homicide unit is meticulously re-creating Hollywood's most famous and most gruesome death scenes. The first murder is caught on film spliced into a rented VHS edition of the Hitchcock black and white masterpiece *Psycho*. But in place of Janet Leigh is a real-life woman and this time the blood is red and the knife is real. Soon more thrilling classics are turned into terrifying snuff films and placed on video store shelves for an unsuspecting public to find. The key to this horrific puzzle could lie with any of *The Skin Gods*'s supporting cast: the A-list Hollywood director, the ruthless executive assistant, the convicted mass murderer, or perhaps someone else who has made a sinister art of gruesome violence. Hot on the psychopath's trail, Balzano and Byrne descend into the mouth of madness and beyond deep into the depraved underworld of S.M. clubs and the porn industry where the worship of flesh leads to malevolent evil. Before the final credits roll, the investigators will discover that none of *The Actor's* victims are as innocent as they appear to be and that the clue the police need to prevent future murders might be found in Detective Byrne's own dark past.

[A Girl Called Blue](#) Marita Conlon-McKenna, 2013-09-15 Larch Hill is the only home Blue knows. She arrived there just a few days old, wrapped in a blue blanket. Her one hope is to find her mother or father and have a family of her own. Fostered out several times, Blue finds it difficult to fit in. Is there no one out there who really wants her? No one who can really love her? Blue must put up with the orphanage with the distant and strict care of the nuns. She does have her friends: Mary and Jessie and Molly and Lil, but they're not family. They're not enough. In her heart, Blue is desperate to find out who she really is. The closed file in stern Sister Regina's office holds the secret of her identity. And that is forbidden territory.

[Merciless](#) Richard Montanari, 2008-07-29 On a frigid December night, Karen sits at the edge of Philadelphia's Schuylkill River, dressed in a flowing gown like a visitor from the distant past. A beautiful and shining young woman, she gazes up at a bone-white winter moon like a fairy tale princess frozen in time. At first glance, one might not even notice that she is dead, coated in a glistening patina of ice. Homicide cops Kevin Byrne and Jessica Balzano take the lead on the case, uncovering a plethora of eerie clues, each more warped and spine-chilling than the last. Yet the identity of Karen's pitiless killer remains a mystery. Then the next victim is found upriver at an abandoned waterworks, posed with an unlikely object in her clasped hands. Struggling to link the victims and make sense of the madman's agenda, Byrne and Balzano follow his twisted trail, which stretches into a past of dark crimes forgotten by all but a few. Now the past roars back into the present with a vengeance as the ingenious killer unleashes a torrent of rage upon the streets of Philadelphia. As Byrne and Balzano sift through suspects and clues, they unearth a shocking secret history, a legacy of malevolence and cold-blooded retribution dating back twenty years. And the farther they make their way up the body-strewn banks of the Schuylkill River, the closer they get to a villain from their worst nightmare, an evil as patient as it is merciless. Lightning fast and razor sharp, this jolting thriller from acclaimed author Richard Montanari coils back in time to deliver a fiendish mystery, a shattering revelation, and one hell of a wild ride. Lock your doors and turn up the lights. Montanari's terrifying bedtime story will keep you up all night.
