

Michel Foucault Filosofo

Paul Veyne

Michel Foucault Filosofo:

The Lives of Michel Foucault David Macey, 2019-01-22 The classic biography of the radical French philosopher with a new afterword by acclaimed Foucault scholar Stuart Elden When he died of an AIDS related condition in 1984 Michel Foucault had become the most influential French philosopher since the end of World War II His powerful studies of the creation of modern medicine prisons psychiatry and other methods of classification have had a lasting impact on philosophers historians critics and novelists the world over But as public as he was in his militant campaigns on behalf of prisoners dissidents and homosexuals he shrouded his personal life in mystery In *The Lives of Michel Foucault* written with the full cooperation of Daniel Defert Foucault's former lover David Macey gives the richest account to date of Foucault's life and work informed as it is by the complex issues arising from his writings In this new edition Foucault scholar Stuart Elden has contributed a new afterword assessing the contribution of the biography in the light of more recent literature **O'farrell:**

Michel Foucault (paper) Clare O'Farrell, 2005-10-10 Michel Foucault's work is one of the most influential sources of ideas in the humanities and social sciences today Clare O'Farrell offers a comprehensive and accessible introduction to Foucault's enormous diverse and challenging output Her book provides a range of practical tools and a reference work for readers who wish to understand and apply his ideas at both introductory and advanced levels This volume includes a discussion of Foucault's situation in the contemporary context exploring his role as an iconic thinker with clear explanations as to why his work is so difficult to come to grips with and also importantly why it is of interest to so many people the location of Foucault's work within its own historical social and political setting brief summaries in chronological order of all of Foucault's major works including the more recently published volumes of lectures the organization of Foucault's work around five distinct but interrelated series of assumptions which underpin his world view namely order history truth power and ethics Ideas for which he is well known such as archaeology genealogy discourse discipline governmentality the subject and others are defined and discussed within the framework of these five assumptions a chronology of Foucault's life work and times a very extensive list of key concepts in Foucault's work with detailed references pointing to where the relevant material can be found in his writings a wide ranging list of resources and a bibliography of Foucault's work for easy consultation Foucault

Live Michel Foucault, 1989 The most accessible and exhaustive introduction to Foucault's thought to date including every extant interview made by Foucault from the mid 60s until his death in 1984 *Michel Foucault, Philosopher* Timothy J. Armstrong, 1992 Collection of papers read and discussed at the international meeting organised in Paris on 8 9 10 January 1988 by the Michel Foucault Centre Page xiii *The Lives of Michel Foucault* David Macey, 2019-01-29 The classic biography of the radical French philosopher with a new afterword by acclaimed Foucault scholar Stuart Elden When he died of an AIDS related condition in 1984 Michel Foucault had become the most influential French philosopher since the end of World War II His powerful studies of the creation of modern medicine prisons psychiatry and other methods of classification

have had a lasting impact on philosophers historians critics and novelists the world over But as public as he was in his militant campaigns on behalf of prisoners dissidents and homosexuals he shrouded his personal life in mystery In *The Lives of Michel Foucault* written with the full cooperation of Daniel Defert Foucault's former lover David Macey gives the richest account to date of Foucault's life and work informed as it is by the complex issues arising from his writings In this new edition Foucault scholar Stuart Elden has contributed a new afterword assessing the contribution of the biography in the light of more recent literature

Foucault Clare O'Farrell, 1993-06-18 A discussion of the writings of Michael Foucault focusing particularly on *Histoire de la Folie* written at the beginning of his career and *What is Enlightenment* written at the end Foucault's work is examined as a reflection on the limits of history society and culture

Michel Foucault David Macey, 2005-03-01 With Michel Foucault Reaktion Books introduces an exciting new series that brings the work of major intellectual figures to general readers illuminating their groundbreaking ideas through concise biographies and cogent readings There is no better thinker than Foucault with which to begin the Critical Lives series Though reticent about his personal life for most of his career Foucault in the last years of his life changed his stance on the relationship between the personal and the intellectual and began to speak of an aesthetics of existence in which the life and the work become one David Macey a renowned expert on Foucault demonstrates that these contradictions make it possible to relate Foucault's work to his life in an original and exciting way Exploring the complex intellectual and political world in which Foucault lived and worked and how that world is reflected in his seminal works Macey paints a portrait of Foucault in which the thinker emerges as a brilliant strategist one who while fiercely promoting himself as a maverick aligned himself with particular intellectual camps at precisely the right moments Michel Foucault traces the philosopher's career from his comfortable provincial background to the pinnacle of the French academic system paying careful attention to the networks of friendships and the relations of power that sustained Foucault's prominence in the academy In an interview in 1966 Foucault said One ought to read everything study everything In other words one must have at one's disposal the general archive of a period at a given moment It is precisely this archive that Macey restores here accessibly relating Foucault's works to the particular context in which they were given form

