Legendary Locals of Roswell John LeMay, Roger K. Reading Roundup Paul Witty,1958 **The Great Plains, Second Edition** Walter Prescott Webb,2022-08 Published in Cooperation with the William P Clements Center for Southwest Studies Southern Methodist University This iconic description of the interaction between the vast central plains of the continent and the white Americans who moved there in the mid

nineteenth century has endured as one of the most influential widely known and controversial works in western history since its first publication in 1931 Arguing that the Great Plains environment constitutes a geographic unity whose influences have been so powerful as to put a characteristic mark upon everything that survives within its borders Walter Prescott Webb identifies the revolver barbed wire and the windmill as technological adaptations that facilitated Anglo conquest of the arid treeless region Webb draws on history anthropology geography demographics climatology and economics in arguing that the 98th Meridian constitutes an institutional fault line at which practically every institution that was carried across it was either broken and remade or else greatly altered This new edition of one of the foundational works of western American history features an introduction by Great Plains historian Andrew R Graybill and a new index and updated design **Proposed Statewide Resource Management Plan Amendment/final Environmental Impact Statement** United States. Bureau of Land Management. New Mexico State Office,2000 Documents the effects of adopting standards for public land health and guidelines for livestock grazing management on Bureau of Land Management BLM administered land in New Mexico The standards and guidelines would be incorporated into eight BLM resources management plans RMP that cover approximately 13 5 million acres In addition for each alternative there are existing land use decisions that are in conformance with the standards These decisions would be changed to bring them into conformance Page xiii *Explorer's Guide New Mexico 2nd Edition* Sharon Niederman,2014-03-03 Features recommendations for dining lodging transportation shopping recreational activities landmarks and cultural opportunities in New Mexico **Billy the Kid** George R. Matthews,2025-02-05 This new in depth life of Henry McCarty alias Billy Bonney alias Billy the Kid offers fresh perspectives not only on the Lincoln County War and his boyhood in Silver City New Mexico but also on his Irish mother s origins and immigration to Indiana his public school education in Indianapolis the McCarty family s moves to Wichita Kansas and Santa Fe and his two year outlaw adventures in Arizona For the first time the whole person emerges This biography brings together a huge amount of material much of it made available to researchers only in recent years The result is an original authoritative and provocative portrait of Billy the Kid as both outlaw and frontier fighter against the infamously corrupt Santa Fe Ring **The Tragic Days of Billy the Kid** Frazier Hunt,2009 Since a July night in 1881 when he was shot down at the age of 21 Billy the Kid has been a victim of the myths that surrounded and captured him This vivid interpretation of the Kid s life and character will come as an exciting revelation to readers who may have been familiar only with the earlier fictionalized versions For here is real moving tragedy painted in broad brush strokes with the vivid hues of the stark American Southwestern landscape Never before has there been brought into true focus the Lincoln County War which broke out in 1878 in the then Territory of New Mexico and which furnished the background and the period for the adventures of this extraordinary boy The literature concerning both the desperate cattle war and the singular young outlaw have necessarily been constructed around a thin framework of fact with its papier mach fa ade of myth and legend So persistent have been these legends that the true character of the Kid seemed

almost beyond reach Indeed the Western poet Arthur Chapman once wrote that Billy the Kid must remain wholly the most unaccountable figure in frontier history Frazier Hunt 1885 1968 had the good fortune to have access to a great mass of fresh and unpublished source material which fully documents this thrilling history of the Kid and his times It is a new and rather appealing boy who now comes to light an alert likeable yet tough youngster adored by the native Mexicans no less for his fluency in Spanish than for his kindness and consideration but no wanton killer In place of the former distorted figure of legend a young man of flesh and blood and heart emerges into clear perspective So at last we have the real Billy the Kid authentic true and completely accountable
