Rousseau And Romanticism The Library Of Conservative Thought

Irving Babbitt

Rousseau And Romanticism The Library Of Conservative Thought:

Rousseau and Romanticism Otto Scott, 2017-07-28 This volume is the best known and most widely discussed work of the influential scholar and critic Irving Babbitt 1865 1933 intellectual leader of the movement known as the New Humanism It is also the work that best conveys the ethical and aesthetic core of his thought Broad in scope it examines a variety of manifestations of romanticism and presents a typology of the imaginative inclinations of that movement Rousseau is analyzed as paradigmatic of the ethical and aesthetic sensibility that is replacing the classical and Christian outlook in the Western world For Babbitt works of imagination are integral to human life in general He explores romanticism with a view to its implications for Western civilization Babbitt identifies serious ethical religious aesthetic and philosophical problems in the modern world but he also shows how remedies to those problems must incorporate the best insights of modernity First published in 1919 the book is strikingly relevant to today's discussion of the crisis of American and Western culture and education Babbitt anticipated and analyzed dangerous cultural trends whose consequences are now widely bemoaned He applies to these phenomena an intellectual breadth and depth rare today At the end of the twentieth century his prescriptions for dealing with the central problems of Western civilization have acquired an acute urgency At a time of much renewed interest in Rousseau Babbitt's book offers a penetrating commentary that challenges widely held beliefs and interpretations Graced with a lengthy and wide ranging new introduction by Claes G Ryn Rousseau and Romanticism is simultaneously a work of literary history criticism and a theory of civilization In addressing its special subject this classic study reflects the main themes of Babbitt's thought making it representative of his work as a whole Ryn explicates and critically assesses Babbitt's central ideas refutes widely circulating

Western Thinker's in Political Science Dr. Shrikant

Yelegaonkar, 2015-04-23 Political science is a social science discipline that deals with systems of government and the analysis of political activity and political behavior It deals extensively with the theory and practice of politics which is commonly thought of as the determining of the distribution of power and resources Political scientists see themselves engaged in revealing the relationships underlying political events and conditions and from these revelations they attempt to construct general principles about the way the world of politics works

Rousseau and Romanticism Irving Babbitt, 2020-08-03

Reproduction of the original Rousseau and Romanticism by Irving Babbitt *The Phantom Public* Walter Lippmann, 2017-07-05 In an era disgusted with politicians and the various instruments of direct democracy Walter Lippmann's *The Phantom Public* remains as relevant as ever It reveals Lippmann at a time when he was most critical of the ills of American democracy Antipopulist in sentiment this volume defends elitism as a serious and distinctive intellectual option one with considerable precursors in the American past Lippmann's demythologized view of the American system of government resonates today *The Phantom Public* discusses the disenchanted man who has become disillusioned not only with democracy but also with reform According to Lippmann the average voter is incapable of governance what is called the public is merely

a phantom In terms of policy making the distinction should not be experts versus amateurs but insiders versus outsiders Lippmann challenges the core assumption of Progressive politics as well as any theory that pretends to leave political decision making in the hands of the people as a whole In his biography *Walter Lippmann and the American Century* Ronald Steel praised *The Phantom Public* as one of Lippmann's most powerfully argued and revealing books In it he came fully to terms with the inadequacy of traditional democratic theory This volume is part of a continuing series on the major works of Walter Lippmann As more and more Americans are inclined to become apathetic to the political system this classic will be essential reading for students teachers and researchers of political science and history **Dostoevsky's Spiritual Art**

George Andrew Panichas, Fyodor Dostoevsky's highest and most permanent achievement as a novelist lies in his exploration of man's religious complex his world and his fate His primary vision is to be found in his last five novels *Crime and Punishment* *The Idiot* *The Devils* *A Raw Youth* and *The Brothers Karamazov* This volume culminates twenty years of studying teaching and writing on Dostoevsky Here George A Panichas critically analyzes the religious themes and meanings of the author's major works Focusing on the pervasive spiritual consciousness at play Panichas views Dostoevsky not as a religious doctrinaire but as a visionary whose five great novels constitute a sequential meditation on man's human and superhuman destiny A brief review cannot do justice to the profundity erudition and spiritual as well as moral candor displayed in George Panichas's treatise Panichas's style combines lucidity subtlety and immediacy with a convincing eloquence which derives its force from a vision of undeniable truth Hopefully Panichas's work will receive the widest possible circulation among academic specialists literary critics and educated readers Heinrich A Stammeler *Slavic Review* One cannot put this book down without experiencing the desire to read some of Dostoevsky's great novels As Panichas makes clear *Crime and Punishment* and *The Brothers Karamazov* are part of the Western literary canon *FCS Quarterly* The deep erudition in these pages is alive with a sympathy and a sensitivity at times even a passion that bespeak a real sharing in the author's prophetic vision As few works of criticism do this is a book that deserves its place on the same shelf with the inspired fiction it examines *Chronicles A Magazine of American Culture* Dr Panichas book on Dostoevsky is indeed a new milestone in the immense body of literature on the Russian genius Sergei Levitzky *Novoye Russkoye Slovo* *Russian Daily* George A Panichas is professor emeritus of English at the University of Maryland and editor of *Modern Age A Quarterly Review* Among his numerous writings are *The Reverent Discipline* *Essays in Literary Criticism and Culture* and *The Courage of Judgment* *Essays in Criticism Culture and Society* Michael Henry studied with Gerhart Niemeyer at Notre Dame where he received his advanced degree in political theory in 1974 He has been teaching philosophy at St John's University in New York since 1977 and is the series editor of *Transaction's Library of Conservative Thought* **Rousseau and Romanticism** Irving Babbitt, 2019-11-25 In *Rousseau and Romanticism* Irving Babbitt delves into the complex interplay between Jean Jacques Rousseau's philosophical ideas and the burgeoning Romantic movement of the 18th and 19th centuries Babbitt employs a critical lens analyzing Rousseau's notions