Philosophy of Foucault Todd May, 2006-07-01 Michel Foucault's historical and philosophical investigations have gone through many phases the archaeological the genealogical and the ethical among them What remains constant is that Foucault never stops asking the question of who we are and how we came to be that way Following Foucault's itinerary from his early history of madness to his recently published Collège de France lectures Todd May shows that the question of who we are while changing remains always at or just below the surface of Foucault's writings In so doing he offers students an immediately engaging and perceptive way to understand Foucault *The Philosophy of Foucault* is an accessible and stimulating introduction that will be welcomed by students studying Foucault as part of politics sociology and history courses as well as within philosophy

The Passion of Michel Foucault James Miller, 2000 Based on

extensive new research and a bold interpretation of the man and his texts *The Passion of Michel Foucault* is a startling look at one of this century's most influential philosophers. It chronicles every stage of Foucault's personal and professional odyssey from his early interest in dreams to his final preoccupation with sexuality and the nature of personal identity.

Michel Foucault John Rajchman, 1985 **Michel Foucault. English** Didier Eribon, 1993 Michel Foucault was one of the most original philosophers of this century and his writing transformed many intellectual disciplines. Here is a highly readable and eloquent introduction to the life and theory of this brilliant philosopher. *Foucault Live* Michel Foucault, 1996 The most accessible and exhaustive introduction to Foucault's thought to date including every extant interview made by Foucault from the mid 60s until his death in 1984. Currently in its fourth printing *Foucault Live* is the most accessible and exhaustive introduction to Foucault's thought to date. Composed of every extant interview made by Foucault from the mid 60s until his death in 1984 *Foucault Live* sheds new light on the philosopher's ideas about friendship, the intent behind his classical studies while clarifying many of the professional and popular misinterpretations of his ideas over the course of his career. As Gilles Deleuze noted, the interviews in this book go much further than anything Foucault ever wrote and they are indispensable in understanding his life work. Most notably *Foucault Live* includes interviews he made with the gay underground press during his stays in America during the 1970s. In them Foucault suggests that homosexuality presents a new paradigm for ways of living beyond the predictable binary couple. All of the philosopher's interests from madness and delinquency to film and sexuality and their resultant writings are probed by knowledgeable critics and journalists. After reading this book, the reader can explore key notions such as episteme, savoir and connaissance, archeology and archive without the knitted brow that plagued Foucault's public when he was alive. This is the guide to Foucault's life as an agent provocateur in the world of philosophy and scholarship. Michel Foucault Didier Eribon, 1991 When he died in 1984 Michel Foucault was widely regarded as one of the most powerful minds of this century. Hailed by historians and lionized in America, he continues to provoke lively debate. This meticulously documented narrative debunks the many myths and rumors surrounding the brilliant philosopher to consider that all Foucault's books are fragments of an autobiography.

Michel Foucault, filósofo E. Balbier, Gilles Deleuze, 1990 **Foucault in Brazil** Marcelo Hoffman, 2024-02-20
Philosopher Michel Foucault's cultural criticism crosses disciplines and is well known as an influence on modern conceptions of knowledge and power. Less well known are the five trips he took to Brazil between 1965 and 1976. Although a coup in 1964 had installed a military dictatorship, Foucault kept his opinion on the Brazilian government largely to himself until October 23, 1975. On that date he delivered a manifesto at a student assembly in São Paulo expressing his solidarity with students and professors protesting a wave of arrests and torture. This manifesto caught the government's attention and became the focal point of the dictatorship's surveillance of Foucault. *Foucault in Brazil* explores the production of the public antagonism between the philosopher and the dictatorship through a meticulous consideration of each of his visits to Brazil. Marcelo

Hoffman connects history philosophy and political theory to open new ways of thinking about Foucault as a person and thinker and about Brazil and authoritarianism *Repensando el siglo XIX desde América Latina y Francia* Arturo Andrés Roig, Yamandú Acosta, 2009 **Understanding Foucault** Geoff Danaher, Tony Schirato, Jen Webb, 2000-06-22 On the philosophy of Michel Foucault **Foucault** Michel Foucault, 2005-05 *Foucault* Paul Veyne, 2013-10-11 Michel Foucault and Paul Veyne the philosopher and the historian Two major figures in the world of ideas resisting all attempts at categorization Two timeless thinkers who have long walked and fought together In this short book Paul Veyne offers a fresh portrait of his friend and relaunched the debate about his ideas and legacy Foucault is not who you think he is writes Veyne he stood neither on the left nor on the right and was frequently disowned by both He was not so much a structuralist as a sceptic an empiricist disciple of Montaigne who never ceased in his work to reflect on truth games on singular constructed truths that belonged to their own time A unique testimony by a scholar who knew Foucault well this book succeeds brilliantly in grasping the core of his thought and in stripping away the confusions and misunderstandings that have so often characterized the interpretation of Foucault and his work
