**The Tour of H.R.H. the Prince of Wales Through British America and the United States** Henry James Morgan, 1860 Virgin Islands Quincy F. Lettsome, PhD, 2016-06-16 The names Virgin Islands and British Virgin Islands indeed do require some clarifications The former is the original name given to the entire Archipelago by Christopher Columbus at the time of his historic landfall in 1493 However the qualifying word British which is added to Virgin Islands could be viewed as an adaptation mainly to differentiate between the British Virgin Islands and United States Virgin Islands In official and constitutional references the term Virgin Islands is utilized exclusively However in other contexts the terms British Virgin Islands and Virgin Islands are used interchangeably The explanation of these differences should suffice at this stage For further and more detailed information each name should be reviewed under its particular alphabetical placement The text is arranged generally in direct alphabetical order The various alphabetical entries deal with a variety of information except two categories which are integral parts of the Culture and Heritage of the Virgin Islands These are August Festival Celebrations and also Boatbuilding and Sailing Legacies The direct alphabetical arrangement will facilitate the utilization of the text

Smith,2022-07-12 Settlers at the end of empire traces the development of racialised migration regimes in South Africa Rhodesia present day Zimbabwe and the United Kingdom from the Second World War to the end of apartheid in 1994 While South Africa and Rhodesia like other settler colonies had a long history of restricting the entry of migrants of colour in the 1960s under existential threat and after abandoning formal ties with the Commonwealth they began to actively recruit white migrants the majority of whom were British At the same time with the 1962 Commonwealth Immigrants Act the British government began to implement restrictions aimed at slowing the migration of British subjects of colour In all three nations these policies were aimed at the preservation of nations imagined as white revealing the persistence of the racial ideologies of empire across the era of decolonisation      **Palmer's Index to the Times Newspaper** ,1881      **England's Triumph** ,1814
