Campbell, 2025-03-31 Appealing to God or Man Contrasting Barrenness and Family Death Narratives in the Hebrew Bible and Ancient Near East argues for a reevaluation of barrenness type scenes in the Hebrew Bible and ancient Near East More specifically the argument is for a distinction women in family death narratives appeal to men while women in barrenness narratives appeal to God Even the male centric epics of the ancient Near East show that women interact with the divine more during barrenness crises e g the wife s prophetic dream in the Etana myth than during family death crises e g male divine narratives in Kirta and Aqhat This distinction not only clarifies the narrative tropes but

emphasizes the role of women in these crises and intersects with discussions of household roles in the ancient Near East Male and female roles in marriage and fertility drive the responses of characters in these idealized narrative worlds especially in family death and barrenness narratives

trusts in him She is often amazed at the springs of living water that well up from deep within that spill out onto those who are near He has given us a special gift and her goal for this book is to provide you with a daily dose of the things he has taught her so you will in turn make use of his gifts and find comfort in the peace he brings You are invited to experience Jesus through a daily excursion into his Word and begin to see your circumstances the way he sees them By the time you come to the end of this book Teresa hopes that you break bonds and leave all of your cares to Jesus by learning to trust in him

Equally Yoked Matthew R. Akers, 2016-03-03 During the past fifty years Western culture has experienced a significant shift in its overall stance regarding multiethnic marriage As a result more North Americans than ever marry spouses whose ethnicity or culture differs from theirs This trend also is observable in Christian circles Unfortunately few resources exist to help multiethnic couples maneuver through the potential minefield of cultural collision The purpose of this volume is to provide such a resource Equally Yoked examines the subject of multiethnic marriage from a biblical perspective before considering a history of the practice in North America over the last four centuries Additionally this book surveys the challenges that multiethnic Christian couples frequently encounter and offers premarital counseling propositions that will prove valuable to both counselors and couples who originate from diverse backgrounds
