Gonzalez, William S. Green, 2020-10-15 Judaism Christianity and Islam An Introduction to Monotheism shows how a shared monotheistic legacy frames and helps explain the commonalities and disagreements among Judaism Christianity and Islam and their significant denominations in the world today Taking a thematic approach and covering both historical and contemporary dimensions the authors discuss how contemporary geographic and cultural contexts shape the expression of monotheism in the three religions It covers differences between religious expressions in Israeli Judaism Latin American Christianity and British Islam Topics discussed include scripture creation covenant and identity ritual ethics peoplehood and community redemption salvation life after death gender sexuality and marriage This introductory text which contains over 30 images a map a timeline chapter afterthoughts and critical questions is written by three authors with extensive teaching experience each a specialist in one of the three monotheistic traditions **Judaism** Oliver Leaman, 2010-11-25 The story of Judaism is a story of paradox It is the story of how a small cluster of desert tribes gave birth to a monotheistic doctrine that profoundly shaped the history of human civilization It is the story of how that initially obscure desert doctrine came to be codified into the Hebrew Bible one of the world s greatest works of literature It is the story of how a small minority came to be viewed by the majority as disproportionately powerful and following pogrom and Holocaust were driven to the edge of extinction And it is the story of how a displaced people globally dispersed throughout other nations for two and a half millennia came to forge a modern secular Israeli state which many Jews believe to have been granted an explicitly divine mandate Oliver Leaman carefully and creatively explores the nature of these apparent contradictions He discusses the origins of the Jewish Bible recounts the history of the Jewish people from the era of Patriarchs and Prophets through the Middle Ages up to the contemporary era outlines the Jewish liturgical calendar and its major rites and modes of worship and considers the great variety of Jewish literatures including modern post Holocaust writers like Primo Levi and Elie Wiesel art food and culture Further chapters examine such topics as mysticism and kabbalah modern Hebrew interfaith relations and the highly contested question Who is a Jew *The Oxford Handbook of Divine Revelation* Balázs M. Mezei, Francesca Aran

Murphy, Kenneth Oakes, 2021 This Handbook offers a systemic approach to the notion of revelation in its various theoretical contexts It provides in depth coverage of the theoretical and historical fields in which the notion of revelation is discussed

Christian Fruit--Jewish Root John D. Garr, 2015-04-13 Christian Fruit Jewish Root is an in depth scholarly examination of the Hebraic foundations of the major tenets and practices of Christianity This volume confirms the truth that the inherent Jewishness of the Christian faith is simply an undeniable historical and theological fact By evaluating Christian doctrine and polity through the Jewish mindset of Jesus and the apostles this book uncovers a veritable treasure of Hebraic truth For every authentic Christian fruit there is a Jewish toot This truth is demonstrated across a wide spectrum of theological truth including Scripture Messiah Salvation Faith Baptism Gospel Grace and Discipleship Christianity owes a profound debt of gratitude to the Jewish people and to biblical and Second Temple Judaism for the foundations of the truths and practices that it holds dear As you read this challenging informative and inspirational book you will be amazed at just how Jewish

Christianity the other Jewish religion actually is **The Documentary History of Judaism and Its Recent Interpreters** Jacob Neusner, 2012-07-10 The result for the history of Judaism of a documentary reading of the Rabbinic canonical sources illustrates the working of that hypothesis It is the first major outcome of that hypothesis but there are other implications and a variety of new problems emerge from time to time as the work proceeds In the recent past Neusner has continued to explore special problems of the documentary hypothesis of the Rabbinic canon At the same time Neusner notes others join in the discussion that have produced important and ambitious analyses of the thesis and its implications Here Neuser has collected some of the more ambitious ventures into the hypothesis and its current recapitulations Neusner begins with the article written by Professor William Scott Green for the Encyclopaedia Judaica second edition as Green places the documentary hypothesis into the context of Neusner's entire oeuvre Neuser then reproduces what he regards as the single most successful venture of the documentary hypothesis contrasting between the Mishnah's and the Talmuds programs for the social order of Israel the doctrines of economics politics and philosophy set forth in those documents respectively Then come the two foci of discourse Halakhah or normative law and Aggadah or normative theology Professors Bernard Jackson of the University of Manchester England and Mayer Gruber of Ben Gurion University of the Negev treat the Halakhic program that Neusner has devised and Kevin Edgecomb of the University of California Berkeley has produced a remarkable summary of the theological system Neusner discerns in the Aggadic documents Neusner concludes with a review of a book by a critic of the documentary hypothesis **Embracing Muslims in a Catholic Land: Rethinking the Genesis of Islām in**

