Roughing It Volume:

Roughing it Mark Twain, 1899 *Roughing It (Volume 1 of 2) (EasyRead Super Large 18pt Edition)* Mark Twain, 2011
This humorous travel book based on Twain's stagecoach journey through the American West and his adventures in the Pacific islands is full of colorful caricatures of outlandish locals and detailed sketches of frontier life. Wonderfully entertaining, Twain successfully finds humor in spite of his mishaps while also giving the listener insight into that time and place of American history.

Roughing It, Mark Twain, 2018-06-18. *Roughing It* is a book of semi autobiographical travel literature by Mark Twain. It was written in 1870-71 and published in 1872 as a prequel to his first travel book *The Innocents Abroad* 1869. The book follows the travels of young Mark Twain through the Wild West during the years 1861-1867. After a brief stint as a Confederate cavalry militiaman, not included in the account, he joined his brother Orion Clemens who had been appointed Secretary of the Nevada Territory on a stagecoach journey west. Twain consulted his brother's diary to refresh his memory and borrowed heavily from his active imagination for many stories in the book. *Roughing It* illustrates many of Twain's early adventures including a visit to Salt Lake City, gold and silver prospecting, real estate speculation, a journey to the Kingdom of Hawaii, and his beginnings as a writer. This memoir provides examples of Twain's rough-hewn humor which would become a staple of his writing in such later books as *Adventures of Huckleberry Finn* 1884, *The Adventures of Tom Sawyer* 1876, and *A Connecticut Yankee in King Arthur's Court* 1889.

PREFATORY: This book is merely a personal narrative and not a pretentious history or a philosophical

dissertation It is a record of several years of variegated vagabondizing and its object is rather to help the resting reader while away an idle hour than afflict him with metaphysics or goad him with science Still there is information in the volume information concerning an interesting episode in the history of the Far West about which no books have been written by persons who were on the ground in person and saw the happenings of the time with their own eyes I allude to the rise growth and culmination of the silver mining fever in Nevada a curious episode in some respects the only one of its peculiar kind that has occurred in the land and the only one indeed that is likely to occur in it Yes take it all around there is quite a good deal of information in the book I regret this very much but really it could not be helped information appears to stew out of me naturally like the precious ottar of roses out of the otter Sometimes it has seemed to me that I would give worlds if I could retain my facts but it cannot be The more I calk up the sources and the tighter I get the more I leak wisdom Therefore I can only claim indulgence at the hands of the reader not justification THE AUTHOR **Roughing It; Volume I** Mark
