Sabriya Damascus Bitter Sweet:

Sabriya Ulfat Idilbi, 1997 The lives of women in 1920s Syria through the eyes of a woman revolutionary fighting the French colonial regime It is written in the form of a journal which ends with her suicide **From Damascus to Beirut** Hazem Fadel, 2016-02-08 Notably studies on the Arabic novel tend to focus on canonical writers like the Egyptian novelist and Nobel laureate Naguib Mahfouz 1911 2006 and leave out or just mention en passant the work of others This book is not concerned with the ways in which the Arabic novel breaks away from or reproduces Mahfouz's approach and techniques but focuses instead on the way in which the authors in question engage with the phenomena of nationalism feminism post and neo colonialism civil war and social change in the Arab world using an urban scenario as their privileged point of observation The Arabic city is privileged as a focal point because it is the space where the struggles over issues of nation building gender religion and class as well as the patriarchal colonialist Zionist and sectarian violence linked to these issues manifest themselves most evidently To this end *From Damascus to Beirut* Contested Cities in Arab Writing brings together four novels published between 1969 and 1989 which have never been approached from this perspective nor put in this kind of dialogue before Ulfat Idilbi's *Damascus* Ghassan Kanafani's *Haifa* Ahlam Mosteghanemi's *Constantine* and Elias Khoury's *Beirut* are social and historical products and as such as Henri Lefebvre maintains are deeply rooted in politics and affected by ideology The cities discussed here in fact display the ebbs and flows of political and social life in their respective countries and in the Arab world in general Each city stands at a crucial point in the history of the Arab world and the way in which they are represented by their respective authors sets the stage for and sometimes even foreshadows an upcoming defeat or disappointment Albeit for different reasons *Damascus* *Haifa* *Constantine* and *Beirut* are all expressions of failures either on national political social or economic levels Paradoxically however they are also the repositories of their people's hopes and aspirations as well as of their disappointments Analysing these novels as such this book will be of particular interest to postcolonial readers and more importantly to English speaking readers who are interested in the study of modern Arabic literature Its close textual analysis offers the reader new tools not only for understanding themes and narrative techniques pertaining to the Arabic novel but also the contemporary political cultural and social issues that produced them

Tradition, Modernity, and Postmodernity in Arabic Literature Kamal Abdel-Malek, Wael Hallaq, 2000-07-18 The collection of essays contained in this volume is written by a group of prominent scholars of Arabic literature They explore various manifestations of traditional as well as modern and postmodern themes and techniques in Arabic literature This is the first time the tripartite concepts of tradition modernity and postmodernity in Arabic literary works are explored and analyzed in one volume It illustrates very clearly the fact that Arabic literature has kept abreast not only of the primarily modern literary movements in the West that is amply illustrated by many studies to date but also of the postmodern condition Scholars in the fields of Arabic literature Islamic Studies Comparative Literature postmodern studies among others will find this collection of

The Undergraduate's Companion to Arab Writers and Their Web Sites Dona S. Straley, 2004-08-30 This companion provides information on the lives and works of about 150 authors who write primarily in Arabic, covering the first known works of Arabic literature in the 5th and 6th centuries A.D. to the present day While concentrating on literary authors, writers from the fields of history, geography, and philosophy are also represented The individuals represented were chosen primarily from the Encyclopedia of Arabic Literature Among the major authors are Najib Mahfuz, the 1988 Nobel laureate; Nawal Saadawi, the Egyptian physician who is the leading female literary author in the Arab world; and the most frequently translated into English, Abu al Ala al Ma'arri, the 11th-century poet whose verses are taught to every Arab schoolchild; and Avicenna, the great physician and philosopher, transmitter and interpreter of Aristotle whose work on medicine was long the standard, not only in the Middle East but also in Latin translation in Europe In addition, entries will be included for the anonymous romances so common in Arabic literature, such as *The Arabian Nights*, a cycle of stories perhaps even better known in the West than in the Arab world Interest in the history and culture of the Arab world at U.S. universities has taken a quantum leap since the events of September 11, 2001 In this book, the author demonstrates that at least three major, distinct literary and cultural traditions are included within the fields of Middle Eastern and Islamic studies: Arabic, Persian, and Turkic The Arabic tradition is the oldest, largest, and most widely dispersed Undergraduate courses in Arabic literature and culture are now being taught at both lower and upper levels at many universities Such courses are often used by undergraduates to fulfill basic educational requirements for their degrees Students in such courses often have difficulty finding information on Arab writers, and this volume fills the void

The Poisoned Well Roger Hardy, 2018-03-29 Almost fifty years after Britain and France left the Middle East, the toxic legacies of their rule continue to fester To make sense of today's conflicts and crises, we need to grasp how Western imperialism shaped the region and its destiny in the half-century between 1917 and 1967 Roger Hardy unearths an imperial history stretching from North Africa to southern Arabia that sowed the seeds of future conflict and poisoned relations between the Middle East and the West Drawing on a rich cast of eye witnesses ranging from nationalists and colonial administrators to soldiers, spies, and courtesans, *The Poisoned Well* brings to life the making of the modern Middle East, highlighting the great dramas of decolonisation, such as the end of the Palestine mandate, the Suez crisis, the Algerian war of independence, and the retreat from Aden Concise and beautifully written, *The Poisoned Well* offers a thought-provoking and insightful story of the colonial legacy in the Middle East

times through the days of the Pharaohs the Roman Empire to the Arab world of the last three centuries It is a personal investigation into the effects of the dance s movements on individual parts of the body and the whole psyche It is a guide to the actual techniques of the dance for those who are inspired to put down the book and move Al Rawi conveys in this book not only the history and technique of grieving and mourning dances pregnancy and birth dances but the spirit of these age old rituals and their possibilities for healing and empowering women today *Disturbing Spirits* Beverly A.

Tsacoyianis,2021-06-15 This book investigates the psychological toll of conflict in the Middle East during the twentieth century including discussion of how spiritual and religious frameworks influence practice and theory The concept of mental health treatment in war torn Middle Eastern nations is painfully understudied In *Disturbing Spirits* Beverly A Tsacoyianis blends social cultural and medical history research methods with approaches in disability and trauma studies to demonstrate that the history of mental illness in Syria and Lebanon since the 1890s is embedded in disparate but not necessarily mutually exclusive ideas about legitimate healing Tsacoyianis examines the encounters between Western psychiatry and local practices and argues that the attempt to implement modern cosmopolitan biomedicine for the last 120 years has largely failed in part because of political instability and political traumas and in part because of narrow definitions of modern medicine that excluded spirituality and locally meaningful cultural practices Analyzing hospital records ethnographic data oral history research historical fiction and journalistic nonfiction Tsacoyianis claims that psychiatrists presented mental health treatment to Syrians and Lebanese not only as a way to control or cure mental illness but also as a modernizing worldview to combat popular ideas about jinn based origins of mental illness and to encourage acceptance of psychiatry Treatment devoid of spiritual therapies ultimately delegitimized psychiatry among lower classes Tsacoyianis maintains that tensions between psychiatrists and vernacular healers developed as political transformations devastated collective and individual psyches and disrupted social order Scholars working on healing in the modern Middle East have largely studied either psychiatric or non biomedical healing but rarely their connections to each other or to politics In this groundbreaking work Tsacoyianis connects the discussion of global responsibility to scholarly debates about human suffering and the moral call to caregiving *Disturbing Spirits* will interest students and scholars of the history of medicine and public health Middle Eastern studies and postcolonial literature