Mexico Jonathan Benzion, 2022-02-28 This study presents a contrasting hypothesis concerning the genesis and development of Islam in Mexico than the one generally held across academic spheres and current historiography It demonstrates that Colonial and Early Independent Mexico and Islam may have as well known about the existence of each other However within the chronological framework in which the Viceroyalty of Nueva España lived and developed there were social hindrance

geopolitical imperatives and theological impediments and cosmovisions in both sides of the Atlantic that created the quasi perfect circumstances for the Islamic tradition and Mexico not to really meet This book provides new angles of study on the theme and with it new historiographical approaches *The A to Z of Judaism* Norman Solomon,2009-08-13 Judaism the religion of the Jewish people is one of the first recorded monotheistic religions and as such is one of the oldest religious traditions still practiced today While its influences can be seen in the religions of both Christianity and Islam many of its beliefs traditions and practices are unknown The second edition of *The A to Z of Judaism* doesn't just present religious beliefs in a traditional sense but investigates the complex intermingling of religion devotion lifestyle and culture as it is found in diverse Jewish populations around the world and as it has evolved over the course of recent human history Judaism like many other cultural institutions has rarely remained static instead continually investigating and questioning itself metamorphosing in relation to the world By means of a chronology an introductory essay a bibliography and numerous cross referenced dictionary entries on important persons writings institutions concepts Hebrew words philosophy theology and religious law author Norman Solomon provides an important reference source for the study of Judaism **The A to Z of Judaism** Norman Solomon,2009 This book includes a chronology and an introduction that presents an overview of all aspects of Judaism Numerous cross referenced dictionary entries detail important people writings institutions concepts Hebrew words philosophy theology and religious law and an extensive bibliography provides access for further study Jacket [Themes and Issues in Judaism](#) Seth Daniel Kunin,2000-02-08 Written for students of comparative religion this volume introduces Judaism through the exploration of ten core themes ranging from the depiction of the divine to the role of sacred texts **Judaism - An Introduction: Teach Yourself** C. M. Hoffman,2010-05-28 This book is a concise guide to the history beliefs and practices of this major world faith Covering all the key aspects of Judaism including the impact of the Holocaust and the significance of Israel on Jewish self understanding gain real insight into what it means to be Jewish today NOT GOT MUCH TIME One five and ten minute introductions to key principles to get you started AUTHOR INSIGHTS Lots of instant help with common problems and quick tips for success based on the author's many years of experience TEST YOURSELF Tests in the book and online to keep track of your progress EXTEND YOUR KNOWLEDGE Extra online articles at www.teachyourself.com to give you a richer understanding of psychology FIVE THINGS TO REMEMBER Quick refreshers to help you remember the key facts TRY THIS Innovative exercises illustrate what you've learnt and how to use it [Money, Debt and Interest in Monotheistic Religions](#) Murat Ustaoglu,2023-10-24 This book offers a chronological account of the development of interest bearing debt and how the issue of interest has been addressed throughout medieval and modern civilizations It provides a review of the impact of these interest bearing debt practices upon social relations and institutions throughout the history of modern economics observing the relative conditions of the time The author asserts that the development of the concept of interest and debt can be traced through three historical periods The first period covers measures from a more radical stance

as introduced by the Monotheistic religions with the same foundations and principles at their core The second period examines the arguments that justify interest bearing debt and particularly how the stance of major religions has been translated into a basis of support for these transactions And the final part offers a linear report of the development of interest bearing debt and its disruptive impact throughout the history of economics from medieval times to the modern era Initially the book presents a conceptual framework of terms applicable to the discussions and then examines the consistency and reliability of the theological and philosophical arguments on the restrictions imposed upon the practice of interest and debt including rigid prohibition While the book is grounded in research that relies heavily on historical sources it offers a contribution to the literature on economics as well since the historical findings are analyzed in the context of economic terms and theories An interdisciplinary effort the book will attract the attention of those who have an interest in finance economics history religion and sociology

Interpretive Trajectories in Judaism, Christianity, and Islam from the First to the Twenty-First Century Anders Runesson, Karin Hedner Zetterholm, 2023-11-27 This book charts the shifting boundaries of Judaism from antiquity to the modern period in order to bring clarity to what scholars mean when they claim that ancient texts or groups are within Judaism as well as exploring how rabbinic Jews Christians and Muslims have negotiated and renegotiated what Judaism is and is not in order to form their own identities Belief in Jesus as the Messiah was seen as part of first century Judaism but by the fourth or fifth century the boundaries had shifted and adherence to Jesus came to be seen as outside of Judaism Resituating New Testament texts within first or second century Judaism is an historical exercise that may broaden our view of what Judaism looked like in the early centuries CE but normatively these texts remain within Christianity because of their reception history The historical within Judaism perspective however has the potential to challenge and reshape the theology of contemporary Christianity while at the same time the long held consensus that belief in Jesus cannot belong within Judaism is again challenged by the modern Messianic Jewish movement
