Origins And Destiny A Scientist Examines Gods Handiwork:

Origins and Destiny Robert Gange, 1986 How Science Has Discovered God: Physics, Metaphysics and Beyond Darrell Hall, 2024-04-16 If you are searching for practical strategies and arguments to defend your Christian faith How Science Has Discovered God Physics Metaphysics and Beyond is a must read Through meticulous research and analysis Darrell Hall skillfully conveys scientific concepts and theories from the origins of the universe to the origins of life all the while displaying the fingerprints of an intelligent Creator Hall bridges the perceived gap between reason and belief offering compelling scientific philosophical historical and theological arguments for the existence of God How Science Has Discovered God is not just another book on the relationship between science and religion It is a quest for the truth about reality and the meaning and purpose of life It engages the reader in a thought provoking exploration of Christian Apologetics revealing the existence of a loving and purposeful Creator Explore with the author why God is the best explanation for the big bang the fine tuning of the universe the mathematical intelligibility of the universe the existence of mind consciousness and free will and much more Unearth the evidence for the claims of Jesus and his resurrection and see how suffering and evil are best explained through a loving God This authoritative and comprehensive study is sure to provide material for thought and inspiration Over two thousand years ago Jesus assured us that God is real that God does care and that everything we do does matter With a willingness to follow where the evidence leads join Darrell Hall in a search for truth Open your mind and heart and listen to the voice of God as He speaks through His Creation and His Son Jesus Christ A Personal Grief & a Reasonable Faith Norma E. Sawyers, 1991 Content Have you ever had questions about God and ultimate reality Have you ever wondered about origins values and destiny If you have you re not alone Millions of people in our generation face genuine difficulties regarding questions of life and faith Why is there suffering Is God really there How do I cope with death Although the majority of men and women in our day struggle with tough questions such as these most Christians downplay the importance of philosophical questioning Thus seekers of truth are often reluctant to ask the awesome questions lurking just beneath the surface Understanding firsthand the current deemphasis on religious questioning Norma Sawyers has written this book both to call attention to the seriousness of the situation and to provide a context for asking and answering some of the questions First in A Personal Grief Norma Sawyers tells about her own intensely personal and painful journey to an intelligent knowledge of God Then in A Reasonable Faith she not only calls attention to the fact that an objective approach to the spreading of the gospel is desperately needed today but also provides insights and answers to such questions as What is Faith Is it Wrong to Doubt to Question Is it Enough to Just Believe Is Christianity Just a Psychological Crutch Are All Religions True Does the Bible Conflict with Science Was Jesus Really God Why Does God Allow Evil and Suffering Is the Bible Truly God's Word Does God Really Send People to Hell Why Are There So Many Hypocrites in the Church Is There Need for a Christian Reformation Each chapter of A Reasonable Faith is based on one of these tough questions and each answer is given

with empathy and love for the real people with urgent need

Making Sense of Who God Is Wayne A. Grudem, 2011-02-01 Wayne Grudem's Systematic Theology is required reading in many courses on biblical theology and with good reason The textbook's emphasis on the scriptural basis for each doctrine along with its clear writing and contemporary approach make it an indispensable resource for many Christians This series presents as a separate book each of the seven main parts that make up the 1 600 page Systematic Theology making it more portable affordable and less daunting Part 2 Making Sense of Who God Is explores the existence of God through inner knowledge and evidence found in Scripture and in nature Important Topics Include Traditional Proofs for God's Existence covering cosmological teleological ontological and moral evidence of the Creator The Trinity the three distinct persons each equal to the whole being of God Creation including the assertion that when all the facts are understood there will be no final conflicts between Scripture and natural science God's Providence the Creator's continued involvement with all created things and human actions that make a difference within God's providence Written in a friendly tone appealing to the emotions and the

spirit as well as the intellect Making Sense of Who God is helps readers overcome wrong ideas make better decisions on new questions and grow as Christians **Christianity Stands True** Lynn Gardner,1994 The more people try to prove the Bible wrong the more evidence they seem to provide for proving the Bible is true Through a study of evidences you will see that when all is said and done Christianity will stand true for all ages A Reasonable Faith N. E. Kurz,2025-07-30 Do you have questions about God and ultimate reality Have you ever wondered about origins values and destiny You re not alone Millions of people in our generation face genuine difficulties regarding questions of life and faith such as Why is there suffering Is God really there How do I cope with death Although many people struggle with tough questions such as these most Christians downplay the importance of philosophical questioning Thus seekers of truth are often reluctant to ask the awesome questions lurking just beneath the surface Understanding firsthand the current de emphasis on religious questioning N E Kurz has written A Reasonable Faith Finding Faith Through Rational Evidence to call attention to the seriousness of the situation and provide a context for asking and answering important questions In A Reasonable Faith she not only highlights the fact that an objective approach to the spreading of the gospel is desperately needed today but also provides insights and answers to such questions as Why do we need to reason our faith Is it wrong to doubt or question Is it enough to just believe Is Christianity just a psychological crutch Are all religions true Does the Bible conflict with science Was Jesus really God Is the Bible truly God s word What is God like Why do some professed believers fall astray Book Review In confronting her own grief she had to ask the fundamental religious questions that plague many people For those who are struggling with these very real questions she provides a starting point from which they may continue to grow Booklist
