Royo County Robert Roper,1973 **Ancestors, Virgins, and Friars** Eugenio Menegon,2020-10-26 Christianity is often praised as an agent of Chinese modernization or damned as a form of cultural and religious imperialism In both cases Christianity s foreignness and the social isolation of converts have dominated this debate Eugenio Menegon uncovers another story In the sixteenth century European missionaries brought a foreign and global religion to China Converts then transformed this new religion into a local one over the course of the next three centuries Focusing on the still active Catholic communities of Fuan county in northeast Fujian this project addresses three main questions Why did people convert How did converts and missionaries transform a global and foreign religion into a local religion What does Christianity s localization in Fuan tell us about the relationship between late imperial Chinese society and religion Based on an impressive array of sources from Asia and Europe this pathbreaking book reframes our understanding of Christian missions in Chinese Western relations The study s implications extend beyond the issue of Christianity in China to the wider fields of religious and social history and the early modern history of global intercultural relations The book suggests that Christianity became part of a preexisting pluralistic local religious space and argues that we have so far underestimated late imperial society s tolerance for heterodoxy The view from Fuan offers an original account of how a locality created its own religious culture in Ming Qing China within a context both global and local and illuminates the historical dynamics contributing to the remarkable growth of Christian communities in present day China *The Origin of Certain Place Names in the United States* Henry Gannett,1905

Fatal Mountaineer Robert Roper,2024-05-01 Vivid characterization gripping accounts of extreme mountaineering and cultural historical and philosophical reflection a rich tapestry San Francisco Chronicle Robert Roper s Fatal Mountaineer is a riveting look at Willi Unsoeld and the epic climbs that defined him a classic narrative blending action with ethics fame with tragedy a man s ambition with a father s anguish In 1963 Willi Unsoeld became an international hero for his conquest of the West Ridge of Everest A charismatic professor of philosophy Unsoeld was one of the greatest climbers of the twentieth century a man whose raw physical power and casual fearlessness inspired a generation of adventurers In 1976 during an expedition to Nanda Devi the tallest peak in India Unsoeld s philosophy of spiritual growth through mortal risk was tragically tested The outcome of that expedition continues to fuel one of the most fascinating debates in mountaineering history A provocative look at a still legendary climber Publishers Weekly A cautionary tale of how pursuit of a mountain at any cost and in any weather can have deadly consequences Lynn Arave Deseret News Salt Lake City UT The book s greatest accomplishment is in the light it sheds on the shadows of mountain climbing and the impossible ideals of a hero Mark

Larabee The Oregonian *Nabokov in America* Robert Roper, 2016-12-13 Born to an eminent Russian family Vladimir Nabokov came to America fleeing the Nazis and remembered his time here as the richest of his life Indeed his best work flowed from his response to this storied land With charm and insight Robert Roper fills out this period in the writer's life his friendship with Edmund Wilson his time at Cornell his role at Harvard's Museum of Comparative Zoology But Nabokov in America finds its narrative heart in his and his family's serial sojourns into the West Roper has mined fresh sources to bring detail to these journeys and traces their significant influence in Nabokov's work on two lane highways and in late 40s motels and cafés we feel Lolita draw near and understand Nabokov's seductive familiarity with the American mundane Nabokov in America is also a love letter to U.S. literature in Nabokov's broad embrace of it from Melville to the Beats Reading Roper we feel anew the rich learning and the Romantic mind behind some of Nabokov's most beloved books **The Permian of Central New Mexico** Spencer G. Lucas, Kate E. Zeigler, Justin A. Spielmann, 2005 California Municipalities Haven A. Mason, William James Locke, 1914 **The Other California** Gerald W. Haslam, 1993-12-01 Oildale native Gerald Haslam doesn't like it when folks dismiss the Central Valley as boring and flat In this collection of essays he argues that it is California's heartland and economic hub In addition the valley has produced a crop of gifted writers These nineteen essays range from reminiscences of childhood and adolescence to a portrait of Mexican Americans and their position in the Valley's society to a moving essay about having the author's aging father come to live with the family Even if you have never lived in the Valley reading this book will give you an entirely new perspective the next time you drive into it **The Birds of North and Middle America** Robert Ridgway, 1950 **Report of the United States Geographic Board** United States Geographic Board, 1916 **Report** United States Geographic Board, 1916 **Fifth Report of the United States Geographic Board** United States Geographic Board, 1921 **Decisions of the United States Geographic Board** United States Board on Geographical Names, 1921 Index to the Fifth Report and Supplement (1920-1923) of the United States Geographic Board United States Geographic Board, 1921 *Quarterly Bulletin ...* California State Board of Health, 1922
