Jean, 2019-02-12 Michaëlle Jean Secrétaire générale de la Francophonie depuis janvier 2015 a vigoureusement pris la parole partout pour positionner l'action de l'Organisation sur l'échiquier multilatéral dans ces temps troublés par des attentats meurtriers des exodes migratoires jamais égalés et des processus électoraux agités. On a entendu la voix de la Francophonie lors de discussions de haut niveau sur tous ces défis et toutes ces urgences dont les pays de l'espace francophone peuvent témoigner sur les cinq continents mais aussi sur le financement de l'éducation l'investissement dans le capital humain les stratégies engager en faveur de l'entrepreneuriat de l'innovation des cosystèmes économiques le virage numérique et technologique la protection de l'environnement la défense des droits des femmes et des enfants la mobilisation de la jeunesse le multilinguisme comme une condition essentielle d'un multilatéralisme plus inclusif et plus démocratique et bien d'autres questions encore. Ce recueil d'un nombre choisi de discours et d'interventions qui couvre des thématiques au cœur de l'actualité durant le mandat de la Secrétaire générale montre son investissement inlassable pour la réalisation de la feuille de route ambitieuse qui lui a été confiée par les chefs d'état et de gouvernement membres de l'Organisation internationale de la Francophonie OIF la poursuite de l'idéal fondateur en faveur d'un humanisme intégral et universel la sauvegarde des valeurs des principes et des objectifs inscrits dans la Charte. Bulletin signalétique, 1970 *Poétiques de la violence et récits francophones contemporains* Emmanuel Bruno Jean-François, 2016-11-07

Face à la surenchère des représentations médiatiques artistiques et iconographiques de la violence, en quoi consiste le contre-discours qui articule les littératures francophones émergentes pour penser les violences du monde contemporain. En adoptant une approche comparatiste et largement interdisciplinaire, mettant en évidence le travail esthétique et l'engagement éthique des écrivains issus d'aires géographiques diverses, Emmanuel Bruno Jean-François tente dans *Poétiques de la violence et récits francophones contemporains* de répondre à cette question en mettant en dialogue des récits qui, au constat d'une représentation en crise d'une banalisation et d'un talage de la violence, procèdent d'un effet de rupture pour mettre en scène l'irreprésentable. En explorant les contours de ces poétiques plurielles de la violence en contexte francophone et postcolonial, cette étude nous invite à une lecture transnationale des enjeux thématiques, éthiques et esthétiques qu'elles soulèvent.

In his comparative interdisciplinary study *Poétiques de la violence et récits francophones contemporains*, Emmanuel Bruno Jean-François examines what constitutes the counter-discourse that emerging Francophone literatures articulate to think through the dynamics of violence in our contemporary world in view of the proliferation of artistic iconographic and media representations of violence effecting our perception of our environment. In the context of the trivialization of violence and the crisis of representation that this phenomenon produces, he underscores both the aesthetic and ethical engagement of writers from a wide range of geographical regions by bringing together literary texts that develop a new poetics of violence characterized by a break in the aesthetic values usually associated with the unrepresentable. By exploring the stylistic, historical and thematic contours of these Francophone and postcolonial texts, his study invites us to better understand the thematic, aesthetic and ethical issues they raise.
