Russias Restless Frontier The Chechnya Factor In Post Soviet Russia

Magnus Ranstorp, Paul Wilkinson

Russias Restless Frontier The Chechnya Factor In Post Soviet Russia:

Russia's Restless Frontier Dmitri V. Trenin, Alexey Malashenko, 2010-04 The conflict in Chechnya going through its low and high intensity phases has been doggedly accompanying Russia's development In the last decade the Chechen war was widely covered both in Russia and in the West While most books look at the causes of the war explain its zigzag course and condemn the brutalities and crimes associated with it this book is different Its focus lies beyond the Caucasus battlefield In Russia's Restless Frontier Dmitri Trenin and Aleksei Malashenko examine the implications of the war with Chechnya for Russia's post Soviet evolution Considering Chechnya's impact on Russia's military domestic politics foreign policy and ethnic relations the authors contend that the Chechen factor must be addressed before Russia can continue its development

Russia's Restless Frontier Dmitri Trenin, Aleksei Vsevolodovich Malashenko, Anatol Lieven, 2004 The conflict in Chechnya going through its low and high intensity phases has been doggedly accompanying Russia's development In the last decade the Chechen war was widely covered both in Russia and in the West While most books look at the causes of the war explain its zigzag course and condemn the brutalities and crimes associated with it this book is different Its focus lies beyond the Caucasus battlefield In Russia's Restless Frontier Dmitri Trenin and Aleksei Malashenko examine the implications of the war with Chechnya for Russia's post Soviet evolution Considering Chechnya's impact on Russia's military domestic politics foreign policy and ethnic relations the authors contend that the Chechen factor must be addressed before Russia can continue its development

Conflict in the Former USSR Matthew Sussex, 2012-10-04 Since the collapse of the Soviet Union conflict in the former USSR has been a key concern in international security This book fills a gap in the literature on violent conflict evaluating a region that contains all the modern ingredients for instability and aggression Bringing together leading experts on war and security the book addresses current debates in international relations about power interests globalisation and the politics of identity as major drivers of contemporary war Incidents such as the 2008 Russo Georgian conflict the wars in Chechnya and Russia's struggles over national identity and resources with former communist states are all thoroughly examined With new issues like energy security terrorism and transnational crime and older tensions between East and West threatening to deepen once more this is an important contribution to the international security literature

Ethnic Relations in Post-Soviet Russia Andrew Foxall, 2014-10-03 While the collapse of communism in Russia was relatively peaceful ethnic relations have been deteriorating since then This deterioration poses a threat to the functioning of the Russian state and is a major obstacle to its future development Analysing ethnic relations in the North Caucasus this book demonstrates how a myriad of processes that characterised post Soviet transition including demographic change economic upheaval geopolitical instability and political re structuring have affected daily life for citizens It raises important questions about ethnicity identity nationalism sovereignty and territoriality in the post Soviet space

Russian Foreign Policy toward Missile Defense Bilyana Lilly, 2014-08-21 This book is devoted to one of the central issues in U S Russian

and NATO Russian relations ballistic missile defense Drawing on more than 2 000 primary sources interviews with Russian and NATO officials and a variety of Russian and Western publications this book offers an unparalleled in depth analysis of the reasons behind Russia s policy towards the construction of a U S ballistic missile defense in Europe It provides a critical assessment of the decision making mechanisms that shape Russia s position on ballistic missile defense as well as Russia s strategic relations with the United States and Russia s interaction with European and non European powers Lilly argues that contrary to Moscow s official claims during the Putin era Russian objections to the construction of ballistic missile defense in Europe have not been wholly dictated by security concerns To Russia missile defense is not purely an issue in and of itself but rather a symbol and instrument of broader political considerations At the international level the factors that have shaped Russia s response include Moscow s perception of the overall state of U S Russian relations the Kremlin s capacity to project influence and power abroad and NATO s behavior in the post Soviet space Domestically the issue of missile defense has been a facilitating instrument for strengthening Putin s regime and justifying military modernization Taken together these instrumental considerations and their fluctuating intensity in different periods prompt the Russian leadership to pursue contradictory policy approaches simultaneously On the one hand the Kremlin seeks U S cooperation while on the other hand it threatens retaliation and reinforces Russian offensive capabilities The result is Moscow s incoherence inconsistency and double speak over the issue of missile defense

From Conquest to Deportation Jeronim Perovic,2018-06-01 This book is about a region on the fringes of empire which neither Tsarist Russia nor the Soviet Union nor in fact the Russian Federation ever really managed to control Starting with the nineteenth century it analyses the state s various strategies to establish its rule over populations highly resilient to change imposed from outside who frequently resorted to arms to resist interference in their religious practices and beliefs traditional customs and ways of life Jeronim Perovic offers a major contribution to our knowledge of the early Soviet era a crucial yet overlooked period in this region s troubled history During the 1920s and 1930s the various peoples of this predominantly Muslim region came into contact for the first time with a modernising state demanding not only unconditional loyalty but active participation in the project of socialist transformation Drawing on unpublished documents from Russian archives Perovi investigates the changes wrought by Russian policy and explains why from Moscow s perspective these modernization attempts failed ultimately prompting the Stalinist leadership to forcefully exile the Chechens and other North Caucasians to Central Asia in 1943 4

