

The Rose That Grew from Concrete

Against all odds, a rose arose,
From concrete cracks, its spirit shows.
Toughened petals, yet grace it kept,
In harshness, silently it wept.

No soil's embrace, yet it found light,
Battling shadows, reaching for height.
Through cracks and crevices, it grew,
A testament, both brave and true.

Rose That Grew From Concrete:

The Rose That Grew From Concrete Tupac Shakur, 1999-11 Tupac Shakur's most intimate and honest thoughts were uncovered only after his death with the instant classic *The Rose That Grew from Concrete*. His talent was unbounded, a raw force that commanded attention and respect. His death was tragic, a violent homage to the power of his voice. His legacy is indomitable, remaining vibrant and alive. Here now newly discovered are Tupac's most honest and intimate thoughts conveyed through the pure art of poetry, a mirror into his enigmatic life and its many contradictions. Written in his own hand at the age of nineteen, they embrace his spirit, his energy, and his ultimate message of hope. **Tupac Shakur: Multi-Platinum**

Rapper Ashley Rae Harris, 2010-01-01 This legendary rapper was gunned down in Las Vegas in 1996 but not before having multi-platinum releases and a promising acting career. A prime example of the line rappers walk between street credibility and their art, Tupac pushed the East West rap feud both as a real fight and as a tool to influence media coverage of his career. Tupac's raps were part traditional social protest and part gritty descriptions of street life in urban neighborhoods. This book includes details of his life, career, and like the other *Essential Lives Cut Short* books, covers the controversies surrounding his life and death. *Lives Cut Short* is a series in *Essential Library*, an imprint of ABDO Publishing Company. **Another Rose**

That Grew From Concrete J. a., 2013-02-11 This story extends from the original poem by Tupac Shakur, *The Rose That Grew From Concrete*, to give people a good insight of a rose that really grew from concrete and how it faces obstacles in life because it was looked at as abnormal. **The Rose That Grew From Concrete by Tupac Shakur: The Poem**

Throughout the book, he goes through a lot of shifts of emotions as he encounters those problems. On his freshman year, he fell in love with a junior that played with his feelings and then broke his heart as a result of that. He fell into a deep depression and started heading toward a dark path. Without the presence of his father, he had nobody to turn to that he could trust and express himself to help him with his struggles, so he turned his attention toward suicide. Unable to commit suicide, he decided to go to church after he received an invitation from a friend. From that point, his life started to change in a positive way; he was no longer depressed or struggling with his life because he learned to trust God. Shortly after that, he met a gorgeous and nice girl, Keyshla, in which he felt in love with after she helped him pick up the broken pieces of his heart. They were the perfect couple without a doubt, but for some reason, the perfect relationship came to an end. He was sad once again because he really thought that she was the one and he didn't want that relationship to end. Unable to fix the problem, he moved on and started dating someone else who turned out to be a bigger problem than what he expected. Unable to fill what was missing in his heart, the relationship eventually came to an end. He remained single after
