tells you what's beautiful, what's fun, and what's just unforgettable everywhere on earth. And now the best is better. There are 600 full color photographs. Over 200 entirely new entries including visits to 28 countries like Lebanon, Croatia, Estonia, and Nicaragua that were not in the original edition. There is an emphasis on experiences; an entry covers not just Positano or Ravello but the full 30 mile stretch along the Amalfi Coast. Every entry from the original edition has been readdressed, rewritten, and made fuller with more suggestions for places to stay, restaurants to visit, festivals to check out. And throughout the book is more budget conscious, starred restaurants and historic hotels such as the Ritz, but also moderately priced gems that don't compromise on atmosphere or charm. The world is calling. Time to answer.

**Alchemies of Violence** Lawrence A Babb, 2004-08-30 The several trading castes known generically as Marwaris are among the most powerful and wealthy groups in India. While they have spread throughout India and beyond, their homeland is Rajasthan. This absorbing book explores their origin myths and the manner in which these myths construct and express their social identities. Lawrence Babb draws attention to the special problems of self definition faced by these groups and shows how myth engages these problems by using a distinctive symbolism drawn from the Vedic rite of sacrifice. According to the author, origin myths utilize sacrifice as a master metaphor for creative power and social order. At a broader level, this book deals with three interrelated themes: the nature of India's caste system, the special character and specific place of trading castes in Indian society, and the role of myth as a repository of socially important knowledge. A unique feature of this book is that it is based mainly on the literature published by caste and religious associations, supplemented by oral material.

**Flawed: The Rise and Fall of India's Diamond Mogul Nirav Modi** Pavan C. Lall, 2024-11-20 In early 2018, the spectacular collapse of Nirav Modi's Firestar Diamonds International once poised to become India's first global luxury brand sent shockwaves through the country's diamond industry and banking system. Accused of defrauding banks of US \$1.8 billion, Modi's downfall cast a harsh spotlight on an entire business community and ignited an international scandal. Through personal encounters, sharp interviews, and meticulous research, this gripping account unravels the astonishing twists in the Nirav Modi saga. From his beginnings as a third-generation diamondaire

**Indian States; a Biographical, Historical and Administrative Survey** Arnold Wright,1922 **Raj Rhapsodies: Tourism, Heritage and the Seduction of History**

Maxine Weisgrau,Carol Henderson,2016-03-23 Heritage is a prized cultural commodity in the marketing of tourism destinations Particular aspects of heritage are often more actively promoted with others played down The representation of heritage in tourism as static and timeless derived since time immemorial from a distant past is seductive In Asia a major part of the tourism market lies in the sale and consumption of highly orientalized images and versions of culture and history In India s marketing discourse the state of Rajasthan symbolizes the nation in its heritage laden traditional and most authentic form These images draw heavily on the British period in India the Raj In one sense this vision of Rajasthan is ennobling highlighting moments of cultural pride In another sense it demeans by omitting and obscuring salient features of contemporary life This fascinating book explores the cultural politics of tourism through interdisciplinary perspectives Carol E Henderson and Maxine Weisgrau demonstrate that tourism heritage privileges elite histories that recapitulate colonial relationships compelling non elites to collude in these narratives of subordination even as they advance their own alternative visions of history
