

The background is a complex collage. On the left, a dancer in a white leotard is captured in a dynamic pose, with one leg extended back. To the right of the dancer is a large, intense fire with bright yellow and orange flames. The right side of the image features a blurred, modern architectural structure with glass and metal elements. The overall composition is layered and artistic.

of dance remains more elusive Dance involves people trying to embody some abstract unwritten thing that exists before and survives beyond their particular acts of dancing But what exactly is that thing For that matter what is a dance And do dances continue to exist when not performed Anna Pakes seeks to answer these questions and more in this exciting new volume which investigates what sort of thing dance really is Focusing on Western theater dance Choreography Invisible The Disappearing Work of Dance explores the metaphysics of dance and choreographic works The volume traces the different ways dances have been conceptualized across time through such lenses as the cultural theory of Derrida the philosophy of Rancière and Baudouin and contemporary dance theory It examines how dances have survived through time and what it means for a dance work to be forgotten and lost In her exploration of the amorphous and fleeting nature of dance as a cultural object Pakes ultimately transforms the way we understand the very nature of art

Jonathan Burrows Daniela Perazzo Domm, 2019-11-18 The first monograph on the work of British choreographer Jonathan Burrows this book examines his artistic practice and poetics as articulated through his choreographic works his writings and his contributions to current performance debates It considers the contexts principles and modalities of his choreography from his early pieces in the 1980s to his latest collaborative projects providing detailed analyses of his dances and reflecting on his unique choreomusical partnership with composer Matteo Fargion Known for its emphasis on gesture and humour and characterised by compositional clarity and rhythmical patterns Burrows artistic work takes the language of choreography to its limits and engages in a paradoxical and hence transformative relationship with dance s historical and normative structures Exploring the ways in which Burrows and Fargion s poetics articulates movement performative presence and the collaborative process in a minor register this study conceptualises the work as a politically compelling practice that destabilises major traditions from a minoritarian position