of individuality emotion and nature proposing that his ideas served both as a catalyst for and a counterpoint to Romanticism's ideals. The prose is characterized by Babbitt's incisive clarity and rigorous scholarship offering a nuanced exploration that situates Rousseau within the broader literary and philosophical context of his time while examining the ramifications of his work on subsequent thinkers and artists. Irving Babbitt, an esteemed American literary scholar and critic, was deeply engaged with the intellectual currents of his era, particularly the tension between reason and sentiment. His academic journey fueled his exploration of the Romantic movement as both a response to and a departure from Enlightenment rationalism. This book reflects Babbitt's keen insights into human nature and culture, which were shaped by his background in classical literature and a commitment to the values of literary humanism. For scholars, students, and enthusiasts of literary criticism, Rousseau and Romanticism offers a profound reflection on the roots of Romantic thought. Babbitt's work encourages readers to reevaluate the impact of Rousseau's philosophy and its enduring consequences. This engaging study is not only a vital contribution to literary scholarship but also a compelling read for anyone interested in understanding the evolution of modern thought.

The Essential Calhoun John Caldwell Calhoun, 1799-12-31 John C. Calhoun was a major actor in the political history of nineteenth-century America. His dramatic career will always be of interest. However, Calhoun is equally important as a political thinker who continues to elicit widespread interest from the most diverse points of the ideological spectrum. *The Essential Calhoun* presents a full-fledged selection of speeches and writings taken from the entire forty-year span of Calhoun's public career and from many varieties of occasions, public and private. For the first time, it is possible to appreciate Calhoun fully and to consider his thought within the compass of a single volume. Calhoun is known to posterity as the premier defender of the Old South and slavery and as the theorist of the concurrent majority. His contemporaries knew him as much else, including a political economist and foreign policy authority. As the range of writings shows, he was a valuable and often prophetic commentator. Calhoun's thought testifies to a deep and abiding concern with moral and ethical issues that confront a government resting on the consent of the people. The fundamental question with which he wrestles in all his works is how to achieve and maintain a proper balance between power and liberty in a democratic society. By providing the most representative compendium of his thought, *The Essential Calhoun* invites the reader to engage in this exercise of applying the moral imagination realistically to the public business of America. Historians, American studies specialists, economists, and political scientists will find this volume indispensable.

The Social Crisis of Our Time Wilhelm Röpke, **Routledge Library Editions: Romanticism** Various, 2021-08-05 This set reissues 28 books on Romanticism originally published between 1940 and 2006. *Routledge Library Editions: Romanticism* provides an outstanding collection of scholarship which explores not only Romantic literature but the Romantic Movement as a whole, including art, philosophy, and science.

The Conservative Century Gregory L. Schneider, 2009 This concise history focuses on the development of American conservatism in the twentieth century up to the present. Gregory L. Schneider traces the course of a once

reactionary movement opposed to progressive reform and the New Deal and describes how it came to advance alternative policies and programs that revolutionized the shaping of domestic politics foreign policy and economic policy Along the way he profiles such influential thinkers as William F Buckley Frank Meyer Henry Regnery and Barry Goldwater He also details how the decline of liberalism after the 1960s helped conservatives gain political power and how their energized activism and organization culminated in the election of Ronald Reagan in 1980 Schneider also describes how the years since the Reagan Revolution have been decidedly mixed for American conservatives

