Bad Friend Tiffany Watt Smith,2025-05-06 A smart and thought provoking memoir history and cultural critique about the turmoil and complexity of female friendship Our culture today is inundated with narratives about the strength of female friendship whether through images of girl power BFFs or work wives Yet cultural historian Tiffany Watt Smith has always found her own life much messier She has had dramatic friend breakups friendships that felt like too much or not enough friendships that drifted into silence and friendships built on convenience rather than a meeting of minds And there are older cultural scripts to contend with the competitive rival the jealous backstabber the underminer the fair weather friend We have all been bad friends It s impossible to be a perfect one as Watt Smith points out women s friendships have long been magnified scrutinized praised and admonished creating a legacy of impossible ideals In Bad Friend Watt Smith reflects on her own experience and thoroughly mines the rich cultural history of female friendship to look for a new paradigm that might encompass the struggles along with the joy

The Friends' Library William Evans,Thomas Evans,1844 Selected Poems Rudyard Kipling,2006-06-29 Rudyard Kipling 1865 1936 is often regarded as the unofficial Laureate of the British Empire Yet his writing reveals a ferociously independent figure at times violently opposed to the dominant political and literary tendencies of his age Arranged in chronological order this diverse selection of his poetry shows the development of Kipling s talent his deepening maturity and the growing sombreness of his poetic vision Ranging from early exhilarating celebrations of British expansion overseas including Mandalay and Gunga Din to the dignified and inspirational If and the later deeply moving Epitaphs of the War inspired by the death of Kipling s only son it clearly illustrates the scope and originality of his work It also offers a compelling insight into the Empire both at its peak and during its decline in the early years of the twentieth century
