Russian Poetry Under The Tsars:

Russian poetry under the tsars Burton Raffel, 1971

Russia Under the Last Tsar Theofanis G. Stavrou, 1969-04-25

Russia Under the Last Tsar was first published in 1969 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions The reign of Russia's last tsar Nicholas II from 1894 to 1917 constitutes a period of continuing controversy among historians Interesting in its own right it is also a time of great importance to an understanding of the cataclysmic events which followed in Russian history In this volume eight scholars contribute interpretive essays on some of the most significant forces and issues in Imperial Russia during the two decades before the revolutions Professor Stavrou writes an introductory essay The other essays and authors are on Interpreting the Fate of Imperial Russia by Arthur Mendel University of Michigan Russian Conservative Thought before the Revolution by Robert F Brynes Indiana University Russian Radical Thought 1894-1917 by Donald W Treadgold University of Washington Russian Constitutional Developments by Thomas Riha University of Colorado Problems of Industrialization in Russia by Theodore Von Laue Washington University Politics Universities and Science by Alexander Vucinich University of Illinois The Cultural Renaissance by Gleb Struve formerly of the University of California Berkeley and Some Imperatives of Russian Foreign Policy by Roderick E McGrew Temple University The book is illustrated with photographs of some of the principal figures in the history of the period and there are a bibliography and index As Professor Stavrou points out in his preface the contributors did not consult with one another before preparing their respective essays and the various approaches are refreshingly different in their assessments of the period The book as a whole provides a panoramic view of the fascinating Russia of Nicholas and Alexandra It will be interesting to general readers and especially useful as a textbook for courses in Russian or modern European history *Complete Poetry of Osip Emilevich Mandelstam* Osip Mandel'shtam, Sidney Monas, 1973-01-01 Offers the complete body of work of one of the twentieth century's greatest Russian poets for the first time in English

Catherine the Great & Potemkin Simon Sebag

Montefiore, 2021-08-04 A widely acclaimed biography from the bestselling author of The Romanovs One of the great love stories of history The Economist between Catherine the Great and the wildly flamboyant and talented Prince Potemkin Captures the genius of two extraordinary Enlightenment figures and of the age as well The Wall Street Journal Catherine the Great was a woman of notorious passion and imperial ambition Prince Potemkin was the love of her life and her co ruler Together they seized Ukraine and Crimea territories that define the Russian sphere of influence to this day Their affair was so tumultuous that they negotiated an arrangement to share power leaving each of them free to take younger lovers But these twin souls never stopped loving each other Drawing on the pair's intimate letters and on vast research Simon Sebag Montefiore restores these imperial partners to their rightful place as titans of their age Biography in the grand tradition Riveting The author is a gifted storyteller The Washington Post **Artists All** Burton Raffel, 2010-11-01 Handbook of

Russian Literature Victor Terras, 1985-01-01 Profiles the careers of Russian authors scholars and critics and discusses the history of the Russian treatment of literary genres such as drama fiction and essays **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1973 **Realms of Exile** Domnica Radulescu, 2002-01-01 Realms of Exile brings together authors writing on diverse themes of Eastern European exile The book defines the experiential and linguistic peculiarities of exiled people who share similar cultural geographical and mythological backgrounds and who have suffered under totalitarian rule The contributions discuss a variety of media from the soulful melodies of the Russian gypsies to the delicate sensuousness of Kieslowski's films as the authors treat some of the most crucial issues of our times such as political dissent and resistance the fractured self alienation and migr consciousness Realms of Exile is interdisciplinary and cross cultural scholarship at its best casting new light on the many nuances and variations of many of the cultures and ethnic groups of Eastern Europeans Literary Translation in Russia Maurice Friedberg, 2012-05-31 In this rich historical study Maurice Friedberg recounts the impact of translation on the Russian literary process In tracing the explosion of literary translation in nineteenth century Russia Friedberg determines that it introduced new issues of cultural aesthetic and political values Beginning with Pushkin in the early nineteenth century Friedberg traces the history of translation throughout the lives of Dostoevsky Tolstoy and more recently Pasternak His analysis includes two translators who became Russia's leading literary figures Zhukovsky whose renditions of German poetry became famous and Vvedensky who introduced Charles Dickens to Russia In the twentieth century Friedberg points to Pasternak's Faust to show how apolitical authors welcomed free translation which offered them an alternative to the original writing from which they had been banned by Soviet authorities By introducing Western literary works Russian translators provided new models for Russian literature Friedberg discusses the usual battles fought between partisans of literalism and of free translation the influence of Stalinist Soviet government on literary translation and the political implications of aesthetic clashes He also considers the impetus of translated Western fiction poetry and drama as remaining links to Western civilization during the decades of Russia's isolation from the West Friedberg argues that literary translation had a profound effect on Russia by helping to erode the Soviet Union's isolation which ultimately came to an end with the dissolution of the Soviet Union in 1991 *The Prince of Princes* Simon Sebag Montefiore, 2001-11-07 A history of one of Russia's greatest leaders explores the life and career of Potemkin lover of Catherine the Great and architect of Russian imperial power *International Anthologies of Literature in Translation* Harald Kittel, 1995-01-01 **The Circassian Miracle: the Nation Neither Tsars, nor Commissars, nor Russia Could Stop** Adel Bashqawi, 2019-12-11 This work is dedicated to Circassia the historical homeland of the Circassians who inspired and encouraged emerging generations to maintain the torch of freedom and to lead the way despite all obstacles and attempts of exclusion that have been tested over the years Since the subjugation of their homeland the Circassians were subjected to harsh conditions in all walks of life which wasn't easy to withstand and get through This meant

