**THE BRIDE OF CHRIST** Dedo Suwanda,2025-03-31 While there is no question that God created everything in the universe many Christians are unsure of the purpose of their existence The Bible calls men clay to the Potter sheep to the Shepherd and servants or slaves to the Master No wonder many Christians view their lives as never ending battles full of defeats and filled with burdensome rules and obligations The enlightened ones understand their roles as sons and daughters of the Father Some mature ones can see themselves as friends of God However few understand our most intimate role as the Bride of Christ The term Bride of Christ is often used but few can really comprehend it Most Christians cannot visualize God as a lover as a Bridegroom The religious ones see God as harsh and angry who always looks for opportunities to punish or demands sacrifices to appease Him If He were a Bridegroom would He be an angry One who likes abuse His bride Certainly not God is love Is Jesus Christ romantic Bridegroom Yes He loves us He is in love with us We are His beloved Like any man in love He desires us to love Him back and hear us saying I love you too The intention of this book is to expound Jesus Christ as a loving Bridegroom who was willing to die to redeem mankind and make us His beloved Bride This book will also dive into God s timeline past present and future so that the church understands what we are to do now while waiting for Him to come to pick up His Bride

**Ruth** Dr. Brian J. **An Overview of the Old Testament and How It Relates to the New Testament** James McKeehan,Jim

McKeehan,2002-02 This books explains oaths and the development of scripture But more importantly it discusses patterns so that the Old Testament is better understood from the New Testament The cross traveled through history but so did the priesthood marriage the Church and all of our beliefs We can better reflect on and understand John \_s Gospel description of Mary at the tomb of Jesus when it is compared with a similar passage in Song of Songs Other New Testament events are also better understood when they are discussed with the parallel events found in the Old Testament The Lion of Judah is always standing before us in His beautiful shining coat He is peaceful and content but with the power to swipe at us and completely devour us This book was written to give the reader an overview of the bible so that in reading the bible it will enrich our faith We must read the bible in its entirety because Jesus is both the lion and the lamb God is the Father the son and the Holy Spirit and the family is the basic unit that reflects God to us on our way to complete adoption in eternity with the communion of saints who are in communion with the Trinity Christ, Christianity and the Bible Isaac Massey Haldeman,1912 **The Bible from 30,000 Feet**® Skip Heitzig,2017-09-05 The perfect book to help you keep your eyes and your Bible wide open David Jeremiah Pastor and bestselling author An Eye Opening and Engaging Guide to the Bible Enjoy the magnificent panorama of Scripture like never before Pastor Skip Heitzig shares a FLIGHT plan for all 66 books of the Bible to help you better understand the context and significance of each In this one year overview you ll discover Facts about the author and the date each book was written Landmarks a summary of the highlights of the book Itinerary a specific outline of the book divided by themes Gospel how to see Jesus within the book s pages History a brief glimpse at the cultural setting for the book Travel Tips guidelines for navigating the book s truths If you have ever found yourself getting lost and wandering from verse to verse in Scripture put yourself firmly on track with the clear aerial view offered in The Bible from 30 000 Feet The Old Scofield® Study Bible, KJV, Standard Edition Oxford University Press,1998-01-08 Here s a full featured Bonded Leather study Bible at an amazing price Oxford is proud to offer this edition which contains reflections on the Word of God that have guided believers for nearly nine decades This treasured volume has been digitally reset to provide a more readable typeface without altering its pagination It also features a protective two piece box which commemorates the 100th anniversary of the publication Thumb indexed Authorized King James Version text Concordance Clear readable typeface Subject chain references Larger trim size 6 1 2 x 9 Same page text helps Complete Scofield references Subheadings Revised marginal renderings Comprehensive index Introduction to each book of the Bible Subject index English equivalents for Hebrew dates 16 pages of full color Oxford Bible Maps money weights and measures with index Chronologies **Believer's Bible Commentary** William MacDonald,2016-08-16 Make Bible study a part of your daily life with the thorough yet easy to read commentary that turns complicated theology into practical understanding The second edition of Believer s Bible Commentary is a one volume guide that helps the average reader develop basic knowledge of the Bible This commentary written by the late William MacDonald explores the deeper meanings of every biblical book and tackles controversial issues from a

theologically conservative standpoint while also presenting alternative views Serving as a friendly introduction to Bible study Believer s Bible Commentary gives clarity and context to scripture in easy to understand language Features Introductions notes and bibliographies for each book of the Bible A balanced approach to linguistic studies and useful application Comments on the text are augmented by practical applications of spiritual truths and by a study of typology where appropriate Colorful maps of the Holy Land and other useful study helps Can be used with any Bible translation but is best used with the New King James version **Judges** Tim Mather,2010-10 JUDGES Book of Heroes traces the tragic story of the people of God from the glory days of Joshua to the gloomy days of Samson from courage to compromise from conquest to capitulation But despite the subject matter this book is not a gloomy book The author shows that for all their failings the judges were men and women of rare faith men and women who stood for God in troubled times And he encourages us too to live for God where He has placed us to serve Him faithfully in the work to which He has called us We may not have the spiritual gifts of a Samson or a Deborah We may not have the courage of an Othniel or a Jephthah Perhaps we re just ordinary like Gideon or maybe we feel like one of the minor judges like Abdon or Ibzan or Tola whose names nobody can remember Nevertheless God delights to use ordinary people and He delights even more to use really useless people God will use those who have faith in Him those whose hearts are loyal to Him The judges of Israel imperfect as they were stand out for God like shining beacons in a dark night because at the end of the day they trusted God and were available to Him

**And There Was War in Heaven** Marie Hunter Atwood,2013-06 In retrospect stories learned as children were entertaining but failed as life mentors We as well as our children have failed to retain their principles and in consequence have lost a portion of background history necessary to understanding God s messages For instance why did God give the Law of Moses Of what purpose were the kings and judges the flood of Noah s time What do the Covenants mean and why didn t first century Jews accept the promised Messiah Why is Revelation a part of His message since it is in apocalyptic language and does it have any meaning for us These questions are important as they grant knowledge that provides additional sources of honor from which we are able to praise Him more effectively They are also the background for the New Covenant under which we live Without them we would not have reconciliation or salvation *Pillar of Fire* ,1929 **The Alliance Weekly** ,1946 [A Layman's Look at Ruth](#) Benjie Ewing,2022-04-19 A Layman s Look at Ruth provides pastors Sunday school teachers evangelists and any student of the Bible with a comprehensive insight into the story of Ruth and her kinsman redeemer Boaz She journeys to a land foreign to her with her mother in law Due to her faith in the God of Israel she and her mother in law are sustained She eventually learns that Boaz is a relative of her late husband and that she has the right to claim him as her husband She does and her family becomes part of the lineage of King David and the Lord Jesus She is faithful when many would have faltered and she is loyal to her family and her God It is a story of love and suspense and this simple commentary s goal is to give readers a better understanding of this wonderful book [Shadow of Things to Come](#)
