## Roses Of Roazon:

**The Roses of Roazon** Cherith Baldry,2013-10-24 When icon painter Alissende presents Joscelin the new Duke of Roazon with a beautifully depicted image that shows the divinity as a Healer she is not aware of the impact her painting will have on the history of Avorig The Church agrees that their deity has so far only shown himself as a Warrior or Judge and has acute difficulties in accepting this new worldview except as a heresy Before Joscelin is forced to abdicate having become strongly convinced of this new message he and his closest following including Sir Valery de Vaux and his cousin Bertrand flee from the holy city and try and find refuge in one of the neighbouring castles The new political situation opens the gates for opposition and intrigue from other noblemen who claim the throne for themselves and therefore Joscelin and his people find themselves on an eventful and dangerous journey before they can try to return to Roazon And above all they are confronted with an evil power that has been lurking beneath the sea for aeons and is only known through myths When Autrys rises again its intention is to eliminate not only Duke Joscelin but the whole of Roazon and the values it stands for

Abuelito was a great storyteller and he especially loved keeping us up with ghost stories on hot summer nights when we kids  
were sleeping outside on cots He told us about La Llorona The Crying One a woman whose children died in a fire when she  
left them alone to go to a party and the story called Dancing with the Devil at Elysean Groves about a girl who disobeyed her  
parents and went dancing only to discover that her partner was the devil There are a variety of versions of these stories
