Readings In Business Ethics And Social Responsibility:

Readings in Business Ethics and Social Responsibility William A. Wines, Steven Anderson, 1994 **Readings in Business Ethics and Social Responsibility** William A. Wines, 1999 Business Ethics W. Michael Hoffman, Jennifer Mills Moore, 1990 **Business Ethics** W. Michael Hoffman, Robert E. Frederick, Mark S. Schwartz, 2014-01-02 The fifth edition of Business Ethics addresses current intriguing often complex issues in corporate morality through 53 readings and 30 pertinent case studies Now significantly updated it includes new leading articles related current cases and mini cases based on MBA student dilemmas Addresses a broad range of the most current intriguing often complex issues and cases in corporate morality Provides impartial point counterpoint presentations of different perspectives on the most important and highly contended issues of business ethics Updated and significant case studies are included to reinforce student learning Now contains mini cases based on actual MBA student dilemmas Each author has substantial experience in teaching writing and conducting research in the field **Corporate Social Responsibility** Andrew Crane, Dirk Matten, Laura Spence, 2014 As a relatively young subject matter corporate social responsibility has unsurprisingly developed and evolved in numerous ways since the first edition of this textbook was published Retaining the features which made the first edition a top selling text in the field the new edition continues to be the only textbook available which provides a ready made enhanced course pack for CSR classes Authoritative editor introductions provide accessible entry points to the subjects covered an approach which is particularly suited to advanced undergraduate and postgraduate teaching that emphasises a research led approach New case studies are integrated throughout the text to enable students to think and analyze the subject from every angle The entire textbook reflects the global nature of CSR as a discipline and further pedagogical features include chapter learning outcomes study questions challenges for practice boxes and additional further reading features at the end of each chapter This highly rated textbook now also benefits from a regularly updated companion website which features a brand new CSR Case Club presenting students and lecturers with further case suggestions with which to enhance learning lecture slides updates from the popular Crane and Matten blog links to further reading and career sites YouTube clips and suggested answers to study questions An Ivey CaseMate has also been created for this book at <https://www.iveycases.com/CaseMateBookDetail.aspx?id=335> The SAGE Encyclopedia of Business Ethics and Society Robert W. Kolb, 2018-03-27 Thoroughly revised updated and expanded The SAGE Encyclopedia of Business Ethics and Society Second Edition explores current topics such as mass social media cookies and cyber attacks as well as traditional issues including accounting discrimination environmental concerns and management The new edition also includes an in depth examination of current and recent ethical affairs such as the dangerous work environments of off shore factories for Western retailers the negligence resulting in the 2010 BP oil spill the gender wage gap the minimum wage debate and increasing income disparity and the unparalleled level of debt in the U S and other countries with the challenges it presents to many societies and the

considerable impact on the ethics of intergenerational wealth transfers Key Features Include Seven volumes available in both electronic and print formats contain more than 1 200 signed entries by significant figures in the field Cross references and suggestions for further readings to guide students to in depth resources Thematic Reader s Guide groups related entries by general topics Index allows for thorough browse and search capabilities in the electronic edition **Encyclopedia of Business Ethics and Society** Robert W. Kolb,2008 This encyclopedia spans the relationships among business ethics and society with an emphasis on business ethics and the role of business in society **Business Ethics** Robert Frederick,Mark S. Schwartz,2001 Can a corporation have a conscience What is wrong with reverse discrimination Can ethical management and managed care coexist Hoffman Frederick and Schwartz address these and many other current intriguing often complex issues in corporate morality This introductory business ethics text contains a thorough general introduction on ethical theory 54 readings and 25 cases Divided into five parts each with an introduction that presents the major themes of its articles and cases the text contains an impartial point counterpoint presentation of different perspectives on the most important issues being debated in business ethics Each chapter ends with questions that can be used for student discussion review tests quizzes or for student assignments The fourth edition has 27 new readings 15 new cases and 10 new mini cases