a dictatorial savage direct military and security jurisdiction and domination for the duration of both tyrant tsarist imperial and Soviet Communist eras From the beginning of the 1990s on the general situation has been quite different concerning the circumstances that the Circassian affairs have been clutched to After decades of being forgotten the people of the Caucasus region and the world at large have started to become enlightened with information that was prevented and blocked from the public Even the historians specialists and academicians were not in the picture of the pain destiny and suffering that the Circassian nation was inflicted with for decades specifically since the occupation and deportation of 1864 Publishing in Tsarist Russia Yukiko Tatsumi,Taro Tsurumi,2020-02-20 According to Benedict Anderson the rapid expansion of print media during the late 1700s popularised national history and standardised national languages thus helping create nation states and national identities at the expense of the old empires Publishing in Tsarist Russia challenges this theory and by examining the history of Russian publishing through a transnational lens reveals how the popular press played an important and complex Imperial role while providing a soft infrastructure which the subjects could access to change Imperial order As this volume convincingly argues this is because the Russian language at this time was a lingua franca it crossed borders and boundaries reaching speakers of varying nationalities Russian publications then were able to effectively operate within the structure of Imperialism but as a public space they went beyond the control of the Tsar and ethnic Russians This exciting international team of scholars provide a much needed fresh take on the history of Russian publishing and contribute significantly to our understanding of print media language and empire from the 18th to 20th centuries Publishing in Tsarist Russia is therefore a vital resource for scholars of Russian history comparative nationalism and publishing studies Embattled Reason Reinhard Bendix,2020-03-06 Embattled Reason constitutes an intellectual profile of one of America s preeminent sociologists This collection of essays published over the course of thirty years embodies a series of intellectual choices in response to current concerns and to debates of the past affording a coherent and unified view of Bendix s work as a whole *National Poetry, Empires and War* David Aberbach,2016-09-13 Nationalism has given the world a genre of poetry bright with ideals of justice freedom and the brotherhood of man but also at times burning with humiliation and grievance hatred and lust for revenge driving human kind as the Austrian poet Grillparzer put it From humanity via nationality to bestiality National Poetry Empires and War considers national poetry and its glorification of war from ancient to modern times in a series of historical social and political perspectives Starting with the Hebrew Bible and Homer and moving through the Crusades and examples of subsequent empires this book has much on pre modern national poetry but focuses chiefly on post 1789 poetry which emerged from the weakening and collapse of empires as the idealistic liberalism of nationalism in the age of Byron Whitman D Annunzio Yeats Bialik and Kipling was replaced by darker purposes culminating in World War I and the rise of fascism Many national poets are the subject of countless critical and biographical studies but this book aims to give a panoramic view of national poetry as a whole It will be of great interest to any scholars of nationalism Jewish Studies history comparative

literature and general cultural studies Blood and Fire, Tsar and Commissar Tom Aitken, 2007-01-01 Blood and Fire Tsar and Commissar examines the Salvation Army's first attempt to establish itself in Russia during the early decades of the twentieth century. It is a stirring story of faith, determination and endurance of a would-be law-abiding organization struggling despite police raids, death by epidemic and other catastrophes to work in a place where prior to the revolutions of 1917 it did not officially exist **Scholarly Books in America**, 1969 *AQA A-level History: Tsarist and Communist Russia 1855-1964* Chris Corin, Terry Fiehn, 2015-07-31 Exam Board AQA Level AS/A-level Subject History First Teaching September 2015 First Exam June 2016 AQA approved Enhance and expand your students' knowledge and understanding of their AQA breadth study through expert narrative, progressive skills development and bespoke essays from leading historians on key debates. Builds students' understanding of the events and issues of the period with authoritative, well-researched narrative that covers the specification content. Introduces the key concepts of change, continuity, cause and consequence, encouraging students to make comparisons across time as they advance through the course. Improves students' skills in tackling interpretation questions and essay writing by providing clear guidance and practice activities. Boosts students' interpretative skills and interest in history through extended reading opportunities consisting of specially commissioned essays from practising historians on relevant debates. Cements understanding of the broad issues underpinning the period with overviews of the key questions, end-of-chapter summaries and diagrams that double up as handy revision aids *Official Index to the Times*, 1914 Indexes the Times, Sunday Times and magazine Times literary supplement, Times educational supplement, Times educational supplement, Scotland and the Times higher education supplement Palmers' Index to the Times Newspaper, 1914
