Mulvey-Roberts, 2014-08-01 A surprisingly large number of English poets have either belonged to a secret society or been strongly influenced by its tenets One of the best known examples is Christopher Smart s membership of the Freemasons and the resulting influence of Masonic doctrines on *A Song to David* However many other poets have belonged to or been influenced by not only the Freemasons but the Rosicrucians Gormogons and Hell Fire Clubs First published in 1986 this study concentrates on five major examples Smart Burns William Blake William Butler Yeats and Rudyard Kipling as well as a number of other poets Marie Roberts questions why so many poets have been powerfully attracted to the secret societies and considers the effectiveness of poetry as a medium for conveying secret emblems and ritual She shows how some poets believed that poetry would prove a hidden symbolic language in which to reveal great truths The beliefs of these poets are as diverse as their practice and this book sheds fascinating light on several major writers **The Prophets and the Goddess**

Dionysious Psilopoulos, 2017-11-06 This text discusses how W B Yeats Aleister Crowley Ezra Pound and Robert Graves had access to the forbidden knowledge of the Goddess These four poets experienced a confrontation with their unconscious and let the grace of the Goddess touch their heart strings Consequently through this surrendering they created avant garde poetry and were inspired to write seditious manifestos that would teach humanity an esoteric creed This creed based on humans eternal divine essence aspires to liberate the eternal feminine These poets became the instruments of the Goddess As defenders of the Light they took arms against the forces of inertia and proclaimed the eleusis of a new faith This creed

pledges to overthrow the anachronistic religious and social institutions and initiate a new world order and a new divinity based on the ancient rites of the Great Goddess No matter how disparate these four were in character they shared the vision of transmitting esoteric knowledge to profane humanity They were specifically chosen by the Goddess as Her troubadours and they pave Her way to the religious consciousness of the people
