Russias Evil Plan:

Prophecy Wayne J. Bentley, 2022-08-25 *Prophecy Now through End Times* starts with the Great Apostasy a falling away and continues to explain the events of Revelation in order up to the Return of Jesus If Jesus did not return the events explained in this text would lead to the extinction of humanity Jesus said No flesh shall be saved Humanity ends it is an extinction event The events leading up to Jesus s return have the days shortened and the Earth tilting four times killing off most of humanity Everyone in Asia dies except the two hundred million man army that is attacking Israel when Jesus returns Here in the United States the coastlines will be destroyed by an object from outer space that hits the Earth and sends tidal waves around the globe The heartland will survive with the help of the Church of Philadelphia There is little to zero trade between the countries of the world because the object from space destroys the ships The Antichrist rules in the revived Holy Roman Empire and declares himself god He kills every Catholic in his empire and attacks Israel Jesus said Watch that you may be accounted worthy to escape all these things <https://www.prophecynowtoendtimes.com> Russia's Hawaiian Adventure, 1815-1817 Richard A. Nothing is as it seems** Cinzia Palmacci,2024-03-20 I wanted to title this book Russia and Ukraine Nothing is as it seems because of this crisis which involves two Eastern European territories so much tormented and threatened you will never have a clear and truthful picture especially by the mainstream media In truth in addition to the official narrative and compliant with the single thought to which the mainstream has always accustomed us it is there something in the history of these two territories involved in the crisis that escapes even to large networks The key to everything is the story Few know that current Ukraine was the ancient kingdom of Khazaria because the history of the people Kazaro was deliberately erased from the news so that it would not appear in any history textbook And there s a reason From the Khazar people descends the Zionism which even from a genetic point of view has nothing to do with lineage Jewish native of Palestine The Zionists have become the rulers of the world through methods that are questionable to say the least They are the masters of finance world and political and media power belongs to them pharmaceutical and military Zionists are the architects of the most unbridled globalism of which the Great

Reset or Great Reset is the most hateful expression and controversial They are behind the most repressive and cruel ideologies in history communism Bolshevism Nazism etc But in this historical context increasingly tumultuous world a part of the global axis of power has become through the diabolical plan implemented by the Zionists and cherished for centuries The hatred of the West that orbits and serves American interests has identified an enemy Russia **Make Russia Great Again** Christopher Buckley,2021-06-15 Herb Nutterman a long time Trump Organization employee unexpectedly becomes President Trump s White House chief of staff and finds himself entangled in Russian intrigue and leading the president s reelection campaign **From Russia with Lunch** Bruce Hale,2009 Detectives Chet Gecko and his partner Natalie Attired try to solve the mystery of why Emerson Hicky Elementary school students have suddenly started acting strangely **New Word Volume 2** Lela Kakulia,2013-01-25 Hereinafter is my book New word the work unique by its contents and in essence This is a book of prediction Years beforehand I described all those necessary expected political events or natural phenomenon related to the whole world Most of them have already precisley come true some of them are now being fulfilled and the rest will come true in future This is a live cosmic information new word that I Georgian prophet Lela Kakulia pronounce by Gods will I was sent to the earth in order to let countries states particular politicians or humankind in general know their future By this means cosmos gave a chance to the universe to soften destined blows and avoid destruction I predict all my life from birth and will predict till I am on the earth A prophet is sent by cosmos once in few centuries when the earth faces a special danger when it is on the edge of the existence I Gerogian prophet am sent with the mission to save the world I bring enormous proteceting energy for people and contries and hand it out with no regret I often drawcosmis information and my drawings are the source of collosal energy that full people with hope and peace This is the book that would live for ages and give answer to peoples any question No one on earth owns such information neither particular individual nor analytical centres My prediction has no analogue and thus is unique With respect and love Georgian prophet Lela Kakulia

Democracy or Demon-Crazy? Rev. Patrick E. Quainoo,2016-10-14 Democracy has seemingly outward appeal but inward characteristics of evil and deception because God Yahweh has no place in it It is about the rule of man s laws and not God s law therefore there is no absolute truth that exists in democracy but absolute truth in God s law In a democratic view since no one possesses absolute truth all side to an argument or discussion must be given free expression because no truth is so certain that it may not be challenged not even the truth of democracy itself In the end when tension looms then there is an unending appeal for tolerance With time democracy has developed from a largely northern European style of governance to a worldwide phenomenon in the 21st century Consequently almost everybody today consider democracy to be the ideal form of government under a widely accepted consensus that it is a government of choice in the global market place of social systems but how true is it As you read this book I pray that you will be enlightened in the knowledge of God so as you are not tossed about by any wind of doctrines of men but by God Alexander Bestuzhev-Marlinsky and Russian Byronism Lewis
