**The Struggle for Equal Adulthood** Corinne T. Field,2014-09-02 In the fight for equality early feminists often cited the infantilization of women and men of color as a method used to keep them out of power Corinne T Field argues that attaining adulthood and the associated political rights economic opportunities and sexual power that come with it became a common goal for both white and African American feminists between the American Revolution and the Civil War The idea that black men and all women were more like children than adult white men proved difficult to overcome however and continued to serve as a foundation for racial and sexual inequality for generations In detailing the connections between the struggle for equality and concepts of adulthood Field provides an essential historical context for understanding the dilemmas black and white women still face in America today from glass ceilings and debates over welfare dependency to a culture obsessed with youth and beauty Drawn from a fascinating past this book tells the history of how maturity gender and race collided and how those affected came together to fight against injustice      **Philosophic Classics, Volume III** Forrest Baird,2023-05-31
