Killing the Story Témoris Grecko, 2020-08-18 A harrowing and unforgettable look at reporting in Mexico one of the world's most dangerous countries to be a journalist In 2017 Mexico edged out Iraq and Syria as the deadliest country in the world in which to be a reporter with at least fourteen journalists killed over the course of the year The following year another ten journalists were murdered joining the almost 150 reporters who have been killed since the mid 2000s in a wave of violence that has accompanied Mexico's war on drugs In Killing the Story award winning journalist and filmmaker Témoris Grecko reveals how journalists are risking their lives to expose crime and corruption From the streets of Veracruz to the