Terrorism and the Politics of Naming Michael Bhatia,2013-10-18 Previously published as a special issue of Third World Quarterly this volume assesses the nature power role and function of names in global politics and the international media Names are not objective they accrue subjective associations for example Terrorist has a very different connotation to Freedom fighter The contributors seek the truth beneath the names assigned in an effort to remove the obscurity created by the power of the politics of naming to the reality of the situation taking examples from Al Qaeda Russia s demonization of the Chechens and naming in the Israeli

Palestine conflict among other important contemporary debates Terrorism and the Politics of Naming makes a substantial contribution towards elucidating the power of naming in the discourse of conflict and will be of great interest to students and scholars of political philosophy political theory and politics and the media **The Caucasus - An Introduction** Frederik Coene,2009-10-16 This book presents a comprehensive introduction to the Caucasus It covers the geography and the historical development of the region economics politics and government population religion and society culture and traditions and conflicts and international relations It is written throughout in an accessible style and requires no prior knowledge

International Organizations and Internal Conditionality R. Fawn,2013-11-12 This book explores how norms based international organizations namely the Council of Europe and the OSCE are still able to win in world politics Fawn uses the concept of internal conditionality to explain how these organizations have been able to respond to members with a lack of material incentives or instruments of coercion **The Foreign Policy of Russia** Robert H. Donaldson, **Terrorism and Human Rights** Magnus Ranstorp,Paul Wilkinson,2013-09-13 This book reinforces our knowledge and understanding of the problems involved in balancing human rights protection and security concerns considering how these human rights issues have been raised by the various international debates and policy issues which have been created by the continuing global war on terrorism In the shadow of 9 11 the threat of terrorism is an ever increasing global preoccupation Terrorism and Human Rights discusses the effects of the legal and social aspects of terrorism by examining the relation between security issues and human rights from the angle of international organizations political bodies and different countries Some of the examples covered and which are examined in light of their approach and reaction to terrorism include the European Union the UN Russia and the United States Previously published as a special issue of Terrorism and Political Violence this volume will be useful for all students of security politics and terrorism studies but also for policy makers legislators and law enforcers **The New Tsar** Steven Lee Myers,2015-09-24 The epic tale of Vladimir Putin s path to power as he emerged from obscurity to become one of the world s most important and dangerous leaders Former New York Times Moscow Bureau Chief Steven Lee Myers has followed Putin since well before the recent events in the Ukraine and gives us the fullest and most engaging account available of his rise to power A gripping page turning narrative about Russian power and prestige the book depicts a cool and calculating leader with enormous ambition and few scruples As the world struggles to confront a newly assertive Russia the importance of understanding Putin has never been greater Vladimir Putin rose out of Soviet deprivation to the pinnacle of influence in the new Russian nation He came to office in 2000 as a reformer cutting taxes and expanding property rights bringing a measure of order and eventually prosperity to millions whose only experience of democracy in the early years following the Soviet collapse was instability poverty and criminality On the other Putin has ushered in a new authoritarianism unyielding in its brutal repression of dissent and newly assertive politically and militarily in regions like Crimea and the Middle East The New Tsar is a staggering achievement a deeply researched and essential

biography of one of the most important and destabilising world leaders in recent history a man whose merciless rule has become inextricably bound to Russia's foreseeable future

Globalization and Conflict Robert G. Patman, 2006-08-10 This volume highlights the gap between the new security environment and the notion of state centred national security favoured by Washington showing how a Cold War phenomenon known as the national security state in which defence and foreign policy interests essentially converge remains largely intact The conventional wisdom since the suicide attacks of 9 11 is that the world has been transformed and according to President Bush September 11 changed the strategic thinking of the US This book challenges these assumptions Indeed the Bush administration's National Security strategy of 2002 has reinvigorated and even extended the idea of national security Paradoxically the renewed emphasis on a distinctly state centred approach to security including the War on Terror has unfolded during an era of deepening globalization Drawing on the international expertise of fourteen specialists the book examines four inter related themes the impact of globalization on the concept of security the strategic outlook of the world's only superpower the US the new conflicts that have come to characterize the post Cold War era efforts to regulate the emerging patterns of conflict in the world Globalization and Conflict will be essential reading for students of strategic studies security studies and international relations

