Russia Re Examined The Land The People:

Russia Re-examined William M. Mandel, 1967 **The Soviet Model and Underdeveloped Countries** Charles K. Wilber, 2018-06-15 This book constructs the model of economic development implicit in the historical experience of the Soviet Union and the agricultural industrial and social strategies followed are shown to fit into a logical and coherent pattern Those strategies are then evaluated for the positive and negative answers they hold for underdeveloped countries today Originally published 1969 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value

USSR: Strategic Survey United States. Department of the Army, 1969 *Re-Examining the History of the Russian Economy* Jeffrey K. Hass, 2018-06-14 This book explores the application of field theory patterns of interaction to Russian economic history and how social and political fields mediate the influences of institutions structures discourses and ideologies in the creation and dissemination of economic thinking theory and practice Using focused cases on Russia s economy from the mid nineteenth century to the present Hass and co authors expand the empirical basis of field studies to provide new material on Russian economic history The cases are divided into two complementary halves i The role of fields of institutions discourses and structures in the development of Russian economic thought especially economic theories and discourses and ii The role of fields in the real adoption and implementation of policies in Soviet and Russian economic history With developed discussion of fields and field theory this book moves beyond sociology to demonstrate to other disciplines the relation of fields and field theory to other frameworks and methodological considerations for field analysis as well as providing new empirical insights and narratives not as well known abroad **Area Handbook for the Soviet Union**

Eugene K. Keefe, 1971 One of a series of handbooks prepared by Foreign Area Studies FAS of the American University

The Politics of Arctic Resources E. Keskitalo, 2019-04-10 The Arctic has often been seen as a natural area or even a wilderness where mainly indigenous and subsistence activities have been prominent Contrary to this the present volume highlights the very long historical development of resource use systems in northern Europe across multiple actors and multiple levels and including varying population groups The book takes a past present future perspective that illustrates the paths to institutional emergence change or persistence over time It also illustrates how institutions may themselves drive changes through a focus on resource use cases in northern Europe This volume demonstrates that understanding northern issues is less about understanding sets of geophysical climatological or environmental conditions than about understanding social and institutional structures Understanding these trajectories into the future is seen as a key way of understanding what responses to future change may be likely and what the institutions are that will shape limit or enable our responses to climate change This book will be of great use to scholars and graduates in the fields of Arctic and northern region politics

and to researchers of resource use and climate change with a focus on vulnerability social vulnerability adaptation and mitigation

Russia Re-examined. A New Look at Russia. The Land, the People and how They Live. With Illustrations. William MANDEL (of the American Russian Institute.),1965 *Background Papers for Social Studies Teachers* Leonard Stout Kenworthy,1966 Natural Resource Extraction and Indigenous Livelihoods Emma Gilberthorpe,Gavin Hilson,2016-04-22 This book provides an extended analysis of how resource extraction projects stimulate social cultural and economic change in indigenous communities Through a range of case studies including open cast mining artisanal mining logging deforestation oil extraction and industrial fishing the contributors explore the challenges highlighted in global debates on sustainability Corporate Social Responsibility CSR and climate change The case studies are used to assess whether and how development processes might compete and conflict with the market objectives of multinational corporations and the organizational and moral principles of indigenous communities Emphasizing the perspectives of directly affected parties the authors identify common patterns in the way in which extraction projects are conceptualized implemented and perceived The book provides a deeper understanding of the dynamics of the human environments where resource extraction takes place and its consequent impacts on local livelihoods Its in depth case studies underscore the need for increased social accountability in the planning and development of natural resource extraction projects *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office,1971 *At the Edge of the Nation* Paul B. Richardson,2018-06-30 Debates over the remote and beguiling Southern Kuril Islands have revealed a kaleidoscope of divergent and contradictory ideas convictions and beliefs on what constitutes the national identity of post Soviet Russia Forming part of an archipelago stretching from Kamchatka to Hokkaido administered by Russia but claimed by Japan these disputed islands offer new perspectives on the ways in which territorial visions of the nation are refracted inverted and remade in a myriad of different ways At the Edge of the Nation provides a unique account of how the Southern Kurils have shaped the parameters of the Russian state and framed debates on the politics of identity in the post Soviet era By shifting the debate beyond a proliferation of Eurocentric and Moscow focused writings Paul B Richardson reveals broad alternatives and possibilities for Russian identity in Asia After the dissolution of the Soviet Union in 1991 when Russia was suffering the fragmentation of empire and a sudden decline in its international standing these disputed islands became symbolic of a much larger debate on self image nationalism national space and Russia s place in world politics When viewed through the prism of the Southern Kurils ideas associated with the border state and nation become destabilized uncovering new insights into state society relations in modern Russia At the Edge of the Nation explores how disparate groups of political elites have attempted to use these islands to negotiate enduring tensions within Russia s identity and traces how the destiny of these isolated yet evocative islands became irrecoverably bound to the destiny of Russia itself **The Freeman** ,1920 **Property Meeting the Challenge of the Commons** Ugo Mattei,Alessandra Quarta,Filippo Valguarnera,Ryan J.

