Rowing To Alaska And Other True Stories:

Rowing to Alaska and Other True Stories Wayne McLennan, 2004 An extraordinary Hemingway esque life story *A Is for Alaska: Teacher to the Territory* Naomi Gaede-Penner, 2011-10 Just as the Alaska spawning salmon swim upstream so did this single woman swim against the current of a society that expected her to fit the mold of wife and mother When this rite of passage eluded Anna Bortel she did not bemoan her singlehood Instead in 1954 this young school teacher drove up the Alaska Canada Highway from Ohio to Valdez where snow was measured in feet and an Easter Egg hunt unheard of Her curiosity wasn't quelled She pushed further north to an Athabaskan village along the Yukon River Drafty Quonset huts with freezing oil lines at 50 below zero added to her teaching rigors Discouraged Yes Daunted No You'll smile laugh and shake your head in amazement as you read these heartwarming inspiring and captivating stories of teaching in the Territory of Alaska www.prescriptionforadventure.com **The Publishers Weekly**, 1917 **The Literary Review**, 2004 **The Book Review Digest**, 2005 The British National Bibliography Arthur James Wells, 2005 *Alaska Homesteader's Handbook* Tricia Brown, Nancy Gates, 2013-01-01 The Alaska Homesteader's Handbook is a remarkable compilation of practical information for living in one of the most impractical and inhospitable landscapes in the United States More than forty pioneer types ranging from their mid nineties to mid twenties describe their reasons for choosing to live their lives on Alaska and offer useful instructions and advice that made that life more livable Whether it's how to live among bears build an outhouse cross a river or make birch syrup each story gives readers a window to a life most will never know but many still dream about Dozens of photographs and more than 100 line drawings illustrate the real life experiences of Alaska settlers such as 1930s New Deal colonists demobilized military who stayed after World War II dream seekers from the 60s and 70s and myriad others who staked their claim in Alaska *At Home on this Earth* Lorraine Anderson, Thomas S. Edwards, 2002 The first chronological presentation of U S nature writing by key women authors of the last two centuries **Outsiders: Her Stories** Abbie Merritt, 2021-05-10 The Outsiders journal unearths 10 beautifully simple stories told over 104 recycled pages of words and images Through an amalgamation of documentary photography and intimate articles each touching on sensitive subjects the project reveals the affinity people have for the outdoors In this specific edition Her Stories challenges the modern archetype of women in outdoor media and sparks a conversation about authenticity and role models in the natural world The edition consists of multidisciplinary interviews and artist collaborations told through 55 photographs and 8 illustrations This is a journal for anyone and everyone who shares a love for journeys and adventure told through a uniquely slow meaningful and authentic style that is often lost in modern journalism The purpose of this publication is to encourage more people to enjoy the outdoors and values everybody interested in the natural world As we look to the future we must envision the power that we have as environmental stewards to reconnect with nature and care for it **Torch and Colonial Book Circular**, 1891 **Book Review Index**, 2006 Every 3rd issue is a quarterly cumulation **Crossing Over** Harold M.