Post-Imperium Dmitri V. Trenin, 2011-08-01 The war in Georgia Tensions with Ukraine and other nearby countries Moscow's bid to consolidate its zone of privileged interests among the Commonwealth of Independent States These volatile situations all raise questions about the nature of and prospects for Russia's relations with its neighbors In this book Carnegie scholar Dmitri Trenin argues that Moscow needs to drop the notion of creating an exclusive power center out of the post Soviet space Like other former European empires Russia will need to reinvent itself as a global player and as part of a wider community Trenin's vision of Russia is an open Euro Pacific country that is savvy in its use of soft power and fully reconciled with its former borderlands and dependents He acknowledges that this scenario may sound too optimistic but warns that the alternative is not a new version of the historic empire but instead is the ultimate marginalization of Russia

Russia and Globalization Douglas W. Blum, 2008-03-26 Russia is a battered giant struggling to rebuild its power and identity in an era of globalization Several of the essays in this diverse and original collection point to the difficulty of guaranteeing a stable domestic order due to demographic shifts economic changes and institutional weaknesses Other contributors focus on the country's efforts to respond to the challenges posed by globalization and discuss the various ways in which Russia is reconceptualizing its role as an international actor Ambivalence is a recurrent theme according to editor Douglas W Blum ambivalence about globalization's costs and benefits and the efforts required to manage them

Contesting History Matthew Flynn, 2010-06-03 In this book the Bush administration's war in Iraq is assessed using an interdisciplinary approach and historical analysis that will help readers better understand the results of the U S counterinsurgency doctrine from 2003 to the present Contesting History The Bush Counterinsurgency Legacy in Iraq uses a comparative analysis of history to

assess the Bush administration's actions in Iraq focusing specifically on the policy of counterinsurgency Insurgency exists within an extended timeframe and exhibits a global reach argues comparative warfare expert Matthew J Flynn Therefore understanding this phenomenon is best realized through an examination of guerrilla conflicts around the world over time this book provides that approach The work analyzes U S counterinsurgency doctrine during the Iraq War from 2003 to the present and offers relevant historical comparisons to conflicts dating back to the mid 19th century in which a nation enjoyed marked military superiority over their enemy In doing so it encourages readers to link the Afghanistan and Iraq wars in the broad context of the utilization of counterinsurgency operations to achieve policy objectives Ultimately the book illustrates how the tactical military success of the U S surge in Iraq still nets a strategic failure **The SAGE Encyclopedia of**

Terrorism, Second Edition Gus Martin, 2011-06-15 Six years after publication of the first edition of the best selling Encyclopedia of Terrorism much has changed on the national security scene Despite the dark promises of Osama bin Laden following the 9 11 attacks the United States has not experienced any major domestic terror incidents Al Qaeda itself is believed to be a severely crippled organization But while U S wars in Afghanistan and Iraq not to mention the arrival of the Obama administration a new balance of power within Congress and an increasingly fragile economic picture have significantly affected the national security picture the threat of economic chaos and massive loss of life due to terror attacks has not abated Indeed in July 2008 analysts pointed out that even a relatively small terrorist organization could present a dire threat with some experts arguing that a biological chemical or even nuclear attack on a major U S city is all but inevitable In this highly charged rapidly shifting environment we are pleased to present the The SAGE Encyclopedia of Terrorism Second Edition a thoroughly updated and expanded edition of the original highly regarded reference work Nearly 100 000 words of new material will be added along with fully updated original entries and expanded coverage New introductory essays will explore the impact of terrorism on economics public health religion and even pop culture Ethical issues such as the role of torture in interrogations competing notions of security versus liberty and the debates over FISA legislation and Guantanamo Bay will also be covered Two dozen entries on significant recent events such as the London bombings Chechen attacks on Russian interests and the rescue of Ingrid Bettancourt and some 60 additional new entries will restore the work as an up to the minute natural first stop for researchers **Casebook on Insurgency and Revolutionary Warfare**, 2012

Massacres and Morality Alex J. Bellamy, 2012-09-27 Most cultural and legal codes agree that the intentional killing of civilians whether in peacetime or war is prohibited Yet despite this fact the deliberate killing of large numbers of civilians remains a persistent feature of global political life [HIV/AIDS in Russia and Eurasia](#) J.

Twigg, 2007-01-08 Russia and a few other Eurasian countries have been home to the fastest growing epidemics of HIV in the world over the last several years This volume offers country specific accounts authored by the leading players in the analysis of the situation and the fight against the virus

The Enigmatic Realm of **Russias Restless Frontier The Chechnya Factor In Post Soviet Russia**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Russias Restless Frontier The Chechnya Factor In Post Soviet Russia Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Russias Restless Frontier The Chechnya Factor In Post Soviet Russia free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Russias Restless Frontier The Chechnya Factor In Post Soviet Russia free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role

in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Russias Restless Frontier The Chechnya Factor In Post Soviet Russia free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Russias Restless Frontier The Chechnya Factor In Post Soviet Russia. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Russias Restless Frontier The Chechnya Factor In Post Soviet Russia any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Russias Restless Frontier The Chechnya Factor In Post Soviet Russia Books

1. Where can I buy Russias Restless Frontier The Chechnya Factor In Post Soviet Russia books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
