in Education* ,1974 **Resources in Education** ,2001-10 Catalog of Selected Documents on the Disadvantaged: Number and author index Educational Research Information Center (U.S.),1966
