Unleashing the Work of God W. Joseph Stallings, 2019-11-07 Are we Methodists ready for the work of God to be unleashed Are we ready for Methodism to be the catalyst of yet another New Pentecost God has decisively acted in Christ and Christ says Do this Therefore there is only one real answer since not ready is not a valid response For United Methodism to be revived there can be no more such excuses Christ showed us his presence and power through Constant Word and Sacrament praxis during the time of the Acts 2 church Christ then again showed us his same divine presence and power through Constant Word and Sacrament praxis during the Methodist Evangelical Revival We have now been given two millennia to view this work of God We Methodists were born of this work of God How much more being made ready to unleash it do we require **Teaching as a Sacramental Act** Mary Elizabeth Moore, 2004-11-01 Moore asserts that Christian vocation and the teaching vocation in particular can be best understood as sacramental mediating the grace of God

through ordinary creation for the sanctification of human life and the well being of all creation She develops her argument through three important factors a historical theological analysis of the Christian sacraments and sacramentality a phenomenological study of teaching events and a description of six sacramental movements and corresponding teaching practices informed by Jewish Christian traditions and Eucharistic practices The nine detailed chapters include Searching for the Sacred Sacred Teaching Education as Sacrament Expecting the Unexpected Remembering the Dismembered Seeking Reversals Giving Thanks Nourishing Life Reconstructing Community and Repairing the World and Mapping the Future of Sacramental Teaching Teaching as a Sacramental Act is ideal for students pastors Christian educators spiritual directors and pastoral caregivers who want to rethink and reshape the teaching ministry of the church

Evangelicals, Worship and Participation Alan Rathe, 2016-04-22 In discussions of worship the term participation covers a lot of ground It refers not only to concrete acts in gathered liturgy but also to some of the loftiest claims of Christian theology In this book Alan Rathe probes the ways in which North American evangelicals have in recent years regarded the landscape of participation Rathe presents a broad review of evangelical worship literature through a lens borrowed from medieval theology This brings into surprising focus not only evangelical understandings but also evangelical identities and the historical traditions they reflect and offers fresh perspectives on such current theological concerns as God s triunity missio Dei and the practical theology of participation Offering a fresh contribution to a young but important discipline the liturgically informed study of evangelical worship practice this book reconnects the evangelical tradition to the Great Tradition and in the process re appropriates classic concepts that are full of promise for contemporary ecumenical dialogue

The Sacrament of Eucharist John D. Laurance, 2012-11-01 In The Sacrament of the Eucharist the latest volume in the Lex Orandi Series John D Laurance considers the Eucharist by way of two questions How by his first century life death and resurrection does Jesus Christ save

all human beings throughout history from eternal death and make possible their permanent union with God How is that salvation made available now through the community of the church in her liturgical celebrations Soteriology and ecclesiology therefore play a prominent role in Lurance's investigation After forging a theology of the liturgy primarily out of the work of Rahner Kilmartin and Chauvet the author investigates the nature of the *lex orandi lex credendi* relationship and offers guidelines on how best to read the church's faith in her life of prayer He then uses both steps to discover the faith meaning of a particular Eucharist as typically celebrated in a modern American parish on Sunday morning

Karl Rahner Karl Rahner (S.I.), 1992 Karl Rahner's 1904-84 creative proposals in theological areas made him one of the giants of 20th century theology The depth of his contributions has made study of Rahner's writings difficult but Kelly's anthology of Rahner's writings overcomes the obstacles beautifully A select bibliography neatly organizes the vast work by and on Rahner Part of The Making of Modern Theology Series

To Love Is to Listen Ray Schroeder, 2001-01-17 God's love is shown when we listen with concern and understanding to another person face to face People long to feel that they are understood and valued by someone else Jesus said His disciples would be known by this sign that they love one another God is calling the people of the church today to go into the community and listen to visit in people's homes and at their workplaces and show the love of God in person This book will show you how to do that and in the process you will grow in your faith and understanding of what it means to live the Christian life

The "Supernatural Powers" in the Marriage Sacrament: Christ's Unique Saving Gift to Husband and Wife Jeff Edward Poulin, 2023-04-10 Entrenched in the teachings of the Church and enriched by the Bible is an untapped wealth of truth and what Pope Pius XI in his encyclical *Casti Connubii* calls supernatural powers concerning sacramental marriage that awaits those willing to undergo the journey In this book *The Supernatural Powers in the Marriage Sacrament* those who seek will indeed find that through a systematic and tenable development of marriage its mystery is not only illustrated and unveiled but perpetuated in the supernatural gifts that Christ has embedded in this vocational Sacrament Throughout these pages as the marital union unfolds through the lens of Christ across the Old and New Testaments Christian spouses will be moved by the depth of their own calling and inspired with renewed vigor to pick up the torch and to live out that life a life which has been ordained by God in holiness as a truly unique and efficacious revelation of the redeeming power of Christ In Part I of *The Supernatural Powers in the Marriage Sacrament* the first seven chapters are specifically designed to lead deacons catechists and lay Catholics especially husbands and wives to learn through a gradual yet intensively biblical and theological journey towards the unveiling of the unique redeeming gift to spouses that which is seen established and empowered through Christ at the Cross Here one finds the specific dynamics of that Sacramental gift unpacked and the sound spiritual evidence laid out for why there is such an absence of this marital fruit in our modern era In Part II Poulin then unpacks in greater detail how marriage and the gender of husband and wife serve as a revelation about man salvation and the Blessed Trinity and just how the religious life falls within that plan without

contradiction or constraint Lastly in Part III Jeff Poulin puts under the microscope through the lens of the Church the powerful words of St Paul in 1 Corinthians 7 14 and defends the charge that the simplest Catholic explanation that which is often dismissed merits a serious second look