Business Ethics and Corporate Governance Fernando A.C.,2010-09 **Business Ethics** Archie B. Carroll,2013-12-19 These readings grew out of the author s monthly column on business ethics in the business section of the Athens Banner Herald newspaper Written in an open and engaging style the book features topics that are timely each followed by several thought provoking discussion questions The book includes readings on the current financial crisis in order to challenge today s students to confront the economic reality in which they will have to live An excellent addition to any Business Ethics course **Corporate Social Responsibility** Mark S. Schwartz,2017-03-02 The essays in this volume examine the emergence of the concept of corporate social responsibility and the uses that have been made of the language of corporate responsibility to explore the business society relationship The first section traces the emergence of the concept of corporate social responsibility as a way of understanding and framing the business society relationship Section two of the volume looks at Definitions and ethical justifications with a view to exploring current discussions of the nature scope and source of the social responsibilities of corporations Section three CSR and Management Critical Reflections explores the integration of CSR theories and justifications into business management and business management theories Articles in the final section of the volume apply the concept of corporate social responsibility and the theoretical frameworks and analytical tools to which it has given rise to the examination and resolution of specific social issues arising out of the economic activities of corporations International Corporate Social Responsibility Ramon Mullerat,2010-01-01 At present Corporate Social Responsibility CSR for some may not be more than an attitude Can it be more What degree of commitment can we reasonably expect of corporations in the struggle to eradicate poverty promote human rights halt climate change and reverse

ongoing environmental destruction It is not a question of power more than half of the world's top 100 economies are corporations not nation states Whatever can be done to fix the world's problems corporations are in the best position to do it

Back cover *Corporate Social Responsibility* C. V. Baxi, Ajit Prasad, 2005 In the contemporary debate on the modern corporation and its impact on the economy society and nation the focus has shifted from growth with only profitability to growth with sustainable development which includes the stakeholders While there is considerable debate on the corporations obligations to civil society in the Western world in the developing countries the debate is sporadic the present publication is an effort to initiate a nationwide discourse on the concepts and practices of corporate social action in India The book is divided in two sections section one contains papers which analyze the conceptual framework of Corporate Social Responsibility The unique feature of this book is the case studies on different aspects of CSR presented in section Two The cases focus on such segments as education healthcare and environment among others It is for the first time that under the aegis of UNDP CII AICTE MDI the business schools in the country participated in preparing cases from various industries focusing on the process and decision making content implicit in the introduction implementation and evaluation of various facets of Corporate Social Responsibility The cases are illustrative and they will help in identifying further areas of research The teaching notes have been developed by the individual authors and will be available on request

Business Ethics and Strategy, Volumes I and II Alan E. Singer, 2018-10-26 This volume is intended as a reference for those interested in the relationship between business strategy and business ethics broadly conceived Several articles have been selected from various leading journals in management strategy and ethics An introductory chapter provides an overview of the articles but it also relates them systematically to a fundamental dualism involving values ethics and politics all viewed from the perspective of business and business studies

The Corporate Social Responsibility Reader Jon Burchell, 2020-10-28 In the age of global capitalism shareholders and profits are not the only concerns of modern business corporations Debates surrounding economic and environmental sustainability and increasing intense media scrutiny mean that businesses have to show ethical responsibility to stakeholders beyond the boardroom A commitment to corporate social responsibility may help the wider community It could also protect an organization's brand and reputation Including key articles and original perspectives from academics NGOs and companies themselves The Corporate Social Responsibility Reader is a welcome and insightful introduction to the important issues and themes of this growing field of study This book addresses the changing relationships between business state and civil society the challenges to business practice what businesses should be responsible for and why issues of engagement transparency and honesty the boundaries of CSR can businesses ever be responsible While case studies examine major international corporations like Coca Cola and Starbucks broader articles discuss thematic trends and issues within the field This comprehensive but eclectic collection provides a wonderful overview of CSR and its place within the contemporary social and economic landscape It is essential reading for anyone studying

