Religious Diversity and Children's Literature Connie R. Green, Sandra Brenneman Oldendorf, 2011-05-01. This book is an invaluable resource for enabling teachers, religious educators, and families to learn about religious diversity themselves and to teach children about both their own religion as well as the beliefs of others. The traditions featured include indigenous beliefs throughout the world, Native American spirituality, Hinduism, Buddhism, Judaism, Christianity, Orthodoxy, Catholicism, and Protestantism, Islam, Sikhism, and other beliefs such as Bahá'í, Unitarian Universalism, Humanism, and Atheism. Each chapter highlights a specific religion or spiritual tradition with a brief discussion about major beliefs, misconceptions, sacred texts, and holy days or celebrations. This summary of each tradition is followed by extensive annotated recommendations for children's and adolescent literature as well as suggested teaching strategies. The recommended literature includes informational books, traditional religious stories, and fiction with religious themes. Teachers, religious educators, and family members will find the literature from these genres to be invaluable tools for bridging the religious experience of the child with that of the global society in which they live.

World Religions Thomas A. Robinson, Hillary P. Rodrigues, 2022-11-15. This masterful survey of world religions presents a clear and concise portrait of the history, beliefs, and practices of Eastern and Western religions. The authors, both respected scholars of world religions, have over 50 years of combined teaching experience. Their book is accessibly written for introductory classes, can be easily adapted for one or two semester courses, and employs a neutral approach for broad classroom use. The third edition has been revised throughout with updated material on the history and contemporary configurations of each tradition and new sections addressing gender, sexuality, and the environment. It also includes effective sidebars, photographs, timelines, charts, calendars, glossaries, and a spelling guide. Online resources through Baker Academic's Textbook eSources include Powerpoint, Keynote slides, new maps, and videos, and a large question bank of multiple choice test questions available to professors upon request.

Games for Change Tim Dodds, Lisa Prosser-Dodds, 2004. A collection of games and activities that generate discussion and impart skills and values regardless of whether the facilitator includes the optional spiritual concepts. Each activity contains the necessary components to appropriately facilitate it, including objectives, needs, procedures, and processing questions.
