**A.B. Simpson and the Making of Modern Evangelicalism** Daryn Henry, 2019-12-26 A shrewd synthesizer gifted popularizer and inspiring founder of the Christian and Missionary Alliance movement A B Simpson 1843 1919 was enmeshed in the most crucial threads of evangelical Christianity at the turn of the twentieth century Daryn Henry presents Simpson's life and ministry as a vivid fascinating and paradigmatic study in evangelical religious culture during a time when the conservative wing of the movement has often been overlooked Simpson's ministry Henry explains fused the classic evangelical emphasis on revivalist conversion with the intensification of that sensibility in the quest for the deeper Christian life of holiness Recovering the practice of divine healing Simpson emphasized a dynamically empowered and supernaturally animated Christianity that would spill over into nascent

Pentecostalism His encouragement of cross cultural missions was part of a trend that unleashed the dramatic rise of world Christianity across the Global South All the while his Biblical literalism antagonism to modernist theology campaigns against evolution and views on premillennialism Biblical prophecy and the role of Israel in the end times made Simpson a precursor of the fundamentalist melees of subsequent decades From his upbringing in rural Canada and confessional Scottish Presbyterianism Simpson journeyed into the heart of American evangelicalism revolving around his base in New York City Against most previous writing on Simpson Henry s biography presents both continuities and discontinuities in the development of modern interdenominational evangelicalism out of the denominational evangelicalism of the nineteenth century *A History of Christianity in America* Mark A. **Your Sister in the Gospel** Quincy D. Newell,2019-04-05 Dear Brother Jane Manning James wrote to Joseph F Smith in 1903 I take this opportunity of writing to

ask you if I can get my endowments and also finish the work I have begun for my dead Your sister in the Gospel Jane E James A faithful Latter day Saint since her conversion sixty years earlier James had made this request several times before to no avail and this time she would be just as unsuccessful even though most Latter day Saints were allowed to participate in the endowment ritual in the temple as a matter of course James unlike most Mormons was black For that reason she was barred from performing the temple rituals that Latter day Saints believe are necessary to reach the highest degrees of glory after death A free black woman from Connecticut James positioned herself at the center of LDS history with uncanny precision After her conversion she traveled with her family and other converts from the region to Nauvoo Illinois where the LDS church was then based There she took a job as a servant in the home of Joseph Smith the founder and first prophet of the LDS church When Smith was killed in 1844 Jane found employment as a servant in Brigham Young s home These positions placed Jane in proximity to Mormonism s most powerful figures but did not protect her from the church s racially discriminatory policies Nevertheless she remained a faithful member until her death in 1908 Your Sister in the Gospel is the first scholarly biography of Jane Manning James or for that matter any black Mormon Quincy D Newell chronicles the life of this remarkable yet largely unknown figure and reveals why James s story changes our understanding of American history

Qur'anic Hermeneutics Abdulla Galadari,2018-08-09 This book is open access and available on [www.bloomsburycollections.com](http://www.bloomsburycollections.com) Qur anic Hermeneutics argues for the importance of understanding the polysemous nature of the words in the Qur an and outlines a new method of Qur anic exegesis called intertextual polysemy By interweaving science history and religious studies Abdulla Galadari introduces a linguistic approach which draws on neuropsychology This book features examples of intertextual polysemy within the Qur an as well as between the Qur an and the Bible It provides examples that intimately engage with Christological concepts of the Gospels in addition to examples of allegorical interpretation through inner Qur anic allusions Galadari reveals how new creative insights are possible and argues that the Qur an did not come to denounce the Gospel which is one of the stumbling blocks between Islam and Christianity but only to interpret it in its own words *Methodism* David Hempton,2005-01-01 Hempton explores the rise of Methodism from its unpromising origins as a religious society within the Church of England in the 1730s to a major international religious movement by the 1880s School Library Journal ,2003 **The Church in the Long Eighteenth Century** David Hempton,2011-09-16 David Hempton s history of the vibrant period between 1650 and 1832 engages with a truly global story that of Christianity not only in Europe and North America but also in Latin America Africa Russia and Eastern Europe India China and South East Asia Examining eighteenth century religious thought in its sophisticated national and social contexts the author relates the narrative of the Church to the rise of religious enthusiasm pioneered by Pietists Methodists Evangelicals and Revivalists and by important leaders like August Hermann Francke Jonathan Edwards and John Wesley He places special emphasis on attempts by the Spanish Portuguese French Dutch and British seaborne powers to export imperial

conquest commerce and Christianity to all corners of the planet This leads to discussion of the significance of Catholic and Protestant missions including those of the Jesuits Moravians and Methodists Particular attention is given to Christianity's impact on the African slave populations of the Caribbean Islands and the American colonies which created one of the most enduring religious cultures in the modern world Throughout the volume changes in Christian belief and practice are related to wider social trends including rapid urban growth the early stages of industrialization the spread of literacy and the changing social construction of gender families and identities
