appeal to anybody interested in black history and anybody who loves a good story terrific eminently readable fascinating The Washington Post Today black Pittsburgh is known as the setting for August Wilson s famed plays about noble but doomed working class citizens But this community once had an impact on American history that rivaled the far larger black worlds of Harlem and Chicago It published the most widely read black newspaper in the country urging black voters to switch from the Republican to the Democratic Party and then rallying black support for World War II It fielded two of the greatest baseball teams of the Negro Leagues and introduced Jackie Robinson to the Brooklyn Dodgers Pittsburgh was the childhood home of jazz pioneers Billy Strayhorn Billy Eckstine Earl Hines Mary Lou Williams and Erroll Garner Hall of Fame slugger Josh Gibson and August Wilson himself Some of the most glittering figures of the era were changed forever by the time they spent in the city from Joe Louis and Satchel Paige to Duke Ellington and Lena Horne Mark Whitaker s Smoketown is a rewarding trip to a forgotten special place and time Pittsburgh Post Gazette It depicts how ambitious Southern migrants were drawn to a steel making city on a strategic river junction how they were shaped by its schools and a spirit of commerce with roots in the Gilded Age and how their world was eventually destroyed by industrial decline and urban renewal Smoketown brilliantly offers us a chance to see this other Black Renaissance and spend time with the many luminaries who sparked it It s thanks to such a gifted storyteller as Whitaker that this forgotten chapter of American history can finally be told in all its vibrancy and glory The New York Times Book Review *Stardust Melodies* Will Friedwald,2009-07-01 In *Stardust Melodies* Will Friedwald takes each of these legendary songs apart and puts it together again with a staggering wealth of detail and unprecedented understanding Each chapter gives us an extended history of one song the circumstances under which it was written and first performed and then explores its musical and lyric content Drawing on his vast knowledge of records and the careers of performing artists Friedwald tells us who was responsible for making these songs famous and discusses in depth the performers who have left their unique marks on them He writes about variations in performance style about both classic and obscure versions of the songs about brilliantly original interpretations and ghastly travesties And then there s the completely unexpected like Stan Freberg s politically correct Elderly Man River This is a book for all lovers of American song to explore argue with and savor Groovin' High Alyn Shipton,2001-07-19 Dizzy Gillespie was one of the most important and best loved musicians in jazz history With his horn rimmed glasses goatee jive talk and upraised trumpet bell he was the hipster who most personified bebop The musical heir to Louis Armstrong he created the modern jazz trumpet playing style and dazzled aficionados and popular audiences alike for over 50 years In this first full biography Alyn Shipton covers all aspects of Dizzy s remarkable life and career taking us through his days as a flashy trumpet player in the swing bands of the 1930s his innovative bebop work in the 1940s the worldwide fame and adoration he earned through his big band tours in the 1950s and the many recordings and performances which defined a career that extended into the early 1990s Along the way Shipton convincingly argues that Gillespie rather than Charlie Parker as is widely believed had the greatest role in creating

bebop playing in key jazz groups teaching the music to others and helping to develop the first original bebop repertory Shipton also explores the dark side of Dizzy's mostly sunny personal life his womanizing the illegitimate daughter he fathered and supported now a respected jazz singer in her own right and his sometimes needless cruelty to others For anyone interested in jazz and one of its most innovative and appealing figures *Groovin' High* is essential reading **NEA Jazz Masters**, 2008 CD contains over 40 Jazz Moments originally aired on XM Satellite Radio which include interviews musical samples historical information and first person anecdotes

Freddie Webster Swing to Bop shows how the music first established itself in jam sessions in Harlem and then spread to New York's famed 52nd Street and beyond. Separate chapters describe how young musicians in major cities such as Los Angeles, Chicago, and Detroit became swept up in the movement. Along with the music and the personalities who made it, the book vividly recreates the atmosphere of the country in the 30s and 40s, traveling on the ballroom theater circuit, racial attitudes, and interaction. Extra musical pastimes, the relationship to World War II, and the influence of drugs. Thus Swing to Bop reveals not only how the music evolved but the environment in which it flourished and what effect in turn the music had on that environment and the music to follow.

Klezmer America Jonathan Freedman, 2008. Klezmer is a continually evolving musical tradition that grows out of Eastern European Jewish culture, and its changes reflect Jews' interaction with other groups as well as their shifting relations to their own history. But what happens when, in the klezmer spirit, the performances that go into the making of Jewishness come into contact with those that build different forms of cultural identity? Jonathan Freedman argues that terms central to the Jewish experience in America, notions like the immigrant, the ethnic, and even the model minority, have worked and continue to intertwine the Jewish American with the experiences, histories, and imaginative productions of Latinos, Asians, African Americans, and gays and lesbians among others. He traces these relationships in a number of arenas: the crossover between jazz and klezmer and its consequences in Philip Roth's *The Human Stain*; the relationship between Jewishness and queer identity in Tony Kushner's *Angels in America*; fictions concerning crypto Jews in Cuba and the Mexican American borderland; the connection between Jews and Christian apocalyptic narratives; stories of new immigrants by Bharathi Mukherjee, Gish Jen, Lan Samantha Chang, and Gary Shteyngart; and the revisionary relation of these authors to the classic Jewish American immigrant narratives of Henry Roth, Bernard Malamud, and Saul Bellow. By interrogating the fraught and multidimensional uses of Jews, Judaism, and Jewishness, Freedman deepens our understanding of ethnoracial complexities.
