

The Sack of Panamá

Sack Of Panama

Peter Earle

Sack Of Panama:

The Sack of Panamá Peter Earle, 2007-02-06 Captain Henry Morgan's capture of the city of Panamá in 1671 is seen as one of the most audacious military operations in history. In The Sack of Panamá Peter Earle masterfully retells this classic story combining thorough research with an emphasis on the battles that made Morgan a pirate legend. Morgan's raid was the last in a series of brutal attacks on Spanish possessions in the Caribbean all sanctioned by the British crown. Earle recounts the five violent years leading up to the raid then delivers a detailed account of Morgan's march across enemy territory as his soldiers contended with hunger, tropical diseases and possible ambushes from locals. He brings a unique dimension to the story by devoting nearly as much space to the Spanish victims as to the Jamaican privateers who were the aggressors. The book covers not only the scandalous events in the Colonial West Indies but also the alarmed reactions of diplomats and statesmen in Madrid and London. While Morgan and his men were laying siege to Panamá, the simmering hostilities between the two nations resulted in vicious political infighting that rivaled the military battles in intensity. With a wealth of colorful characters and international intrigue The Sack of Panamá is a painstaking history that doubles as a rip-roaring adventure tale.

The Rough Guide to Panama Rough Guides, 2014-11-03 The new look Rough Guide to Panama now in full colour throughout is the ultimate travel guide to this vibrant and fascinating country.
