home Over the years Sonia Choquette has been asked whether her extraordinary intuition is a gift and she's come to answer yes But her blessing wasn't being endowed with an extra sense It was having a mother who created a spiritual awareness and a home environment that encouraged all of her senses to develop That is what inspired Sonia Choquette to write this profound and accessible book explaining through spiritual principles modern day parables and practical exercises how even busy parents can help children connect to their own source of Divine guidance Your personal sixth sense is activated by training your awareness to become sharper and receive more information from others the astral planes your Higher Self and God You begin this process by learning how to expand your consciousness and better understand the way your body takes in and responds to energy Intuitive living is the art of developing your awareness to be a highly sophisticated receiver of vibrations that will give you more accurate data to work with as you interact with people It involves teaching yourself to be open and receptive to the subtle planes of energy that constitute our psychic lives Awakening your sixth sense begins with an awareness of ten basic principles Intuition and other creative six sensory abilities are gifts of the Divine Source within everyone We're all spiritual beings therefore we're all six sensory by nature and can even be psychic Developing our innate wisdom is our spiritual birthright Intuitive insights are messages from a Divine source that lead us to our own sacred essence and our highest creative abilities Spirit based direction benefits all people Inner guidance is activated by love and results in greater understanding and compassion for ourselves and others A six sensory life is gentle powerful courageous and always noncoercive The Inner Teacher doesn't flatter the ego rather it supports our spirit's expression and growth An intuitive life releases our full potential Being attuned to our sixth sense ourselves is the best way to nurture this important ability in our children As Sonia says Connecting to our intuition unites us with both our soul and the soul of the Universe Divine Spirit It takes away our fearful sense of isolation and inadequacy It replaces fear with a sense of spiritual direction and safety The world becomes friendly nonadversarial and welcoming Life becomes joyful amusing generous and abundant This is the Divine plan The intuitive life is one of confidence inner peace and creative expression What better gift to give ourselves and our children