The Moral Foundations of Civil Society Wilhelm Röpke, Wilhelm Röpke may have been the soundest economist of the twentieth century He understood the limitations as well as the strengths of his discipline Economists are often tempted to take the easy way out by denying reality to aspects of human existence and reducing them to arbitrary and subjective tastes and preferences Röpke never does this and this is his strength He realizes that all of these are legitimate aspects of human experience which must be satisfied in a balanced and harmonious social existence Nature sex religion beauty and politics are all meaningful as parts of the whole Problems occur only when each segment attempts to become the whole The original title of this book *Civitas Humana* contains a double meaning It promises a treatment of questions fundamental not only to human society but also to humane society The volume combines distinct aspects of life Half of the book is devoted to questions of economic and social life The other half examines spiritual and national life Chapters include Moral Foundations The Place of Science in the City of Man Counterweights to the State Congestion and Proletarianisation of Society and Economic System and International New Order Although Röpke recognized the validity of the nation in the modern world he was constantly trying to find the smaller agencies within society in which real allegiances and loyalties were to be developed His ideas continue to be of significance As described by William F Campbell in the new introduction *The Moral Foundations of Civil Society* is a necessary addition to the libraries of economists sociologists theologians and philosophers

Historical Consciousness John Lukacs, 2017-07-12 One of the most important developments of Western civilization has been the growth of historical consciousness Consciously or not history has become a form of thought applied to every facet of human experience every field of human action can be studied described or understood through its history In this extraordinary analysis of the meaning of the remembered past John Lukacs discusses the evolution of historical consciousness since its first emergence about three centuries ago

Moral Freedom Nicolai Hartmann, 2017-09-29 Ethics is Nicolai Hartmann's magnum opus on moral philosophy Volume 1 *Moral Phenomena* is concerned with the nature and structure of ethical phenomena Volume 2 *Moral Values* describes all values as forming a complex and imperfectly known system The final volume *Moral Freedom* deals with one of the oldest puzzles in both philosophy and theology the individual's freedom of the will Freedom of the will is a necessary precondition of morality Without it there is no morality in the full sense of the word In *Moral Freedom* Hartmann sets out to refute the determinist view that freedom of the will is impossible Following Kant while rejecting his transcendentalism Hartmann first discusses the

tension between causality and the freedom of the will The tension between the determination by moral values and the freedom of the will is next examined a crucial issue completely overlooked by Kant and virtually all other modern philosophers but recognized by the scholastics Why should we believe in the freedom of the will with regard to the moral values Are there good reasons for thinking that it exists If freedom of the will vis a vis the moral values does exist how is it to be conceived Moral Freedom concludes with the famous postscript on the antinomies between ethics and religion Hartmann's Ethics may well be the most outstanding treatise on moral philosophy in the twentieth century Andreas Kinneging's introduction sheds light on the volume's continuing relevance

The Voegelinian Revolution ,2000-01-01 Over the past half century Eric Voegelin has produced a demanding body of writing on the philosophy of history and the history of political theory since antiquity This is the first full scale treatment of his inquiry into the reality of man's political existence It includes close readings of the texts with Voegelin's own comments on them interspersed offering a thorough explication of the philosopher's quest Incorporating an Autobiographical Memoir prepared in collaboration with Voegelin especially for the volume Ellis Sandoz interweaves the events of this great thinker's life with the philosophical inquiry to which that life has been devoted Among the uniquely engaging biographical subjects covered are Voegelin's reminiscences of his involvement with such seminal minds as Max Weber and with Karl Kraus Hans Kelsen and other lights of Vienna's intellectual community of the 1920s and 1930s a full discussion of his early responses to national socialism and his escape from the Anschluss in 1938 and a summary of his early years in America with particular attention to the years at Louisiana State University with Cleanth Brooks Robert Penn Warren and Robert Heilman Carefully analyzing Voegelin's contribution to our understanding of ourselves Sandoz convincingly argues that Voegelin's achievement is revolutionary He emphasizes the common sense running through Voegelin's thought and reveals how Voegelin reached a new analysis of reality and provides us with a new science of human affairs Sandoz does not reveal the truth to end the quest for truth but shows how such stop history answers are defective Exploring the meaning of that first truth as it has been intellectually and spiritually unraveled by one of our century's leading thinkers Voegelinian Revolution shows anyone interested in politics and human affairs how to follow Voegelin's path This book will be of interest to historians political theorists students of philosophy and religion and educated readers concerned about the plight of American Western civilization and looking for a new view on our current crisis Ellis Sandoz the Hermann Moyse Jr Distinguished Professor of Political Science at Louisiana State University and a former chairman of the department is director of the Eric Voegelin Institute for American Renaissance Studies

The Conservative Mind Russell Kirk,1968

Natural Law Alessandro Passerin d'Entrèves, Congress and the American Tradition James Burnham, This book is organized into three distinct parts The American System of Government The Present Position of Congress and The Future of Congress which discusses democracy and liberty and ultimately asks Can Congress survive

