lizard timepiece for his archrival the mysterious King of Heldessia an odd enough request since Fyxedia and Heldessia have been at war for 700 years Worse Finn has been ordered to deliver the clock himself a mission that involves flying over the war zone in a rickety and badly patched balloon Finn can hardly refuse the commission but the journey is the least of his problems For Heldessia is a land as odd as any he s encountered and he can t help but wonder what foul plot these monarchs have in store for each other How can one lone lizard make his lover and his mechanical creation foil a plot they don t even understand and still manage to come out of it alive
