Pilgrimage A Journey Through Colorados History And Culture:

Pilgrimage Stephen May,1987 Michener Stephen J. May,2012-11-27 James A Michener was one of the most beloved storytellers of our time captivating readers with sweeping historical plots that educated and entertained In this first full length biography of the private as well as the public Michener Stephen J May reveals how an aspiring writer became a best selling novelist It is the only book to draw on Michener s complete papers as well as interviews with his friends and associates The result conveys much about Michener never before revealed in print May follows the young Michener from an impoverished Pennsylvania childhood to the wartime Pacific where he found inspiration for *Tales of the South Pacific* a book that led to a string of best sellers including *The Source* *Centennial* *Chesapeake* and *The Covenant* May provides insights into Michener s personal life his three marriages his unique working methods and his social and political views He also reveals the author s hypersensitivity to criticism his egotism and his failure on some occasions to acknowledge the contributions of his assistants Examining Michener s body of writing in its biographical and cultural contexts May describes the creation of each novel and assesses the book s strengths and shortcomings His close readings underscore Michener s innovativeness in presenting mountains of historical and cultural research in an engaging literary form This probing biography establishes Michener s place in twentieth century letters as it offers an unprecedented view of the man behind the typewriter

Colorado Mining Camps presents 207 communities which were significant in the Colorado mining boom. There were colorful characters of all kinds: heroes and heroines, con artists and gamblers, itinerant preachers and dance hall girls, tin stars and gunslingers, millionaires and paupers, thieves and fools, braggarts and optimists. This is their story and these are their towns. **The Best Books for Academic Libraries: History of the Americas**, 2002 Books recommended for undergraduate and college libraries listed by Library of Congress Classification Numbers.

The San Juan mountain region is full of mining camps, ghost towns, mills and other mining structures that were centers of activity over a century ago. Every settlement has its own special history that was molded by its industrious and dedicated people. Prospectors headed to the mountains motivated by their dreams. As gold strikes were made, communities popped up as tent cities. Gradually the tents were replaced by log