Moral Phenomena Nicolai Hartmann,2017-09-29 Since the nineteenth century moral philosophy in the Western world has

been dominated by utilitarianism Kantianism and relativism Only a few philosophers have been able to escape from this Procrustean bed Foremost among these few is Nicolai Hartmann 1882 1950 Together with Henri Bergson and Martin Heidegger Hartmann was instrumental in restoring metaphysics Hartmann s metaphysics differs markedly from that of both Bergson and Heidegger in his indebtedness to Plato In 1926 Hartmann published a massive treatise Ethik which was translated into English by Stanton Coit and published as Ethics in 1932 Ethics is probably the most outstanding treatise on moral philosophy in the twentieth century The central concept of the book is value Drawing upon the pre modern view of ethics Hartmann maintains that values are objectively given part and parcel of the order of being We cannot invent values we can merely discover them The first part of Ethics is concerned with the structure of ethical phenomena and criticizes utilitarianism Kantianism and relativism as misleading approaches After some introductory thoughts concerning the competence of practical philosophy Hartmann discusses the essence of moral values including their absoluteness and ideal being and the essence of the ought Hartmann is both controversial and compelling He provides a moral philosophy that rejects the subjectivism of the ruling approaches without taking recourse to older theological notions on the foundation of the ethical In sum Hartmann s Ethics constitutes an impressive and preeminent contribution to moral philosophy Moral Values Nicolai Hartmann,2017-09-29 Nicolai Hartmann 1882 1950 along with Henri Bergson and Martin Heidegger was instrumental in restoring metaphysics to the study of philosophy Unlike his contemporaries however Hartmann was clearly influenced by Plato His tour de force Ethik published in English in 1932 as Ethics may be the most outstanding work on moral philosophy produced in the twentieth century In the first part of Ethics Moral Phenomena Hartmann was concerned with the structure of ethical phenomena and criticized utilitarianism Kantianism and relativism as misleading approaches In the second part Moral Values the author describes all values as forming a complex and as yet imperfectly known system The actualization of the non moral and elementary moral values is a necessary condition for the actualization of the higher values It is on this account that rudimentary values have a prior claim Hartmann outlines the main features of the chief virtues and shows that the moral disposition required in any exigency is always a specific synthesis of various and often conflicting values Specifically describing fundamental moral values such as goodness nobility and vitality and special moral values such as justice wisdom courage self control trustworthiness and modesty Hartmann takes theoretical philosophy and brings it very much into the realm of the practical A compelling and insightful volume Moral Values remains an essential contribution to the moral and ethical literature of the twentieth century Hartmann offers a self contained system of ethics that yet offers a conservative outlook on social life Character & Culture Irving Babbitt,2019-08-07 Character and Culture by Irving Babbitt is the latest volume in the Library of Conservative Thought Babbitt was the leader of the twentieth century intellectual and cultural movement called American Humanism or the New Humanism More than half a century after his death his intellectual staying power remains undiminished The qualities that marked Irving Babbitt as a thinker and cultural

critic of the first rank are richly represented in *Character and Culture* First published together in 1940 under the misleading title *Spanish Character* these essays span his scholarly career and cover a wide range of subjects The diverse topics discussed here aesthetics ethics religion politics literature are illuminated by the same unifying vision of human existence that informs and structures all of Babbitt's writing Babbitt never took up a subject out of idle curiosity All of his books and articles grew out of a desire to address certain fundamental questions of life and letters The essays in this volume are as worthy of attention now as when they were originally written Set in their philosophical and historical context by Claes G Ryn's new introduction they are a good place to start for persons who wish to acquaint themselves not only with Babbitt's central ideas but with the scope of his mind and interests Readers familiar with other books by Babbitt may recognize particular ideas and formulations but will also find much new material to ponder Ryn's introduction provides a comprehensive look at Irving Babbitt's life career writings and influence He shows how Babbitt has survived and sustained often harsh criticism from representatives of dominant trends Ryn describes his writing style as having a kind of rugged American elegance The substantial critical introduction also elucidates Babbitt's central ideas in relation to the volume *Character and Culture* will be of interest to scholars of literature philosophers historians theologians and political theorists The extensive index to all of Babbitt's books including this one increases the value of the volume

Rousseau And Romanticism The Library Of Conservative Thought Introduction

In the digital age, access to information has become easier than ever before. The ability to download Rousseau And Romanticism The Library Of Conservative Thought has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Rousseau And Romanticism The Library Of Conservative Thought has opened up a world of possibilities. Downloading Rousseau And Romanticism The Library Of Conservative Thought provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Rousseau And Romanticism The Library Of Conservative Thought has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Rousseau And Romanticism The Library Of Conservative Thought. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Rousseau And Romanticism The Library Of Conservative Thought. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Rousseau And Romanticism The Library Of Conservative Thought, users should also consider the potential security risks

associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Rousseau And Romanticism The Library Of Conservative Thought has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Rousseau And Romanticism The Library Of Conservative Thought Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality?
