They Told Me Not to Take that Job Reynold Levy, 2015-05-12 When Reynold Levy became the new president of Lincoln Center in 2002 New York Magazine described the situation he walked in to as a community in deep distress riven by conflict Ideas for the redevelopment of Lincoln Center's artistic facilities and public spaces required spending more than 1.2 billion but there was no clear pathway for how to raise that kind of unprecedented sum The individual resident organizations that were the key constituents of Lincoln Center the Metropolitan Opera the New York City Opera the New York Philharmonic the Juilliard School and eight others could not agree on a common capital plan or fundraising course of action Instead intramural rivalries and disputes filled the vacuum Besides some of those organizations had daunting problems of their own Levy tells the inside story of the demise of the New York City Opera the Metropolitan Opera's need to use as collateral its iconic Chagall tapestries in the face of mounting operating losses and the New York

Philharmonic's dalliance with Carnegie Hall Yet despite these and other challenges Levy and the extraordinary civic leaders at his side were able to shape a consensus for the physical modernization of the sixteen acre campus and raise the money necessary to maintain Lincoln Center as the country's most vibrant performing arts destination By the time he left Lincoln Center had prepared itself fully for the next generation of artists and audiences They Told Me Not to Take That Job is more than a memoir of life at the heart of one of the world's most prominent cultural institutions It is also a case study of leadership and management in action How Levy and his colleagues triumphantly steered Lincoln Center through perhaps the most tumultuous decade of its history to a startling transformation is fully captured in his riveting account **Museum**

Administration Hugh H. Genoways, Lynne M. Ireland, 2003-09-08 Wondering what a museum director actually does About to start your first director's job Looking for guidance in starting up a museum or working with a museum director Hugh Genoways and Lynne Ireland have taken the mystery out and put common sense and good guidance in Learn about everything from budgets and strategic planning to human resources and facilities management to collections and programming Genoways and Ireland also help you tackle legal documents legal and ethical issues and challenges for the modern museum Case studies and exercises throughout help you review and practice what you are learning and their extensive references will be a welcome resource **Understanding Philanthropy** Robert L. Payton, Michael P.

Moody, 2008-03-26 A fine volume on the moral meaning and function of philanthropy makes the case that philanthropy is essential to democratic society Choice Philanthropy has existed in various forms in all cultures and civilizations throughout history yet most people know little about it and its distinctive place in our lives Why does philanthropy exist Why do people so often turn to philanthropy when we want to make the world a better place In essence what is philanthropy These fundamental questions are tackled in this engaging and original book Written by one of the founding figures in the field of philanthropic studies Robert L Payton and his former student sociologist Michael P Moody Understanding Philanthropy presents a new way of thinking about the meaning and mission of philanthropy Weaving together accessible theoretical explanations with fascinating examples of philanthropic action this book advances key scholarly debates about philanthropy and offers practitioners a way of explaining the rationale for their nonprofit efforts **Voices From the Voluntary Sector**

Frederick Bird, Frances Westley, 2011-01-15 The voluntary sector is made up primarily of not for profit and non governmental organizations that engage with social issues Voices from the Voluntary Sector contains reasoned reflections by practitioners on some of the significant challenges faced by today's not for profit organizations in Canada Broad in scope these essays present a rich multi dimensional set of vignettes that as a whole express the vitality and humanity of the voluntary sector in Canada The contributors discuss organizational and managerial challenges social entrepreneurship and how to foster effective global movements The essays include a reflection on the ways that young people can find the courage to become leaders an exploration of the absence of First Nations peoples within voluntary sector organizations and a consideration how

parental incarceration affects the life prospects of children Voices from the Voluntary Sector is a valuable resource that addresses a wide range of concerns related to the responsiveness character and leadership of third sector organizations
