Roughnecks Rolling Stones Rouseabouts On:

Roughnecks, Rolling Stones and Rouseabouts John Alexander Lee, 2013 Roughnecks were the pioneer work force rolling stones the professional swaggers rouseabouts a miscellany of gold diggers waggoners and bushwackers **Roughnecks, Rolling Stones & Rouseabouts** John A. Lee, 1989 The Forgotten Worker John E. Martin, 2015-12-23 As New Zealand's agricultural industry developed in the twentieth century the rural worker shearer labourer musterer began to disappear from public view In this fascinating study John Martin uncovers the lives of these forgotten workers describing their working lives relationships with employers living conditions and expectations Their experiences are brought to life in their own words and a remarkable range of photographs painting a vivid portrait of a changing world The Forgotten Worker is also an account of New Zealand's changing rural world altered by the development of the family farm the growth of dairying and increased mechanisation Comparative Histories of Crime Barry Godfrey, Clive Emsley, Graeme Dunstall, 2013-01-11 This book aims to both reflect and take forward current thinking on comparative and cross national and cross cultural aspects of the history of crime Its content is wide ranging some chapters discuss the value of comparative approaches in aiding understanding of comparative history and providing research directions for the future others address substantive issues and topics that will be of interest to those with interests in both history and criminology Overall the book aims to broaden the focus of the historical context of crime and policing to take fuller account of cross national and cross cultural factors **Vagrant Lives in Colonial Australasia** Catharine Coleborne, 2024-04-04 Investigating the history of vagrants in colonial Australia and New Zealand this book provides insights into the histories and identities of marginalised peoples in the British Pacific Empire Showing how their experiences were produced shaped and transformed through laws and institutions it reveals how the most vulnerable people in colonial society were regulated marginalised and criminalised in the imperial world Studying the language of vagrancy prosecution narratives of mobility and welfare vagrant families gender and mobility and the political social and cultural interpretations of vagrancy this book sets out a conceptual framework of mobility as a field of inquiry for legal and historical studies Defining mobility as population movement and the occupation of new social and physical space it offers an entry point to the related histories of penal colonies and new settler societies It provides insights into shared histories of vagrancy across New South Wales Victoria Tasmania and New Zealand and explores how different jurisdictions regulated mobility within the temporal and geographical space of the British Pacific Empire **The Varieties of Temporal Experience** Michael D. Jackson, 2018-04-10 What does it mean to live in time between the unforeseeable and the irreversible In *The Varieties of Temporal Experience* Michael Jackson demonstrates the significance of a phenomenology of time for ethnography philosophy and history through a multifaceted consideration of the gap between our cultural representations of temporality and the bewildering multiplicity of our experience of being in time Jackson explores temporality in a subjective mode as a form of literary anthropology The first part of the book tells the story of John Joseph Pawelka whose 1910 escape

from prison and subsequent disappearance became one of New Zealand's great unsolved mysteries discussing what it reveals about the interplay of popular stories hidden histories and media narratives in constructing allegories of national and moral identity In the second Jackson reflects on journeys up and down the islands of New Zealand touching on the ways that personal stories are interwoven with social and historical events Throughout this groundbreaking book Jackson juxtaposes philosophy history and ethnography in an attempt to do justice to the extraordinary variety of temporal experience at the same time exploring the ethical and existential quandaries that arise from the complexity of lived time **Encounters: The**

Creation of New Zealand Paul Moon, 2013-07-24 Throughout its human history New Zealand has been interpreted and experienced in often radically different ways Each wave of arrivals to its shores has left its own set of views of New Zealand on the country applying a new coat of mythology and understanding to the landscape usually without fully removing the one that lies beneath it Encounters is the wide ranging audacious and gripping story of New Zealand's changing national identity how it has emerged and evolved through generations In this genre busting book historian Paul Moon delves into how the many and conflicting ideas about New Zealand came into being Along the way he explores forgotten crevices of the nation's character and exposes some of the mythology of its past and present These include for example the earliest Maori myths and the mock sacredness of the All Blacks in the twenty first century the role of nostalgia in our national character both Maori and Pakeha whether the explorer Kupe existed the appeal of the Speight's Southern Man and ruminations on New Zealand art and landscape What results is an absorbing piece of scholarship an imaginative and exuberant epic that will challenge preconceptions about what it means to be a New Zealander and how our country is understood Lyrical breathtaking and provocative and illustrated with artworks throughout Encounters offers an extraordinary insight into the beginnings of our country *The Ideal Society and Its Enemies* Miles Fairburn, 2013-10-01 In this challenging and provocative study of the nature of settler society in 19th century New Zealand Fairburn focuses on the lives of the common people and presents a rigorous and original description of the place and time which is radically different from those of previous historians An important book that will have a major impact on our understanding of New Zealand's past it is also a significant contribution to the study of new societies Roughnecks, Rolling Stones & Rouseabouts John Alexander Lee, 1977 I heard you were dead

Shiner the farmer said So did I So did I the Shiner replied But I never believed it This was the Shiner his exploits in fact and his fancied exploits are New Zealand folk stories Before New Zealand ceased to be a physical frontier characters abounded Few were better known than Barney Whiterats the roadside entrepreneur who carried his performing white mice around along with his magic lantern Children would sight the bent and bandy old man coming down the road and plague their parents for pennies to see the show In those days pennies were more scarce than entertainers These characters and many more come to life again in the pages of Roughnecks Rolling Stones Rouseabouts The times have gone forever but John A Lee's stirring account preserves a fascinating side of our country's story Historical Disciplines and Culture in Australasia John
