Fiddle Game Richard A. Thompson,2008-01-15 Herman Jackson has chosen St Paul as his place of permanent exile from Detroit where his former life as a bookie got too hot to hold Now he leads a respectable low profile life as a bail bondsman selling second chances to losers and looking over his shoulder When a young woman named Amy Cox leaves Jackson a priceless antique violin as security for her brother s bail bond it s really the beginning of an elaborate con game But the game is barely underway when she is brutally murdered in front of Jacksons office And for reasons that make no sense the police are calling him the prime suspect That is unless he gives them the violin as evidence With his criminal past Jackson can t afford to be a prime suspect for jaywalking But neither is he prepared to give in to extortion Soon he is on the road and on the run trying to solve Amy Cox s murder pursued by one real and one crooked cop a band of urban Gypsies who claim to have first rights to the violin and an unknown killer who also wants Jackson dead Nobody is who he claims to be nothing is what it seems and the violin which is reputed to carry a 400 year old curse begins to take on a life of its own While Jackson tries to sort it all out the killing continues and suddenly his old life back in Detroit doesn t look so dangerous at all

Moonshine to Moonbloom Barbara Knott, 2023-12-22 Aradella Stark came into a world beautifully rooted in nature but limited in cultural development How she transcends that limitation is the overarching theme of the book set during the mid 1900s in a cotton mill village located in Northwest Georgia where her mother is a nightshift spinner at the mill and her father a house painter who makes most of his income from bootlegging moonshine whiskey Nurtured by her angelic uncle often referred to as peculiar she learns to love nature and experiences racial harmony with nearby neighbors This story of Aradella Stark's coming of age is surrounded and supported by story chapters that enrich the sense of her emerging from a strongly imaged particular place and community and family Her own intelligence and compassion discerned and brought into bloom by a church pastor who links her to work and college in Atlanta make possible her eventual doctoral education and her return to reclaim her roots Despite the absence of cultural advantages known to city dwellers what was not absent from her youth were the alternating tragic and comic motifs found in the best Southern fiction tradition designed to bring to the reader deep engagement and moments of great delight
