Charles Bullock

Royal Year 199:

The Numismatic Chronicle and Journal of the Royal Numismatic Society John Yonge Akerman, 2024-09-09 Reprint of the original first published in 1856 **The Royal Navy in the Cold War Years, 1966-1990** Edward Hampshire, 2024-07-30 During the period covered by this new book the Royal Navy faced some of its greatest challenges both at sea confronting the increasingly capable and impressive Soviet Navy and on shore when it faced policy crises that threatened the survival of much of the fleet During this remarkable period the Navy had rarely been so focussed on a single theater of war the Eastern Atlantic but also rarely so politically vulnerable The author sets out to analyze shadowing operations and confrontations at sea with Soviet ships and submarines the Navy's role in the enormous NATO and Warsaw Pact naval exercises that acted out potential war scenarios individual operations from the Falklands and the 1990-91 Gulf War to the Beira and Armilla patrols the development of advanced naval technologies to counter Soviet capabilities policy making controversies as the three services fought for resources including the controversial 1981 Nott defense review and what life was like in the Cold War navy for ratings and officers The book the first to cover this subject in depth for more than thirty years will make use of the full range of archival sources that have been publicly available over the last two decades but of which little use has been made by historians This work is destined to become a definitive naval history of the period and also provide a fascinating and gripping narrative of a navy under threat from many directions but which survived and eventually prospered winning a remarkable victory in the far South Atlantic more than 7 000 miles from its expected battleground in the North Atlantic Elegantly written for a wide audience it will be a very significant volume for professional and enthusiast alike Year-book of the Royal Society of London Royal Society (Great Britain), 1907 **1887, the royal year, a chronicle of 'our good queen's jubilee', a sequel to 'The queen's resolve'**. The Royal Hunt in Eurasian History Thomas T. Allsen, 2011-06-03 From antiquity to the nineteenth century the royal hunt was a vital component of the political cultures of the Middle East India Central Asia and China Besides marking elite status royal hunts functioned as inspection tours and imperial progresses a means of asserting kingly authority over the

countryside The hunt was in fact the court out of doors an open air theater for displays of majesty the entertainment of guests and the bestowal of favor on subjects In the conduct of interstate relations great hunts were used to train armies show the flag and send diplomatic signals Wars sometimes began as hunts and ended as celebratory chases Often understood as a kind of covert military training the royal hunt was subject to the same strict discipline as that applied in war and was also a source of innovation in military organization and tactics Just as human subjects were to recognize royal power so was the natural kingdom brought within the power structure by means of the royal hunt Hunting parks were centers of botanical exchange military depots early conservation reserves and important links in local ecologies The mastery of the king over nature served an important purpose in official renderings as a manifestation of his possession of heavenly good fortune he could tame the natural world and keep his kingdom safe from marauding threats human or animal The exchanges of hunting partners cheetahs elephants and even birds became diplomatic tools as well as serving to create an elite hunting culture that transcended political allegiances and ecological frontiers This sweeping comparative work ranges from ancient Egypt to India under the Raj With a magisterial command of contemporary sources literature material culture and archaeology Thomas T Allsen chronicles the vast range of traditions surrounding this fabled royal occupation **Quarterly Journal of the Royal Meteorological Society** Royal Meteorological Society (Great Britain),1926 Vols 10 11 include Meteorology of England by James Glaisher as separately paged section at end Journal of the Royal Anthropological Institute of Great Britain and Ireland ,1894 **Journal of the North-China Branch of the Royal Asiatic Society for the Year ...** ,1924 **Transactions of the Royal Society of Edinburgh** Royal Society of Edinburgh,1902 Minutes of Evidence Taken Before the Royal Commission on the Militia and Volunteers Great Britain.
