A beautiful story about the unconditional love and support of family. *The Hope Chest* by Viola Shipman will remind you that hope can be found where and when you least expect it. *Beyond the Ice: Rose's New Horizon* Nithit Saentaweesuk, 2025-07-01. The promise she made. The life she built. The year is 1912. The RMS Titanic has sunk, taking with it the gilded cage of Rose DeWitt Bukater's past and the man who taught her to truly live, Jack Dawson. Rescued from the icy Atlantic, Rose arrives in a bustling, unforgiving New York City, stripped of her name, wealth, and social standing. She is now Rose Dawson, a penniless survivor haunted by grief and a secret: the Heart of the Ocean diamond. But the past is not so easily drowned. Her vengeful former fiancé, Caledon Cal Hockley, also survived, and he is relentlessly searching for her and his prized diamond. As Rose navigates the gritty realities of the Lower East Side, finding tenuous refuge in a working-class boarding house, she must use every ounce of the resilience Jack instilled in her. From street artist to burgeoning suffragette, Rose finds new purpose and powerful allies in a city awakening to social change. Yet Cal's shadow looms, pushing her to the brink of exposure. Will Rose finally break free from his obsessive grasp, or will her past drag her back into the depths? *Beyond the Ice: Rose's New Horizon* is a gripping historical fiction novel that reimagines the life of Titanic's iconic survivor. It's a story of courage, reinvention, and the enduring power of love and purpose in the face of overwhelming adversity. Perfect for fans of historical fiction, strong female protagonists, and the timeless romance of Titanic. **Brave Beginnings** Claudia Barnard Coffey, 2025-09-17. The fifth in a series of captivating novels for YA and adult readers about the settlement of North America by immigrants from Germany and the British Isles. *Brave Beginnings* focuses on the Wheeler and Carruthers families of Scotland, Ireland, and England. Each of these families has their own story, sometimes heartbreaking, often joyous, and when they meet as settlers making their way in a new land, those stories burst with a new resonance, one that many Americans, even those from other parts of the world, will relate to. With *Brave Beginnings*, author and genealogist Claudia Barnard Coffey has crafted a layered story that brings these ancestors to life, allowing them to tell their own stories to this next generation of readers. *Where the White Rose Blooms* Susan Stuart Touchstone, 2018-08-09. BOOK ONE is a profile of Charles Edward Louis John Casimir Sylvester Maria Stuart. The fact that the Bonnie Prince was such a controversial figure of his time makes it hard to glean an accurate picture of his character and personality, and to know when we have succeeded. The best we can hope for is that the better perspective offered by the intervening years may be of some help. Since some of the more extreme pro and con feelings have passed away with the years, we can now sort some of the facts from the surfeit of emotions of those who wrote. From all accounts, it is

evident that Prince Charles was conscious of his important position in life and at an early age and with remarkable will showed his determination to be prepared for any fate BOOK TWO is a profile of the Stuart family whose ancestor mysteriously showed up in the New World as an infant with a royal legacy Circumstantial evidence and the confession of a Scottish doctor are powerful indications that the infant was the son and heir of Prince Charles Stuart The arrival in America of an infant with a royal legacy is significant within itself but when linked with the fact that he arrived bearing the princes name and within the early years of his marriage it becomes more significant The lovely book cover of Where the White Rose Blooms was created by Thomas D Stuart     *Arts & Decoration* ,1927
