*RPG World* Ian Jones-Quartey, 2004      **Keenspace Spotlight 2003** ,2003      **Computer Gaming World** ,2004      **The Legend of Zelda. The History of a Legendary Saga Vol. 2** Valérie Précigout, 2019-02-19 Continue the discovery of the famous game The Legend of Zelda Featuring in the pantheon of video games the Breath of the Wild episode of the mythical Zelda saga is fully covered in this new book Following the first Chronicle volume of a legendary saga this second part focuses exclusively on the episode Breath of the Wild decrypting its references its game system and the inspiration of its developers

**EXTRACT** Starting production on a title that sought to radically redefine the core elements of a franchise as iconic as The Legend of Zelda involved a certain amount of risk for Nintendo To fully understand the situation we feel it is essential to start by determining what was really at stake in this challenging effort by looking at the many promises that The Legend of Zelda Breath of the Wild carried with it from the earliest announcement of its development until the moment it was released With this perspective in mind we will first step back in time to examine any clues potentially found in other recent installments of the franchise as to the creators desire to rethink the game s most basic conventions We will then consider what fans were expecting from this attempt to go back to basics and revive the ambitions of the original Legend of Zelda We will also look at Nintendo s communications strategy by way of the trailers and other official presentations that were used to introduce the game and consider the credibility of Breath of the Wild s claim to innovation in its approach to the open world genre Of course we will also focus considerable attention on director Hidemaro Fujibayashi s history with the series and listen to the development team s thoughts as we attempt to better understand the origins of this latest Zelda game We then close the chapter with a look at initial reactions from fans and video game journalists when the game was first released on March 3 2017
