Arbitration Law and Practice in Central and Eastern Europe Christoph Liebscher, Alice A. Fremuth-Wolf, 2006 The focus of Arbitration Law and Practice in Central and Eastern Europe is to provide an understanding of the involvement of state authority in arbitrations and offer practical ideas on arbitration procedures for countries in this region Adopting a questionnaire format devised by the editors issues are investigated from both the arbitrator s and the counsel s perspectives and important tactical issues are discussed It is inevitable however that the reader may occasionally be disappointed to find an unanswered question The editors authors and contributors ask for patience as the reader tries to find specific answers to questions which would not have been posed ten years ago Case law is generally sparse in these countries legal reforms are recent and therefore the legal writing is limited and does not cover the entire array of questions that may arise The book is an indispensable reference and guide for arbitrators and party representatives who are engaged in arbitrations in the region Publisher's website