business and management and its ethical dimensions *Readings and Cases in International Human Resource Management and Organizational Behavior* B. Sebastian Reiche, Günter K. Stahl, Mark E. International Human Resource Management Sebastian B. Reiche, Günter K. Stahl, Mark E. Mendenhall, Gary R. Oddou, 2016-11-08 The new edition of *Readings and Cases in International Human Resource Management* examines the interactions between people cultures and human resource systems in a wide variety of regions throughout the world Taking account of recent developments in the international human resources management IHRM field the sixth edition will enable students to meet the international challenges they will face in the workforce and sensitize them to the complexity of human resource issues in the era of globalization Features include New readings and case studies that account for recent changes in the field positioned alongside tried and true material An increased focus on cross cultural diversity and tools to bridge social distance between team members Supplemental material and teaching notes available for download to enhance instructors abilities to use the readings and cases with their students With well known contributors and field experts this is the ideal accompaniment for any class in international human resource management organizational studies or international business

Corporate Accountability and Ethics Subodh Jain, 2025-01-23 *Corporate Accountability and Ethics* delves into the critical role of Corporate Social Responsibility CSR in today s globalized business landscape Companies are increasingly expected to align their operations with social and ethical values going beyond profitability to deliver meaningful societal contributions CSR has emerged as a powerful tool for fostering trust empowering stakeholders and addressing public expectations about corporate accountability This book explores the theory and practices of CSR focusing on its significance in emerging markets and its potential to drive sustainable development It examines how CSR initiatives can create opportunities enhance creativity and build a competitive edge while positively impacting communities Students and professionals will gain insights into CSR strategies best practices and the importance of fostering responsible relationships between businesses and the societies in which they operate An essential guide for understanding and implementing CSR this book empowers readers to integrate accountability and ethics into sustainable business models **Encyclopedia of**

Business Ethics and Society Robert W. Kolb, 2007-08-21 2008 Best Reference Library Journal As a field of study business

ethics aims to specify the principles under which businesses must operate to behave ethically. Thus business ethics focuses on such issues as those that have recently attracted so much public scrutiny: executive compensation, honesty in accounting, transparency, treatment of stakeholders and respect for the environment. These are in fact perennial questions that accompany the long history of human economic activity and that will also be present through an indeterminate future. The five volumes of this ultimate resource recognize the inherent unity between business ethics and business and society that stems from their shared primary concern with value in commerce. This Encyclopedia spans the relationships among business ethics and society by including more than 800 entries that feature broad coverage of corporate social responsibility, the obligation of companies to various stakeholder groups, the contribution of business to society and culture and the relationship between organizations and the quality of the environment.

Key Features: Embraces commerce in all of its ethical and social dimensions. Offers comprehensive and fairly lengthy essays on such crucial topics as justice, freedom, stakeholder theory and regulation. Provides very brief essays that introduce important personages in the field while other similarly brief entries explain the nature and function of various organizations. Includes contributions from respected authorities in the fields of management, psychology, sociology, communication, political science, philosophy and other related fields. Cross references to other entries in the Encyclopedia and includes a list of references and suggested readings for each article.

Key Themes: Accounting, Applied Ethics, Corporate Management and the Environment, Corporate Powers, Organization and Governance, Corporations in the Social Sphere, Customers and Consumers, Economics and Business, Employee Issues, Environmental Thought, Theory, Regulation and Legislation, Ethical Thought and Theory, Finance, Gender, Age, Ethnicity, Diversity and Sexual Preference, Information Systems, International Social and Ethical Issues, Justice, Legislation and Regulation, Management, Marketing, Organizations, Political Theory, Thought and Policy, Problematic Practices, Rights. The Encyclopedia of Business Ethics and Society is the premier reference tool for students, scholars, practitioners and others interested in gaining knowledge of the role business plays with regard to the environment in which it exists, making it a must have resource for all academic libraries.

Business Ethics and Corporate Social Responsibility Khanka S.S., Profit maximization motive of business has led to competition and corruption erasing the distinction between ethical and unethical business practices. The result is rampant unethical practices in business causing harm both to business and society.

Fuel your quest for knowledge with is thought-provoking masterpiece, **Readings In Business Ethics And Social Responsibility** .