The God Who Is Given Chris Dodson, 2021-05-03 Dietrich Bonhoeffer's notions of religionless Christianity have provoked a great deal of theological inquiry much of which has hindered evangelical reception of Bonhoeffer's work By setting religionless Christianity in the context of Bonhoeffer's Lutheran sacramental theology Chris Dodson furthers Bonhoeffer's belief that receiving the God given in the sacraments both resists Christians proclivity towards religious self serving ends and draws Christians into a life of robust faith and love Receiving Christ in baptism the Eucharist and confession serves to instill sustain locate and vitalize the form of life that Bonhoeffer calls religionless The church and its core practices are not abandoned in Bonhoeffer's prison letters they are reengaged with a more proper disposition faithful love of God and neighbor In this way common evangelical skepticisms about Bonhoeffer's later theology can be assuaged

Bonhoeffer's theology rightly construed provokes evangelicals and particularly American evangelicals to reconsider and restructure their worship along the lines of a religionless Christianity that promotes a deeper faith resulting from a more vigorous encounter with Christ as he gives himself over to his people [Giving the Church](#) Michael Moynagh, 2024-05-30

The nucleus of the church's vocation is to join the Spirit in giving communion in Christ to others in the form of new Christian communities for the benefit of the world But can the church be a welcome gift In [Giving the Church](#) leading ecclesiologist Michael Moynagh draws together recent thinking from the worlds of ecclesiology and missiology with significant sociological work on the idea of gift to provide a much needed theological rationale for some of the key missiological and ecclesiological movements in today's church Part 1 reworks some of the big themes in ecclesiology from this giving perspective the nature of the church the four marks the visible hidden church and inclusion exclusion Part 2 meanwhile draws on the extensive literature on gifts to offer an ethical framework for giving the church to others and uses this framework to provide fresh readings of liberationist herald and eucharistic models of the church It concludes by arguing that giving the church away can be a route to making the church a more attractive gift

The Mystery of Marriage: A Theology of the Body and the Sacrament Perry J. Cahall, 2014-12-01 This remarkable study offers a comprehensive explanation of the Catholic Church's teaching on the sacrament of marriage Incorporating the rich insights found in St John Paul II's *Theology of the Body* Dr Cahall presents a theology of marriage that incorporates the biblical systematic pastoral and historical traditions which have shaped our understanding of this sacrament

The Sacrament of the Word Made Flesh Robert J. Stamps, 2013-08-01 Robert Stamps offers us a compelling case for the significance of the theology of Thomas Torrance to current discussions about Trinitarian doctrine and worship He shows that Torrance's Christology and Eucharistic thought validates the Reformed confession of a profound real spiritual presence in the Eucharist This book serves as a helpful introduction to Torrance especially his framing of revelation Moreover it invigorates our understanding of the theological meaning of sacramental devotion Its readers will be stimulated provoked and dare I say inspired by its insights into and critiques of one of the most important and recent Reformed thinkers In sum this is a timely and exciting book It will well serve pastors theologians and thoughtful Christians of many theological perspectives

MARK VALERI E T Thompson Professor of Church History Union Theological Seminary Virginia One of the values of this work is that it has deliberately sought not so much to discuss a particular problem or a collection of issues as to identify Torrance as an example of an archetypal Reformed theology of the Eucharist To say that Dr Stamps has been industrious is patently an understatement the truth is that he has been indefatigable in his search for the least morsel that Torrance offers Yet it is not so much as a study of Torrance that this book is to be commended its great value is that it offers a contextualization of Torrance's thinking on the Eucharist in ecclesiology the more general dimension of an incarnational theology as well as his understanding of cosmology and epistemology I hope that Dr Stamps book will not only find grateful readers but will be repaid by profound reflection on this symbol of the heart of

faith JOHN HEYWOOD THOMAS Emeritus Professor of Theology University of Nottingham *Table Matters* Felicia Howell LaBoy, 2017-11-09 In many churches the work of evangelism and social justice is relegated to clergy staff or special committees Rarely do most members of the laity believe they should or even want to engage in the tasks of evangelism and social justice In this volume LaBoy contends that participation in baptism and Eucharist mandates for all Christians and those who are Wesleyan in their orientation in particular that evangelism and social justice are not optional but in fact integral to their worship and witness She argues that this understanding and practice of the integration of sacraments evangelism and social justice are what can help churches deal with contemporary issues of decline and church disenfranchisement by both congregants and those beyond church walls LaBoy further argues that making the sacraments central to the worship life of congregations is what made early Methodists great evangelists and advocates for social justice

Healing Touch and Saving Word Linda M. Malia, 2013-09-12 Is sacramental anointing the same as last rites Don't you have to have some kind of special gift to be part of the Church's healing ministry Why am I sick Is it God's punishment Ever since I became sick I don't feel like myself anymore If life is a journey what happens when our way is obstructed by sickness or failing health In *Healing Touch and Saving Word* Linda Malia draws upon the rich theology of the Anglican tradition personified in the Episcopal Church's sacramental liturgies of healing In easy to understand language *Healing Touch* examines the theological foundations of the Episcopal Church's healing liturgies from the first Book of Common Prayer to the most recent sacramental rites Probing the dynamics of symbol and ritual the complex relationship of sin and sickness and the spiritual and psychological impact of every serious illness the book explores the power of these graced encounters in enabling the faithful to draw new hope and renewed purpose out of the chaos and turmoil of illness and debility Individuals struggling with life changing illness and those who care for them clergy and laity alike are sure to find *Healing Touch* a helpful and thought provoking resource
