stood close by also watching the wind and the heavy clouds rolling up from the westward Who ever supposed that they would be buried alive in that landslide on the mountain in Colorado It was a terrible fate came with a shudder from Dick Rover But nevertheless I am glad we are rid of those rascals They caused father and us trouble enough goodness knows And they brought trouble enough to Dora Stanhope and her mother too observed Sam By the way Dick weren t Dora and her mother going to take a trip on these lakes this summer Of course Dora was put in Tom with a sly wink If she wasn t what do you suppose would bring Dick here He got a letter only last week Oh stow it Tom cried the elder Rover his face growing red You wanted to take a trip on the Great Lakes as much as anybody said you wouldn t like anything better and told all the fellows at Putnam Hall so too Well I don t know as I would like anything better rattled on Tom The Swallow seems to be a first class craft and I ve no doubtbut what we ll see lots to interest us in this trip from Buffalo toLake Superior When are the Stanhopes coming out asked Sam I can t say exactly replied Dick I expect another letter from them when we reach Cleveland In the last letter Dora said her mother was not feeling as well as before We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience The Rover Boys on the Great Lakes