Fisher,2023-03-23 This book explores the challenge that the commons present to the private public dichotomy in a wide variety of national legal systems representing the West European legal tradition as well as post socialist and post colonial experiences It presents national reports from 13 jurisdictions ranging from Belgium and the South Africa to the US Constituting the outcome of the 20th General Congress of the International Academy of Comparative Law held in Fukuoka Japan in July 2018 it offers a valuable and unique resource for the study of comparative law Nationalist Imaginings of the Russian Past Konstantin Sheiko,2012-05-25 Anatolii Fomenko is a distinguished Russian mathematician turned popular history writer founder of the so called New Chronology school and part of the explosion of alternative historical writing that has emerged in Russia since the collapse of the Soviet Union Among his more startling claims are that the Old Testament was written after the New Testament that Russia is older than Greece and Rome and that the medieval Mongol Empire was in fact a Slav Turk world empire a Russian Horde to which Western and Eastern powers paid tribute While academic historians dismiss Fomenko as a dangerous ethno nationalist or post modern clown Fomenko s publications invariably outsell his conventional rivals Just as Putin has restored Russia s faith in its future Fomenko and an army of fellow alternative historians are determined to restore Russia s faith in its past For Fomenko the key to Russia s greatness in the future lies in ensuring that Russians understand the true greatness of their past Fomenko and other pseudo historians have built upon existing Russian notions of identity specifically the widespread belief in the positive qualities of empire and the special mission of Russia He has drawn upon previous attempts to establish a Russian identity ranging from Slavophilism through Stalinism to Eurasianism While fantastic Fomenko s pseudo history strikes many Russian readers as no less legitimate than the lies and distortions peddled by Communist propagandists Tsarist historians and church chroniclers Army Review ,1913 **The Geographical Journal** ,1908 Includes the Proceedings of the Royal geographical society formerly pub separately The Public ,1917 The Public Louis Freeland Post,Alice Thacher Post,Stoughton Cooley,1903 **Mapping Russia's Natural Focal Diseases** Svetlana Malkhazova,Varvara Mironova,Natalia Shartova,Dmitry Orlov,2018-10-24 This book is the first scientific publication on diseases caused by agents circulating in natural environments independently from humans covering the whole territory of the Russian Federation It contains diverse and multifaceted information both in textual and cartographic form The book focuses on the historical and current distribution of natural focal diseases in Russia epidemiological aspects natural and socio economic determinants conducting natural foci With a series of maps this book depicts population morbidity rates in particular regions and on a national level for the 21st century With numerous color illustrations this book appeals to a wide audience and is of particular interest to geographers environmental workers epidemiologists and other specialists interested in environmental and public health issues The Parliamentary Debates (official Report). Great Britain. Parliament. House of Commons,1918 Contains the 4th session of the 28th Parliament through the 1st session of the 48th Parliament
