Rosberg (Jr.), John Nottingham, 1978 **Mau Mau Memoirs** Marshall S. Clough, 1998 Clough history U of Northern Colorado analyzes 13 personal accounts by Kenyans in order to make a case for not only their historical value but their role in the struggle to define the importance of Mau Mau within Kenyan historiography and politics He argues that the recollections of the authors whose experiences ranged from organizing the secret movement to supplying the guerillas to active fighting to resistance in the British detention camps serve to refute both the British and Kenyan versions of the revolt Annotation copyrighted by Book News Inc Portland OR *Writing for Kenya*, 2009 Henry Muoria 1914 97 self taught journalist and pamphleteer helped to inspire Kenya s nationalisms before Mau Mau The pamphlets reproduced here in Gikuyu and English contrast his own originality with the conservatism of Jomo Kenyatta Kenya s first President The contributing editors introduce Muoria s political context tell how three remarkable women sustained his families life and remember him as father Courageous intellectual political and domestic life here intertwine Policing and decolonisation David Anderson, David Killingray, 2017-03-01 As imperial political authority was increasingly challenged sometimes with violence locally recruited police forces became the front line guardians of alien law and order This book presents a study that looks at the problems facing the imperial police forces during the acute political dislocations following decolonization in the British Empire It examines the role and functions of the colonial police forces during the process of British decolonisation and the transfer of powers in eight colonial territories The book emphasises that the British adopted a colonial solution to their problems in policing insurgency in Ireland The book illustrates how the recruitment of Turkish Cypriot policemen to maintain public order against Greek Cypriot insurgents worsened the political situation confronting the British and ultimately compromised the constitutional settlement for the transfer powers In Cyprus and Malaya the origins and ethnic backgrounds of serving policemen determined the effectiveness which enabled them to carry out their duties In 1914 the Royal Irish Constabulary RIC of Ireland was the instrument of a government committed to Home Rule or national autonomy for Ireland As an agency of state coercion and intelligence gathering the police were vital to Britain s attempts to hold on to power in India especially against the Indian National Congress during the agitational movements of the 1920s and 1930s In April 1926 the Palestine police force was formally established The shape of a rapidly rising rate of urban crime laid the major challenge confronting the Kenya Police *The Giriama and Colonial Resistance in Kenya, 1800-1920* Cynthia Brantley, 2024-06-04 The Giriama of

Kenya's coastal hinterland persistently resisted colonialism and they were unreceptive both to Christianity and to Islam. In 1912 the British colonial authorities earmarked the Giriama as a key source of labor for the plantations. Europeans were trying to develop along the coast. The Giriama, prosperous producers and traders, could not become wage laborers and maintain their successful economy and the British demands upon this scattered people therefore were spontaneously rejected. Increased pressure increased Giriama recalcitrance. Finally military action brought defeat to the Giriama whose only weapons were bows and arrows and whose decentralization prevented coordinated resistance. They lost their best lands, paid a heavy fine, and had to contribute a thousand laborers to the Carrier Corps. But the British costs were also heavy. The coastal plantations failed; few Giriama ever became wage laborers and the entire area became depressed economically. Cynthia Brantley explores the precolonial Giriama's political and economic system and their dynamic trade relationship with the coast of Kenya in an effort to explain why the Giriama were so determined in their resistance to British pressure. She shows that even when the political and social structures of a people seem weak, it is unlikely that the population will submit to changes that undermine the economy. Moreover, their very lack of a centralized political or religious organization made the imposition of foreign administration extremely difficult. The British won the war, but their victory was hollow.
